

## Scantic River Bridge Now Open To Traffic

The new Scantic River bridge was opened to traffic yesterday morning with a formal ribbon-cutting ceremony.

Cutting the ribbon were Mayor Frank Mancuso and Councilman John Morrison. At the ceremony were Town Manager C. Samuel Kissinger, Joseph Rution, local CDAP coordinator and Robert Mitchell, associated with the bridge architects.

Albert Vesce of 86 North Main St., drove the first car over the new blacktopped bridge. The car he drove was a 1932 Packard V-12 DeLuxe Passenger Sedan. His passenger was Mrs. Vesce.

The reconstruction and widening of the new span and its approaches from the highway are expected to cost in the neighborhood of the original estimate, approximately \$250,000.

After the approaches are completed the bridge will receive its final paving, the binder paving paid for from state aid funds for the project. Loaming and seeding are expected to be completed by mid-September.

The project replaces the old bridge over the Scantic River, scene of a number of serious traffic accidents, caused in part by the narrow one-car wide old structure.

The building of homes in the section caused town officials as well as residents, to press for a new bridge that would be less dangerous for traffic.

In addition, the Scantic River area is under consideration as an open space and recreation area, perhaps later with the establishment of a state recreation park in the locality.

**Bridge Opening Ceremony**

Mayor Frank Mancuso and Councilman John Morrison are shown cutting the ribbon opening traffic over the new Scantic River bridge. Looking on is Town Manager C. Samuel Kissinger. The first car over the bridge was a 1932 Packard, driven by Albert Vesce with Mrs. Vesce as his passenger.

## State Births On Increase

The state Health Department reported last week that for the first six months of 1969, there were 16.5 births for each 1,000 population in the state.

The rate is one percentage point higher than for the first half of 1968, and is the first increase since 1958.

During the first half of 1969, there were 24,175 births — a 5 per cent increase over the 23,019 births recorded for the same period in 1968.

Also on the increase this year were marriages which were up 457 over 1968 for a total of 11,221. The marriage rate was 7.4 compared to 7.3 per 1,000 population.

State Health Dept. officials said that there were about 500,000 women in the state of child-bearing age. They also stated there were also some 630,000 females under the age of 25 and that the child-bearing age group will increase approximately 25 per cent in 15 years.

## Jury To Study Town Operation

Town Manager C. Samuel Kissinger announced that Thomas Jury, an employee of the Department of Community Affairs, will work here with the town administration for the next eight weeks as a municipal intern.

Kissinger said Jury will serve at no cost to the town as part of a DCA program to make its employees more familiar with municipal government problems. Kissinger said Jury will probably be assigned such work as researching in regard to town government-union contracts.

Jury is a native of Englewood, N.J., and resides in Middletown. He is 27 years old. He is a graduate of The Citadel at Charleston, N.C., and holds a bachelor's degree in English. He has been a member of the DCA urban renewal section since 1966.

## Belle St. Block Dance Tomorrow

A block dance is planned to be held tomorrow night, commencing at 6 and terminating at 11. The dance will be held on Belle Street, off Brainard Road across Brainerd Park. It will be held primarily for the benefit of that neighborhood but a welcome is extended to all teenagers in town.

Organizers of the dance are Cheryl Saville, Peggy D'Amato and Debbie Saville, all of Belle Street and is sponsored by all the teenagers of that neighborhood. When asked the purpose of the dance, the three Enfield High School students said it was just to bring teenagers together and to have a good time and have something to do.

Admission is free and refreshments will be available. Music will be provided by the Friend, a six-piece band.

## Late Registration All Next Week

Late registration of children who have not enrolled and who will be entering the Enfield Public Schools this September will be held at the school nearest to their homes during the week of August 25 to 29, announced Maurice F. Smith, Superintendent of Schools.

Parents may register their children during the hours of 9:30-11:30 a.m. and 1:15-3:00 p.m.

Smith urges all parents who have not yet registered their children to comply with the above schedule in order to avoid any unnecessary delays in school placement.

## St. Cyr Candidate For District 1 Council Seat

The candidacy of Ronald St. Cyr for Town Council from District one has been announced by the Republican Town Committee. Born and educated in Chicopee, Mass., prior to his move to Enfield, and having completed courses at both the University of Hartford and the University of Connecticut, St. Cyr has been a resident of the town for seven years and is presently the owner of Ron St. Cyr Realtors here in Enfield. He

Ronald St. Cyr

## School Repair Contract Given

A contract for making major repairs to the Hazardville Grammar School has been awarded to the Peter M. Olko Construction Co. of Brainard Road.

The Olko bid was low at \$26,503, said Building Inspector Bertram King. John Rocano Construction Co. of Suffield submitted the second low bid of \$31,900.

The contract stipulates that all work at the Hazardville school be completed within 32 days, allowing classes to start at the beginning of the fall session next month.

Required repairs include a new roof, new toilet facilities, repairs to ceilings and windows and exterior painting. Other work required includes interior painting.

is a director of the North Central Connecticut Board of Realtors and chairman of the MLS. St. Cyr has served on the building committee and is a member of the Mens Club of Holy Family Parish. St. Cyr resides at 10 Hudson St. with his wife, the former Kathleen Tourville of Springfield and his two sons.

In announcing his candidacy, St. Cyr feels a strong commitment to the people of the town in that he has seen the tax soar to heights that it is becoming prohibitive for people and industry to be attached to "our

## PZ Commission To Consider 36-Unit Apartment Project

The town Planning and Zoning Commission will meet to night at 8 p.m. in the Town Hall council chambers.

First on the agenda will be the consideration of a request by the Petro Realty Corp. for a special use permit for construction of a 36-unit apartment project at Brainard Road and First Avenue.

About two years ago, a similar project was approved.

(Continued on Page 3)

## Enfield's 1969 King And Queen Crowned

Charles Baumann

Nancy Karcz

America has the Apollo 11 astronauts, a president, ambassadors and men and women of fame and fortune.

Enfield has its Mayor, Town Manager, Man of the Year, Policeman of the Year and its Miss Enfield.

America does not have a King and Queen, however; whereas Enfield does have a royal couple and they are Robert Baumann and Nancy Karcz, King and Queen respectively of Enfield's playgrounds.

A panel of three judges, Beverly Jezek of North Wilbraham (Mass.), Mrs. Ann Zoly of Somers and Carol Gove of Springfield, selected the new royal pair of the town's playgrounds last Thursday night at Memorial Park.

They were chosen from a field

of 82 boys and girls in the 5 to 12 age category who participated in the popular annual Park and Recreation sponsored event. Both were crowned by last year's king and queen, Dale Mauro and Carol Myers and received trophies and flowers symbolic of the honor.

Nancy Ravenola headed the program committee in charge of arrangements.

Robert is the son of Mr. and Mrs. Charles Baumann of 86 Brainard Road. He is 8 years old and a 3rd grade student at Prudence Crandall School.

Nancy is the daughter of Mr. and Mrs. David Karcz of 8 River Drive. She is 7 years old and a 3rd grade student at St. Adalbert's School.

Approximately 300 persons attended the contest and corona

## Kennedy Will Not Run Again

John J. Kennedy (D) South End Councilman, announces he will not be a candidate for re-election. The Democratic Town Committee voted last week to nominate Harold Long in his stead. Kennedy will not press for a primary.

Kennedy gave as his reason for not seeking re-election, the increasing demands of time necessary for council work. He said he may be able to serve later on various town committees that will not involve so much time.

During his two years on the Town Council Kennedy served as council representative on the Elementary School Building Committee, and was council representative to the Veterans Council.

## Notice-Technical School Enrollees

All students who will attend A. I. Prince Technical School in Hartford and Howell Cheney Technical School in Manchester during the coming year must obtain a transportation pass from the superintendent of schools office in the A. D. Higgins School building on North Main Street.

Passes will be issued by Philip Blaney, director of transportation on Monday thru Thursday, August 25 thru August 28 from 9 a.m. to 12.

develop, it will be held Sept. 23.

Bruce R. Ryder of 17 Booth St., the third Republican incumbent, was not a candidate for re-election as he plans to resume full-time studies at Clark University.

Three district councilmen were endorsed without contest. They were Ronald E. St. Cyr of 10 Hudson St., for District 1, David M. Boardman of 49 School St., for District 3, and Lawrence W. Jones of 159 Elm St., for District 4. No candidate was endorsed for District 2.

For the Board of Education, E. Payson Smith of 73 Church Street was endorsed as an at-large candidate for two years; Harry E. Romer of Lake Drive was endorsed for a full term on the board; and Walter R. Capen of 14 Putnam Drive was selected to fill a 2-year vacancy.

Endorsed as constables were Donald W. Barnes of 33 Roosevelt Blvd. Arba Cooley of Mill Street, Merle Perham of 1235 Enfield Street and Robert Rookley of 65 Green Valley Drive.

All terms expire at the next biennial town election, Nov. 2, 1971.

John F. Luddy served as the chairman of the caucus and Robert Pfeifer acted as the secretary.

Presently, the Town Council comprises 11 members, eight Democrats and three Republicans. The Republicans on the council are at-large councilmen. Approximately 87 Republicans attended the caucus.

## State Introduces Rest Area Plans

The State Highway Department has presented to officials of Town Hall detailed plans for a "Safety Rest Area" to be constructed here off the shoulder of Interstate 91.

The rest area will be located approximately two miles south of the state line on property presently owned by Dominick Montana.

No specific date has been set by state highway department officials for the beginning of construction, said Town Manager C. Samuel Kissinger.

In its initial stage, the rest area, which will be the first of its kind in the state, will have accommodations for 60 passenger cars, 45 trailer trucks and 18 camper trailers. The area will have a building containing an information center and rest rooms. Picnic tables will be erected at the ratio of one for every two cars or campers for a total of 40 tables.

The plan for constructing the safety rest area was announced last year and drew objection from many residents of Parker Street who said the noise of the large trucks will adversely affect the residents of the street.

Regulations governing the State Highway Department state the department does not require local approval for such a project.

## Receive Rotary Scholarships

Jeanine Caruso, Mrs. Ursula Hogan and Judith McCracken, all of Enfield, are shown at the Thompsonville Rotary Club meeting yesterday at the Mt. Laurel Restaurant where they were the recipients of scholarship awards granted by the club. The awards are made through the Enfield Scholarship Foundation. On the right is Harold O. Stanton, vice-president of Bay State Film Productions, who was a guest speaker at the meeting.

## At St. Adalbert's Lawn Party

Enjoying themselves on the merry-go-round at St. Adalbert's Church week-long lawn party being held in the church parking lot on Alden Ave. are Cheryl, Marie, Anna and Rosemary Troiano with their mother, Mrs. Frank Troiano of Enfield St. The girls are 10, 6, 8, and 4 respectively. Mrs. Troiano would not give her age. Daddy Frank was on the sidelines, directing the scene and eating pierogies. The program opens nightly at 7 and will continue until Saturday when a new car will be awarded to a lucky winner.

## Flying High

Diane Maynard of Church St. and Sharon Menard of Cottage Rd., Hazardville, said they felt like a couple of astronauts after taking a ride on the ferris wheel at St. Adalbert's Church lawn party. A feature aerial act is performed each night and entertainment, games, food booths and a variety of rides for children and adults are featured until Saturday night when the festival ends. All proceeds go into the parochial school building fund.

## Sidewalks Are Not For Horses

Police Chief Frank Stula reports he has been receiving complaints from Main Street residents that horses are being ridden on the sidewalks.

Horses do not belong on the sidewalks any more than cars, the chief stated. They should be ridden in the road. He added that the Main Street residents are responsible for the maintenance of their own sidewalks and the weight of the horses could cause damage to the walk.

The chief is seeking the cooperation of the town residents in solving the many recent housebreaks. He requests residents to report any suspicious appearing persons or vehicles seen in the neighborhood. Car registration numbers reported are especially helpful, he said. Good neighbors can help by keeping a check on empty houses of those on vacations.

The chief stressed that the police will respond to any call

of a report of anything suspicious in such cases, even though it proves groundless.

## Soloists Announced For Summer Services

Edwin Morgan, young Suffield bass singer, a student at the Hartt School of Music, will be the soloist at the union summer service Sunday, Aug. 24 at 10 a.m. in First Baptist Church.

Mrs. James Wright, soprano soloist of the First Church of Christ, Congregational, will be the soloist for the final service in the old church on Aug. 31.

On Aug. 17, Mrs. Theodore Blasko, soprano soloist of Second Baptist Church was the soloist for the first of the three services.

Harold Hastings is the organist for all three services, playing the old manual operated organ which his mother, the late Mrs. E. Gerry Hastings played many years ago when the church was active.

Those attending the 200th anniversary service of the church on Aug. 31 will have an opportunity to visit after the service at a coffee hour.

## Wojno Awarded \$10,000 Grant

Stanley Wojno Jr. of Suffield, has received a \$10,000 fellowship and grant for a two year master program in psychiatric journalism at Kansas State University. Dr. Deryl Learning, chairman of the Department of Journalism, announced the fellowship grant which was given by the National Institute of Mental Health.

Wojno is one of eight students from all over the country chosen for the program which is the only one of its kind in the United States. During the two years there will be internship periods, courses with outstanding lecturers in the field, and work with the Menninger clinic, foremost clinic in psychiatry in this country. The fellows will participate in Mental Health conferences also.

A 1969 graduate of the College of William and Mary, Virginia, with an AB in government, Wojno did not major in psychology in college. He did take a course in abnormal psychology in his senior year and served as a volunteer in a mental hospital as part of the course.

However, he has a background of work in the news media which began when he was in junior high school. He has acted and produced in commercial and industrial television shows, and entertainment shows as well.

He is the majority stockholder

Stanley Wojno Jr.

in Maverick Productions, which includes a newspaper syndicate, Maverick Features, records and television shows. He writes an amusement column which is syndicated.

Clips from the Maverick Production's movie "Barefoot in Baltimore," part of which was filmed in Suffield last year, were shown on the Kitty Broman Show Aug. 18, on Channel 22. The show also included records, produced by Wojno, played by Ray Gillette and the Blades. "Barefoot in Baltimore" will be released by Warner Brothers Seven Arts this fall, Wojno said.

No further registration is required for children who attended public school kindergarten classes in 1968-69 here.

Birth certificates and immunization records are required for incoming kindergarten pupils and for grade 1 pupils who did not attend kindergarten here last year.

Proof of immunization against smallpox and polio, transfer cards, report cards and any other scholastic and health records available should be provided for all incoming students, Brown added. Records will also be requested at a later date directly from schools previously attended.

Parents who registered kindergarten children in May are requested to send birth certificates, immunization records and physical examination forms to Spaulding School, if they have not yet made these available.

## Sullivan Renominated

First Selectman Daniel Sullivan has been nominated by the Republicans as a candidate for a fourth term in the town election in November.

However, he will have a new running mate. J. Henry Zavisza has been nominated as candidate for second selectman. Howard Orr, who has served three terms with Sullivan, did not choose to run again.

Other new candidates nominated by the Republicans are Richard Rachals for Board of Finance; Paul Rothery and Frederick Serantinger for Board of Education; Mrs. Robert Robertson and Hawley Rising for Library Committee; Donald McQuillan for Police Commission and Robert Stewart for Sewer Commission.

Other GOP incumbents nominated are: Town Clerk and Tax

Collector, Harold N. Remington; Town Treasurer and Agent of Town Deposit Fund, Lewis Cannon; and Henry J. Leahy and Bruce Bruce, constables. Also these members of boards and commissions: Board of Finance, Ernest Warner to complete a four year term and Mott Garlock to complete a two year term; Board of Education, Mrs. Emile Parent to complete a four year term; Board of Assessors, Alfred Sheldon and William Grabowski; Board of Tax Review, Allan Fuller; Library Committee, Samuel Fuller; Police Commission, Harold Sweatland; and Fire Commission, Robert Winter and Fred Brockett, Jr.

The complete slate was unanimously nominated by the caucus on Aug. 12. There were no nominations from the floor.

The town committee has been empowered to fill any vacancies that might occur between the caucus and election.

## Drainage Problem Will Be Solved

First Selectman Daniel Sullivan has reported that the surface water drainage problem that has plagued Overhill Drive residents will be solved when the town installs drains to state-owned property.

Sullivan said he found that when the state highway department bought land north of Thrall Ave. for the route 190 connector from East Street to Bridge Street, it obtained drainage rights. The town has permission to make use of the easement to drain the surface water on the south side of Overhill Drive, he said.

The state highway department will survey the area to be drained and lay out a drainage line, which the town will install, Sullivan said.

In the matter of bridges, the town has not been so fortunate. There is still no prospect of obtaining the three pre-fabricated bridges that the town was promised by the state months ago, Sullivan said.

Last fall he announced that the first of the new bridges would be installed on Russell Ave. south of Blossom Street. Later the Suffield Street bridge near the railroad overpass and the Remington Street bridge over Muddy Brook near Prospect Street, were to be replaced. A steel strike has delayed deliveries. It is unlikely that the Russell Ave. bridge will be done by the time schools open next month, as had been expected, Sullivan added.

## Suffield Notes

A daughter, Deborah Anne was born Aug. 8, to Ensign and Mrs. David Berry of Pensacola, Fla., where Berry is now stationed in helicopter training. Mrs. Berry is the former Pamela Washburn. The grandparents are Mr. and Mrs. Rockwood Berry and Mr. and Mrs. John Washburn, all of Suffield.

Miss Beth Johnston, daughter of Mr. and Mrs. Douglas Johnston, 46 Riverview Ter., Suffield, attended the Second Student Leadership Conference at the University of New Hampshire, Aug. 3-9. Student leaders from the eastern United States spent a week discussing ways of aiding their schools, and having a varied social life. A senior at Suffield High School, Beth was awarded a scholarship to the conference as a result of her work here as a library monitor. She is a member of the French and Drama Clubs, the school band, and is class secretary.

Members of the Merry-Moors 4-H Dairy Club of Suffield will exhibit their cattle at the Hartford County 4-H Fair at Bradley Field Friday, Saturday and Sunday, Aug. 22-24. Robert Johnston of the club, recently received first place in senior fitting and showmanship when he entered his 4-H Holstein heifer at the Connecticut Black and White Show.

## 25 New Teachers For Suffield

When the public schools re-open next month there will be 25 new classroom teachers in Suffield. Of these 13 have taught full time for a year or more, and 12 have had practice or substitute teaching experience.

New elementary school teachers include Miss Amabelle Chautico, vocal music teacher, who has a B.A. degree from Silliman University in the Philippines, where she taught two years, and degrees in music education from Hartt College of Music, where she taught last year.

Mrs. Linda Cherry of Manchester, who has taught in Wethersfield, will teach grade 4 at Spaulding School.

Mrs. Susan Vedder of West Springfield, who has taught in Lexington Park, Md., and Mrs. Nancy Bachman of Windsor Locks, who has taught in Tyrone, Pa., for the past four years, will teach grade 5 at Spaulding School.

William Balicki of Westfield, who was graduated from Westfield State College in June after doing practice teaching at Spaulding School, will teach grade 5 there. Miss Martha Schulman, a June graduate of George Washington University, will also teach grade 5 at Spaulding.

Miss Janet Shofield of Rochester, N.Y., Springfield College 1969, will be the new physical education teacher in the elementary schools.

Miss Nancy Crowell of Parrisippany, N.J., will be the elementary schools art teacher. She was graduated from the University of Massachusetts in June. Miss Marilyn Schuchard of New Haven Connecticut College 1969, will teach grade 3 at Spaulding School.

New teachers at McAlister Middle School will include Stephen Gerber of North Bellmore, N.Y., who will teach grade 6. He was graduated from Southern Conn. State College in June.

Miss Susan Chaput of Cincinnati, N.Y., who was graduated from Syracuse University in June, will teach art at McAlister.

Charles Thompson of Rocky Point, N.Y., who was graduated from Springfield College in 1968 and has taught in Port Jefferson, N.Y., the past year, will teach physical education.

Mrs. Rebecca Robinson of Suffield, who taught in South Windsor four years, will also teach physical education. A graduate of Suffield High School and Southern Conn. State College, she was the first director of the summer recreation program in Suffield.

Mrs. Jeanne Morrill of Westfield will teach French; a graduate of Bridgewater, Mass. State College, she has taught at the Gateway Regional High School in Huntington, Mass., the past three years.

Miss Elaine Hamel of Windsor Locks, who was graduated from Central Conn. State in June and did her practice teaching at McAlister Middle School, will teach English there.

Russell Ramah of Agawam, a 1969 graduate of American International College, will teach science at McAlister.

The high school English department will include six new teachers. Mrs. Mary Moore of Warehouse Point, who received her BA from Principia College in 1966 and her MA from Western Illinois University in 1967, who taught at Western Illinois the past three years; Mrs. Janette Misuraca of Enfield, graduate of Texas Christian University, who substituted at the high school the past year; John Fabello of Westfield who has taught at Gateway Regional High School since graduating from University of Maine in 1964; Mrs. Heather Greenagel, who holds a bachelor and master degree from the University of Minnesota, has taught in Denver, Minneapolis, and San Marino, Calif. since 1961; Mrs. Marianne Gregor of Agawam, a June graduate of Westfield State College; and Mrs. Laurie Conde of Agawam, Skidmore 1968, who taught in Deedham, Mass. the past year.

Other new teachers at the high school will be: Mrs. Thelma Santos of Thompsonville, who will teach Latin. She received her BA from Mt. Holyoke in 1966 and her MA from AIC in 1968 and has taught in Enfield and Rockville since 1966.

Russ Thompson of Brattleboro, Vt., will teach drafting. He taught in Bartlett, Tenn., last year and received his BS from Memphis State University in January.

Edwin Merck of New Haven, a June graduate of Hartt College, will teach instrumental music.

## YMCA Picnic On August 31

All townspeople are invited to participate in a family picnic in Sunrise Park Aug. 31. William Connelly, chairman of the Suffield YMCA Board of Directors, has announced.

This first town-wide event of the new Suffield Y will start at noon with picnic lunch until 1:30 p.m. The Y board will provide soda pop, but the families are to bring their own food, Connelly said. Picnic tables and fireplaces for those wishing to cook food are available throughout the park.

Following the lunch hour, from 1:30 to 3:30 p.m. organized activities are planned for all the members of the family to enjoy, as performers or spectators. These will include various games and competitions with prizes to be awarded. A nature walk will also be offered.

From 3:30 to 5 p.m., the families may enjoy activities of their own choosing — such as swimming, hiking, or just sitting and visiting, the chairman said.

In addition to their picnic food, the families are advised by Connelly to bring swimming suits, camp chairs, cameras and a sense of "friendliness and good humor."

## OBITUARIES

### Edward R. Triggs

Retired Postal Clerk  
Edward R. Triggs of 133 High St., died Tuesday in Hartford Hospital.

The funeral will be held tomorrow (Friday) morning at 8:15 from the Leete Funeral Home, with a solemn High Mass to be celebrated in St. Patrick Church at 9. Burial will be in St. Patrick's King Street Cemetery.

Calling hours at the funeral home are this afternoon from 2-4, and from 7-9 o'clock tonight. Mr. Triggs was born in Thompsonville on Nov. 6, 1888, son of the late Daniel and Mary (Fitzgerald) Triggs. He retired 10 years ago after having been a postal clerk for 45 years in the Springfield Post Office.

He leaves his wife, Mrs. Ida (Vasseur) Triggs; three daughters, Miss Catherine Triggs of town; Mrs. Margaret Fitzgerald of New Haven, and Mrs. Delia Higgins of Springfield. Mr. Triggs' son, Pvt. Robert D. Triggs, was killed in World War II, in Gonfrreville, France.

### Mrs. Ernest Jacques

Resident Four Years  
Mrs. Anna Marie Jacques, 89, of 13 Conlin Drive, died at her home on Aug. 8. Mrs. Jacques was born in Canada on April 15, 1880, and was the widow of Ernest Jacques.

She came to live with her daughter, Mrs. Rollande Haberman, at the Conlin Drive address about four years ago, after having been a resident of Hartford for 43 years. She had been a member of St. Ann Church in Hartford and of the Rosary Guild of that church.

Surviving, in addition to Mrs. Haberman, are seven other daughters: Sister Lydia Jacques in Ontario, and Sister Marie Reine, Lowell, Mass., both members of the Order of the Grey Nuns of the Cross; Mrs. Marie A. Lapointe, of Waterville, Maine, Mrs. Yvonne Hebert, East Hartford, Mrs. Blandine Giroux, Mrs. Emilia Olson and Mrs. Marie Beaudoin, all of Hartford; three sons, Joseph of Hartford, Roland of Middletown, and Armand Jacques of East Hartford; a sister, Mrs. Odilon Bolduc of Quebec; 32 grandchildren and 47 great-grandchildren.

The funeral service was held on Aug. 11, at Our Lady of Sorrows Church in Hartford, where a High Requiem Mass was celebrated. Burial was in Mt. St. Benedict Cemetery, Bloomfield.

### Mrs. Joseph Kwicienski

Dies in Vermont  
Mrs. Susan Kwicienski of 22 Lincoln St., widow of Joseph Kwicienski, died in Brightlook Hospital, St. Johnsbury, Vt., last Thursday. Mrs. Kwicienski was born in Poland on April 15, 1895, daughter of the late Dominic and Sophie Siwek.

She was a member of St. Adalbert's Parish, of the Holy Rosary Society, the Polish Women's Alliance and the Mary Konopicki Society.

She leaves a daughter, Mrs. Edward Waskiel of Thompsonville; two sons, Stanley of Springfield and Richard Kwicienski of Lyndonville, Vt.; eight grandchildren, two great-grandchildren, and two sisters in Poland.

The funeral was held Monday from the Leete Funeral Home with a Concelebrated Mass in St. Adalbert Church. The Rev. Henry F. Smolinski was the celebrant; the Rev. Francis T. Kerwan and the Rev. Thomas F. Goekler, concelebrants.

Burial was in St. Patrick's King Street Cemetery, where Father Smolinski read the committal prayers. The bearers were Stanley Parzych, Joseph Dziki, Frank Grabinski, Joseph John and William Kwicienski.

### Mrs. Carl W. Rackis

Dies Shortly After Husband  
Twenty-one days after the death of her husband, Carl W. Rackis, Mrs. Marcella (Michalaskas) Rackis of 12 Central St., died in East Hartford Convalescent Home. Mr. Rackis' death in Springfield Hospital was on Sunday, July 27. Mrs. Rackis passed away on Sunday, Aug. 17. She was born in Lithuania on July 5, 1889.

Surviving are a daughter, Mrs. Matthew J. Alaimo of Hazardville; two sons, Joseph and Carl Rackis both of Thompsonville; four grandchildren and four great-grandchildren.

The funeral was held yesterday with services in St. Patrick Church. Arrangements were un-

der the direction of the Leete Funeral Home. Burial was in Thompsonville Cemetery.

### Mrs. Walter A. Taubner

WCS Member  
Mrs. Ethel J. Taubner of 69 Cottage Rd., Shaker Pines Lake, Hazardville, died Friday in the Springfield Hospital. Born in Manchester on Nov. 13, 1904, Mrs. Taubner was the daughter of the late Napoleon and Ethel (Avery) Lavigne, and was the wife of Walter A. Taubner.

She was a member of the Thompsonville United Methodist Church and of the Women's Society of Christian Service of that church.

In addition to her husband, she leaves two sons, Richard W. of Madison and Howard E. Taubner of Granby, Conn.; five grandchildren; and a brother, Napoleon Lavigne of East Hartford.

The funeral service was conducted Monday at the Leete Funeral Home by the Rev. Jerry Fix. Burial was in the Enfield Street Cemetery, the following bearers serving: Kenneth Taylor, Richard and John MacGovern, Albert Lavigne, Raymond McNamara and Kenneth McNamara.

### Walter Krajewski

Retired Custodian  
Walter Krajewski of 5 John St., died last Thursday in Springfield Hospital. He was born in Poland on April 12, 1898, and was the husband of Mrs. Eleanor (Kowalski) Krajewski. Mr. Krajewski, who was a member of St. Adalbert's Parish, had been employed as a custodian at Bigelow-Sanford until his retirement six years ago.

In addition to his wife, he leaves two daughters: Mrs. Frank Piankos of New Britain, and Mrs. Bernard Czernicki of Farmington; five sons: Chester of Thompsonville, Stanley of Hazardville, Edmond of Windsor, Walter of Somers and Mitchell Krajewski of Suffield; and 16 grandchildren.

The funeral was held from the Leete Funeral Home, Saturday, with a Requiem High Mass celebrated by the Rev. Henry F. Smolinski in St. Adalbert Church. Burial was in St. Adalbert's Cemetery, where Father Smolinski read the committal prayers.

Serving as bearers were Raymond DellaFera, Herman, Alexander, and John Krajewski, Edward Bartos and Chester Dziel.

### Homer J. Dominie

Former Tractor Operator  
Homer J. Dominie of 31 Windsor Court, died on Aug. 12, in Mercy Hospital, Springfield. The husband of Mrs. Margaret (Howe) Dominie, he was born in Palmer, Mass., on Dec. 3, 1902, son of the late Alexander and Melvina (LaMarsh) Dominie.

Mr. Dominie had been a tractor operator for Bigelow-Sanford for 43 years before his retirement 18 months ago.

The funeral was held Saturday from the Leete Funeral Home with a Requiem High Mass celebrated by the Rev. Henry F. Smolinski in St. Adalbert's Church. Father Smolinski read the committal prayers in St. Patrick's King Street Cemetery.

The bearers were Raymond Galloway, Michael Levitsky, Frederick Miller, Joseph Giobbi, Elzear Bourque and I. L. Cyr.

In addition to his wife, Mr. Dominie is survived by a daughter, Mrs. Loretta Giobbi of Hartford, and a sister, Mrs. Mary Leighter of Coventry.

## Centurions Play At Knights Game

The Hartford Knights trimmed the Quincy Giants in an exhibition game at Dillon Stadium.

The local interest in this activity, outside of the game itself, was the fact that the Centurions Drum & Bugle Corps took part in pre-game and half-time festivities.

The color guard of the Centurions combined with the color guard of Amvets Post 18 to provide the opening flag raising ceremony. This signaled the start of the evening's action as well as the first activity of the season for the Hartford Knights. The Knights are the champions of the Atlantic Coast Football League.

The Centurions then presented marching and maneuvering patterns during the half-time festivities.

### ★ PZ Commission

(Continued from Page 1)  
ilar request was denied by the commission due to the absence of sanitary sewers along Brainard Road.

The commission is expected to set a hearing date concerning an amendment to the present zoning ordinance requested by the Enfield Beverage Association. The requested amendment of the zoning ordinance is to make requirements for securing a liquor license within town, more restrictive.

The town highway department will make a request to extend Carter Road to terminate at the Ridge Road intersection in the 'Better Homes' A-1 subdivision.

Edward Polek of North Street, Hazardville, will seek permission to build a new residence in an industrial-zoned area.

The commission will consider the request of Francis Cammissa for permission to park and store construction equipment on Dust House Road in Hazardville.

### ★ St. Cyr

(Continued from Page 1)  
town." Also, St. Cyr stated, "our youth are sadly neglected as far as social and organized leadership is concerned."

St. Cyr was nominated without contest Monday night by the Enfield Republican Town Committee. District 1 is presently held by Mayor Frank Mancuso, a Democrat.

### Walter Kukulka

Retired Ten Years  
Walter Kukulka of 21 Martin St., died at his home Saturday. He was born in Poland on June 4, 1889, son of the late Joseph and Catherine (Ludwa) Kukulka. His wife was the late Mrs. Katherine (Kiszka) Kukulka. Mr. Kukulka was a member of the Krakusy Society, and had been employed at Bigelow-Sanford as a jacquard weaver for 30 years before his retirement in 1959.

He leaves four daughters: Mrs. S. S. Messina of Middletown, Mrs. Leo Malinoski of Thompsonville, Mrs. Felix Murawski of Terryville, and Mrs. Joseph Mell of Wilbraham; four sons: Joseph and Edmund both of Thompsonville; Theodore of Vernon, and Raymond Kukulka of Coventry, R.I.; 28 grandchildren and three great-grandchildren; and a brother in Poland.

The funeral was held Monday from the Leete Funeral Home with a requiem High Mass celebrated by the Rev. Henry F. Smolinski in St. Adalbert Church. Burial was in St. Adalbert's Cemetery, where Father Smolinski read the committal prayers.

Serving as bearers were Philip, William and Joseph Malinoski, John Messina, John Kukulka and Walter Kukulka.

## What's Happened To Interest Rates?

Why are interest rates so high? Who pushed them up there? What's the prime rate and what has it got to do with your budget? The answers all have to do with inflation.

Simply put, whenever the supply of money grows faster than the supply of available goods, prices go up. That's what's been happening in this country for the past few years — the money supply has grown faster than we have been able to produce goods and services, despite galloping economic growth.

And the money supply has increased for one reason: Uncle Sam has been spending more money than he takes in and the Federal Reserve, our central bank, in effect printed the money needed to cover the deficit in 1967 and 1968. The result was bound to be the higher prices that we've all been experiencing. What makes the situation worse is that when prices are rising, people borrow more and more money.

Now the Government and the Federal Reserve are both taking action to brake inflation. As you might guess, the way to do this is to stop printing money so fast.

Uncle Sam is trying to spend more than he receives in taxes. At the same time, the Federal Reserve is slowing the growth of our money supply by taking money out of the system, making it ex-

tremely difficult for the banks to get money to lend. The banks are caught between the Federal Reserve and their customers.

The fact is, banks are simply intermediaries, getting money from one group of people and lending it to other groups. When a bank has to pay more for the money it gathers, it obviously has to charge more for the money it lends. And lately, the sources that the banks get their money from have been charging higher and higher rates.

What's more, if the banks held their rates below other rates in the market, their supply of credit would be quickly exhausted. These are the reasons why there have been increases in the prime rate — the interest rate that banks charge corporate customers who have the best credit ratings. It is only one of the thermometers that measures the heat in the money market.

It reflects the action taken by the Federal Reserve to make money more expensive — the idea being that the more it costs to borrow, the less borrowing will be done. Eventually, business activity will level off and price increases will slow down to a walk. When that happens, interest rates should also come down.

The only thing is, it's going to be a long wait for the little fellow!

## One Small Voice

By E. Payson Smith  
On This We Stand

We are not a politician, in the normal sense of the word. Having been in the newspaper game for a good part of our life, we have naturally gained some little knowledge of politics, the kind of jungle it becomes, and have been in the neutral position of being able to make comments on candidates and issues. We doubt if anyone can call us bashful about our activity along these lines.

Now, since we have announced our candidacy for the board of education, we become an active participant. This doesn't mean we are going to muzzle ourselves, and we certainly don't intend to put our guns back in their holsters for the duration.

Close readers of The Enfield Press are accustomed to the fact that it is often necessary for us to clean up inaccuracies in so-called "news" stories that appear in the nearby daily, whose reporter would rather speculate, jump to conclusions, and write opinions, instead of taking the time — as any good reporter is supposed to — in checking the facts.

We are now referring to an article which appeared last Friday, which (a) made derogatory and unfounded remarks about the H.E.L.P. organization, (b) implied that we are interested in higher taxes, and (c) suggested there might be a "conflict of interest" in our running for the board of education.

All of the above insinuations were lifted from our newspaper, out of context, and should be spiked at once.

H.E.L.P. is not only well organized, but its membership is made up of mostly parents, some of whom happen to be teachers also. They are interested in raising

the "quality" of education — and we as an editor, a candidate and a heavy taxpayer are strongly in favor of such.

The taxpayers organization mentioned were not only a bunch of disorganized ragtail protesters, but soon evaporated when the council did cut taxes, and they found that the schools — which affected all of them — were hardest hit.

As to our being an advocate of higher taxes, we can only repeat our statement in last week's Press which said we are "most interested in making sure that the school budget, which now represents three-quarters of our tax dollar, is wisely apportioned to insure an even greater quality of education than our children are presently receiving."

What "conflict of interest" is involved in an editor serving on the board of education? We receive no monetary gain. Our children are married and far away, and even our nice little grandchildren are unlikely to attend Enfield schools.

What we most resent about the article in general, is that a newspaper which takes delight in falsely headlining Enfield as filled with hopheads, plays down the story about one of our nice kids being mugged to death in its own streets, and says absolutely no taxes in our town, has the gall to express "opinions", not facts, about how we should run our political affairs.

We are still a candidate for the board of education, and we barefacedly solicit votes from everyone who wants quality in its educational program. That's as sound a platform as we can think of — and it happens to mean a great deal to all of Enfield.

# WORDS AND MUSINGS

By Monty Marlowe

## On The Record

HELP! I am being held prisoner by ABC Record Club. It all started more years ago than I like to remember. The "invitation" came to me one day as I leafed through a magazine. The colorful card in viting me to become a member — bound into the pages and perforated for easy removal — seemed such an easy way to "build the record collection you've always wanted." In retrospect, I've decided it was too easy! The day I enthusiastically signed that innocent looking card and dropped it in the corner mail box was the beginning of my bondage.

But that was a long time ago. I was younger and perhaps my mood was a little too carefree. Yet, doesn't everybody deserve a second chance?

"GET 12 FREE RECORDS NOW! FREE MONTHLY CLUB BULLETIN! FANTASTIC BONUS PLAN! GET YOUR SAVINGS IN ADVANCE! MORE CONVENIENT THAN A STORE! SEND NO MONEY — MAIL THE CARD TODAY! AUTOMATIC DELIVERY!"

The "sleeper" — I've decided in these many futile years — in the invitation is "automatic."

The ABC Record Club holds the world's record for being automated. Two days after I dropped my R.S.V.P. in the mail I received a rousing letter welcoming me to the club. The welcome also informed me that my number was 12.34.MTF. Little did I know on that fateful day that I ceased as a human being . . . I would forever more be known as 12.34.MTF.

Every month since my original transgression — through hail and rain and black of night I have received a card saying: THE RECORDS LISTED BELOW HAVE BEEN MAILED TO YOU. Somewhere in that automatic morass of the ABC Record Club an incorrigible computer keeps punching holes in a card with my number.

I have written letters which have gone unanswered. I even considered taking my vacation in California one year in order that I might stop by the ABC offices to ask for a reprieve. After careful thought I decided a quiet vacation by the sea in Maine would give more peace of mind and help me to sleep better. So, I telephoned the California offices of ABC. After being shunted from one department to another I was informed that the Cancellation Department was in New York.

In less time than it took to dial the number in New York I decided to prevail on the C.D. The answer in New York was so quick it seemed almost automatic. A pleasant voiced young lady identified the number as the C.D. of ABC Record Club. After carefully asking me to state my number and the nature of my complaint she, naturally, ended with "This is a recording." I have never heard from that recording.

I have pleaded "nolo contendere" in the hope that my conviction would be set aside. I have entered a plea of habeas corpus with the idea that if I posted bail and demanded a hearing in court I would at least gain my freedom. I have threatened to not pay for shipments received because I did not order them. The computer punches back: "Please pay undisputed items."

I have petitioned — with the signatures of all my friends — for a chance to be heard on the basis of new evidence. I have asked for a pardon, time off for good behavior. I have folded, spindled, and mutilated that nightmarish card. I have tried to convince — with a note from my understanding doctor — that I do not, cannot, any longer enjoy listening to the latest hits in the privacy of my own home.

There is no pity, no forgiveness, no release, no escape. I am fated to be on record at ABC as 12.34.MTF.

# "Dear Editor"

The Press welcomes contributions to this section with the understanding that opinions expressed are solely those of the letter writers, and not necessarily of this newspaper. All letters must be signed with name and address, although the name will be withheld on request. No name will be disclosed to anyone without the consent of the writer. The editor reserves the right to leave out, or refuse publication of any letters not in good taste or repetitious in nature. Anyone wishing to reply to published letters will be given space to do so, subject to the above policies. Letters longer than 200 words will be cut. Deadline is p.m. Tuesdays.

## H.E.L.P. WANTS BETTER EDUCATION

Dear Editor:

Many people have indicated to me that they think HELP is a teacher-controlled group. This is not true. HELP does not exist to advance the interest of the local educational hierarchy.

HELP's only purpose is to insure the best possible education for our children. Out of a total membership of more than a hundred, less than 20 per cent are teachers. This organization is composed of concerned parents from all walks of life.

HELP is interested in improv-

ing our educational system, not in finding fault or placing the blame. We believe the majority of our public officials are dedicated, hard-working individuals, doing their best for the community, who have done a fine job considering the difficult and complex problems they face. These problems are of frightful proportions. In recent years a population explosion has resulted in 45 per cent of our citizens being under 21 years of age. This has caused an extreme demand for schools, supplies, pro-

grams, and staff in our educational system.

As taxpayers we feel the great and increasing burden of local, state, and federal taxes the same as anyone else. However, we believe that it is our prime responsibility to give our children the proper educational opportunities. It has been said that the saddest words in the English language are "think what might have been." Will your children say these words to you 20 years from now?

David Nelson  
General Chairman, HELP

## SOME BOUQUETS COME OUR WAY

Dear Editor:

Congratulations and best wishes for your success in your new venture — "The Long-meadow News."

You are filling a need for town news which has been lacking since the nearby city dailies cut down so drastically on suburban news.

I also wish you success in your political venture, in your bid to be a candidate for the Board of Education.

You appear to have the qualifications for the office — but how about time? Judging by the long hours our Board of Education members put in you will have to spend considerable time in addition to that you need for your editorial and business duties.

As you see, I am reading more of the Press than just the Suffield page, and am enjoying it.

Sincerely,  
Eleanor Smith

P.S.: I liked Monty Marlowe's "Primer for Politicians" about Ted.

## ANYONE FOR VOO-DOO?

Dear Editor:

In the past few years an old but yet fascinating subject has taken the place of watching TV, baby talk and dates at pajama parties. This subject is "BLACK MAGIC."

Just today my sister-in-law, and six of her girlfriends begged me to come over to her house to let her demonstrate some of these weird happenings. I, as a total unbeliever of "Voo-

Doo" and the "Occult," took her up on the invitation.

I was led down to the cellar where all the lights were shut off and a single flickering candle was burning. They made me lay on the floor with three young girls on each side of me, with one at my head. After an episode of the usual giggling and clowning around, we all got down to business.

They started to chant some words and the other girls re-

peated them. As I lay there with my arms crossed in front of me, I could feel myself rising as they ended a count of three. Then six young girls, not one weighing over 85 pounds lifted me, a 165 pound woman, with just their two index fingers under me, and lifted me practically to the cellar ceiling.

Anyone for a pajama party?  
Susan Duprey Marcotte  
Hazardville

## THANKS FOR HELPING BOY SCOUTS

Dear Editor:

Our Boy Scout sons are now in England visiting their English Boy Scout friends and are having a wonderful time.

There are many people who made this once-in-a-lifetime adventure possible and we should like to thank these people. First, there are the many, many people who contributed their green stamps to our SAFE or "Scout Ambassadors from Enfield" Project.

Then there are the Sperry & Hutchinson Green Stamp people who worked out the details of our green stamp effort, particularly Rosemary Smola, their representative.

The Trans-World Airline people were especially helpful as were the Friends of Scouting, who came to our tag sales, donut sales, milkcan sales, and to our ladies' tea at the Mountain Laurel. A special thanks goes to the Mountain Laurel and Food Mart people who donated their facilities.

We must not forget to thank the local newspapers, particularly the Enfield Press for its invaluable news coverage of our fund-raising activities.

And last, but not least, we thank the cast of "Up With People," who donated a night of entertainment to our cause and the Enfield Stage Company, which donated 35 books of green stamps.

It is easy to see that in order

to raise \$2400, a lot of very nice people and businesses had to help. We feel that the effort was a worthy one and we hope that you do, too.

The boys have seen just about everything in London from mini-skirts to the changing of the guard at Buckingham Palace. They have camped for three days at the English Scouting Reserve at Buckmore Park, been to the Player's Theatre,

had dates with English girls, visited Parliament, the Kennedy Memorial, and Banbury Cross, and much more, truly a dream trip.

Again, our heartfelt thanks to our Friends of Scouting in Enfield.  
Mr. & Mrs. Ronald Sullivan  
Mr. & Mrs. William Lee  
Mrs. Joyce Smyth  
Mr. and Mrs. Wayne Kingsbury  
Mr. & Mrs. Carl Lundquist

## Help Educate Little People

by Constance G. Norris

by Constance Norris

Is your grade schooler missing the educational boat? Previous to any budget cuts, the Community Development Action Plan Survey, submitted April, 1969, indicates that our "ship" already needed financial caulking. In 1967-1968, the per pupil expenditure was \$525.95, which was almost 20 per cent below the state average of \$652.84, with the result that Enfield ranked 149th out of Connecticut's 169 towns. This was a fairly weak vessel in past years. At the elementary level alone, how many more leaks will spring from this year's budget cuts.

Reading and remedial reading programs are the essence of elementary education. The grade schooler builds most of all his future skills upon a basic proficiency in reading. Each elementary remedial teacher is responsible for covering 400 to 500 students. Not all children needing help will get it. Remedial materials will be in short supply. In addition, there is a lack of paper for dittoing workbooks. Blocked by budget cuts, the Open Highway Remedial Program is making a very bumpy detour.

Some elementary classes will have 35 students — way above what there should be. Not only will the regular reading groups be too large to be effectively handled, but will also contain the overflow of remedial as well as speech, hearing, and emotional problems. Money cuts have also limited personnel and programs in those fields. Materials such as books, tables, chairs, etc., will be drawn from lower grades to equip the kindergartens, making an already poor situation even worse. Spelling workbooks are cut in all grades and pencils and paper may run short before the end of the school year.

The elementary budget asked

\$79.100 for textbooks and \$20,592 for library books. They received \$51,000 for texts and only \$750 for the library. Schools will be short of badly-needed new textbooks. Each school will have a library budget of about \$50, not even enough to cover the magazine subscriptions they have now. When visiting your child's school library you may probably find a regular classroom in its place. However, with perseverance, the library could still exist in some storage room or closet designed for materials or mops and brooms.

Like so many rasping barnacle weakening a hull, the budget cuts have weakened almost every area in elementary education. The Rinehart handwriting system will be minimal. There will be no Physical Education program in grades 1-3. The music budget has been cut twice since submitted. In the Art department, supplies have been drastically cut. Art instruction may be confined to crayons, paint, paper and little else.

This is a time when school systems realize they must give children an abundance of methods, quality programs, equipment and teachers, in preparing their little people for changing, expanding lives. Yet, in the Enfield school system, the only item in abundance will be our CHILDREN.

Chamber of Commerce  
Chamber Notes  
FRANCIS A. BURKE, JR., Pres.  
WALTER R. CAPEN, Mgr.

## New Symbol

As you perhaps have read in the local newspapers, the Enfield Chamber of Commerce has adopted a new symbol and decal. The symbol is a house which seems approp for the community. We have enclosed this new symbol with your newsletter and urge you to display the decal on your front window or door. A date disc will be mailed later to insert in the appropriate space.

## Enfield Street To Be Widened

State Highway officials visited our town last month to conduct a public hearing. The purpose of the hearing was to proposed widening of Enfield Street from Franklin Street north to Brainard Road. There was very little opposition to the project but much concern. A special meeting was held with the State Officials and your Chamber of Commerce to work out some of the problems that will be caused by the addition of two more lanes to the present two-lane highway. The work is expected to begin in October and will be completed about nine months later.

## Tax Table

The Chamber Office has ordered approximately 500 tax tables for your convenience. You obviously already have tables, however, these are perhaps more convenient for some and are available upon request at no charge.

## Zoning Committee

The Zoning Committee of the Chamber of Commerce is continuing their efforts in liberalizing some of the Zoning Regulations; especially the sign ordinance which is more stringent than in any town in the area. Members of the committee will be making a survey on Enfield Street and also taking movies so that we can go to the Planning and Zoning Commission of the Town and make suggestions and recommendations. The Planning and Zoning Commission has been very cooperative and has been receptive to some of the suggestions made by the committee.

## United Silk Screen — High Grade Finishing Expand

Jim Howe of United Silk Screen has announced that he has more than doubled the size of his plant; and the Ainsworths of High Grade Finishing have added 3,600 square feet to their present 1,800 square feet. Anthony and Frank Troiano have recently completed construction of a 10,000 square foot industrial building on Moody Road.

## Suburban Enfield Shopping Mall To Open In October

Tentative plans are that the Suburban Enfield Shopping Mall on Hazard Avenue will be operational by the fall of this year. October 1st is the target date. By that time First National Stores will be ready for business as will Sage-Allen Department Stores, Inc. Woolco has been open since April 29. There are approximately 30 additional stores planned for this shopping mall.

School nurses, custodial supplies, fuel oil, food programs, building alterations, teaching supplies and special teachers will be short.

This is a time when school systems realize they must give children an abundance of methods, quality programs, equipment and teachers, in preparing their little people for changing, expanding lives. Yet, in the Enfield school system, the only item in abundance will be our CHILDREN.

## May Company Plans On Beginning Construction Within A Week

A representative of the May Department Store Company visited the Chamber of Commerce Office recently and announced that construction on the 900,000 square foot shopping complex would begin within a "few days" and would be completed by the fall of 1971. When this project is completed, the area which will include May, Elm Plaza, and Suburban Enfield Mall will be the most complete shopping area between here and the Canadian border. Studies have been made by the May Company, and they expect to attract business from as far away as Vermont. This seems to be a reasonable prediction as the Vermont border will be less than one hour away on I-91. Rumor has it that some of the larger Springfield stores are very much interested in locating in the May Company Complex.

## Chamber Studying Group Insurance Plan For Membership

Your Chamber management is presently studying the possibility of making a Group Insurance Program available for all Chamber of Commerce members and their employees. Several companies have shown an interest in this service, and we have been obtaining various plans from our insurance agent membership. The plan, if adopted, would be a "true" Group Plan; all membership guaranteed insurable with physical examination and would include the entire package — medical, life, etc. Many of you are presently protected by a plan, however, if we are able to adopt a program, we will guarantee lower premiums for you because of the size of the group.

## "Program of Work"

Part of your monthly newsletter includes the program of work of the Chamber of Commerce for the coming year. In order to implement our program, we will need participation of the membership.

## Contact Committee And Dues Revision Committee

At a recent meeting, the Chamber of Commerce appointed a Contact Committee headed by E. Payson Smith, Enfield Press Publisher, and a Dues Revision Committee headed by John Cepiel, Operations Manager of W. T. Grant Company. The purpose of the Contact Committee will be to have a Committee which will function on a regular basis. They will call on prospective new members, dropouts, and delinquents.

## "Home Show"

Marcel L. St. Sauveur, President of the Richard P. Rita Personnel Services of Northern Connecticut, Inc., located at 89 Hazard Avenue, Thompsonville — Richard P. Rita is an employment service, as the name suggests.

Michael Liucci, owner of Slaybard's Fine Liquors, 466 Enfield Street — We are actually welcoming Mr. Liucci back into the Chamber, as he was at one time a Director of the Enfield Chamber of Commerce.

## Manager Off To Syracuse

Chamber Manager, Walter R. Capen, attended the Institute for Organization Management at Syracuse University from August 11th to August 16th. The purpose of this course was to train the Chamber of Commerce Executive to better serve the membership.

## BOWLING

With Art Landry

The Hazardville Classic League will hold its organizational meeting tonight at eight o'clock at Enfield Lanes. This is a three-man scratch league with a 540 maximum average. First place is expected to pay at least \$1,000 this year.

Gina's Pizza Classic will hold an organizational meeting for its Winter Season bowling on Monday night at nine at T'ville Bowl. The league will bowl Monday nights at 9:30. Maximum team average is 540 and the league will be limited to 10 teams. The first place team is expected to receive \$1,000.

### ENFIELD LANES

Joe Ferreira, who holds the men's high average, triple and single in the Friday Nite Mixed had the high series of 555 this week to beat his old mark of 540. Joe included a 203 game in his triple. Ray Peltier rolled a 231 game and totaled 518. Bill Schack bowled 434 and Al Jacques had a 182 game. Myrt Ferreira tied Jean DiBattisto for girl's high triple with a 545 series. Myrt included a 191 game in her total. Janice Schack bowled

### Individual Honors

Ed Tsuruta (1), manager of T'ville Bowl, and Mike Pohorylo (7), pose after winning individual honors in the Gina's Pizza Classic League. Tsuruta won high single with 260 and high triple with 671. Pohorylo took high average honors with a 190 average.

a 189 single and totaled 436. Linda Primiglia had a 193 game and 408 series. Green Peppers are leading Lucky Ones, who

really aren't too lucky, by a six point margin. Sandbaggers trail by 7½ and the Ones are fourth.

The Bees lead the Eights by a slim ½ point in a hot contest in the Wednesday Morning Early Birds. The Cuzins only trail by 2½ while Braves are 3½ points back. Two substitute bowlers led the league this week. Judy Bemis shot 186-485 and Bev Golden had 179-450. Jan Phillips led the regulars with 173-444. Angel Sherwin hit 419 for her set while Olga Gale bowled 416. Larry Avery led the Enfield Junior's League in fine fashion as he set a new single of 164 and a new high triple of 425. Jim Fogarty bowled a 156 game and a 375 series. Tom Lusardi was third high with a 137 single and 325 total. The Red Devils lead the league by two points over the Threes and nine points over the Golden Eagles. Evidently the Golden Eagles haven't hit their heights yet.

### 'The Pepperoni's'

Two thirds of the championship Pepperoni's bowling team is pictured. Jerry Distazio (1) and league secretary John Porcello after their Monday night win. Les Ouellette had left the lanes when picture was taken. The Pepperoni's are the Gina's Pizza Classic champions.

### T'VILLE BOWL

Gina's Pizza Summer Classic closed its season Monday night and the Pepperoni's emerged as league champions by defeating the Pinbusters 2-1 on the final night of play. The team of John Porcello, Jerry Distazio and Les Ouellette won the title by only 1½ points. The Pinbusters were second, the Bums third, Santo's Coffee Wagon and the Sevens tied for fourth, Whippers and Three were eighth, Marauders ninth and the Nines were tenth and last. Mike Pohorylo had the league high average with 190. Lane manager, Ed Tsuruta, took high triple with 671 and high single with a 260 game. Top shooters this week were: Joe Angelica 204-210-212-626, Dave Figura 218-585, Mike Pohorylo 579, Reggie Mosher 233-558 and Bob Tkacz 206-582.

Pillitteri's lead Crawford's by

two and O'Connor & Baker and prices by three in the Sunday Strikers. John Pohorylo led the men with 197-571. Bill Ahern shot 203-565, Frank Pillitteri 507 and Ben Scott 219. Mary Scott led the girls with a 183 single and 433 triple. Betsy Pillitteri rolled a 156 game and 427 series. Bev Baker had a 394 total and Carol Crawford rolled a 146 game.

The Mis Fits have won the championship in the Lassie's League by three points over the Go-Go's. The Three B's finished third and the Bumble Bee's were fourth. Gerry Bednarz, Phyllis Dufree and Marge Francia were the Mis Fits who weren't proven misfits. Vicky Mercier, Sue Whitmore and Mary Lou Lepore were the Go-Go's who didn't go (at least all the way). Marge Francia had high average of 153, Mary Lou Lepore took high triple with 517 and Ann Williams won high single with her 201 game. Marge Francia was high in the last week of play with a 193 single and 518 series. (Only one trophy per person, I guess.) Barbara Kingsbury rolled 183-477, Bev Clark had 421 and Pat Ouellette bowled a 173 game.

If you haven't started practicing for the upcoming regular season, you had better start pretty quick. The long layoff can really hurt your game and you do need some practice sessions to get back in shape or improve upon last year's performance.

## Sprint Cars At Stafford Friday

George Snider

Bentley Warren, the "Flying Fisherman" from Gloucester, Mass., and the Allyn Tool Special out of East Hartford, will represent local hopes when the United States Auto Club sprint cars converge on Stafford Springs Speedway, tomorrow night.

It will be the USAC debut for the versatile Warren, probably the top super-modified pilot in the Northeast.

It will not be Warren's Stafford debut, however. He has a love affair going with the half-mile oval. In his last three outings, all in super-modifieds, he has taken the checkered flag.

Warren, who has six firsts and five seconds this year in the bright yellow Allyn car, is hoping to follow in the footsteps of current spring car ace Sammy Sessions, Nolan Johncock, Todd Gibson, Greg Weld and Larry Dickson, all of whom started with ultra-fast super-modifieds.

Gibson, Johncock and Warren, in fact, blazed across the Northeast the past few seasons in super-modifieds in a neck and neck three-way battle.

Warren will be meeting the finest open-cockpit drivers in the country at Stafford. Many, including Gary Bettenhausen, Dickson, Sessions, George Snider, Bruce Walkup, Mike Mosley, and Carl Williams, are veterans of the big one — the Indianapolis 500.

The sprint division, which sent the likes of Parnelli Jones, Mario Andretti, Jim Hurtubise and Roger McClusky to the big time, has long been regarded as the road to Indy fame. It has been the most competitive division of USAC, comprised of the rising star and the crafty veteran.

Bill Puterbaugh, Weld, Rollie Beale, Larry Cannon and Al Smith are all expected at Stafford to do battle with the rising stars like Tom Bigelow, Cy Fairchild, Lee Kunzman, Gil Hern, Gibson, and Johnny Parsons Jr.

They'll be trying to top the 20.58 seconds lap (87.565 miles-per-hour) that Bettenhausen set last year enroute to victory in the Willie Davis Special. Bettenhausen will be driving the same car this season.

That record is expected to fall. Bettenhausen is the current sprint leader, running ahead of defending champ Larry Dickson and Bill Puterbaugh, both veterans, and newcomers Cy Fairchild and Tom Bigelow.

## Maciolek Football Registration On

About 25 candidates reported at Mt. Carmel Park last Monday night at the initial practice session and registration for the coming football season of Maciolek Post.

Headcoach Ron Sabellico announced that registration will run for 2 more weeks at Mt. Carmel Park at 6 p.m. Any boy who has reached his 15th birthday between January to June 1 of this year is eligible to try out.

During the practice session, Mark Leone and Nick Theofiles were impressive in the running department.

Returning players of last year are Mike Welch, Rick Labrie, Ron LaDue, Walt Kraza and John Theofiles.

The Club will be gunning for its second straight championship in the Suburban League.

## Two EHS Grads Science Winners

Two Enfield High School graduates have been declared winners of the 1969 Connecticut Science Talent Search for superior work in the laboratory and classroom.

One of the students plans to enter the University of Connecticut this fall and will receive a \$600 scholarship provided by the UofC Board of Trustees. He is Stephen E. Niemczyk of 53 Indian Run, Thompsonville, whose project title is "Isolating and Chromatographing of DNA and RNA."

Under this scholarship program he will major in science, math and engineering and will receive his grant-in-aid as long as he maintains a high academic average.

Chosen by the national committee, but not planning to attend the UofC was Charles K. Jamrogowicz of 20 Longview St., Hazardville, whose project title was "Design of Construction of a Single Sideband Generator."

## Elks Bowling League Meeting Next Monday

The Elks Bowling League will have its organizational meeting next Monday at the T'ville Bowl at 8 p.m. in the meeting room. If you are interested in bowling at 6:45 p.m. on Mondays at the T'ville Bowl, please turn your name into the Control Desk or call John Reese at 745-0661. There are openings for teams and individual bowlers.

tenhausen will be driving the same car this season.

That record is expected to fall. Bettenhausen is the current sprint leader, running ahead of defending champ Larry Dickson and Bill Puterbaugh, both veterans, and newcomers Cy Fairchild and Tom Bigelow.

# Bettenhausen Favored At Stafford Springs

Busy Gary Bettenhausen, the second generation open-cockpit star, leads 31 entries into Stafford Springs Speedway tomorrow night for a 50-lap, inverted start United States Auto Club sprint car race.

Bettenhausen is currently leading the torrid point race, battling the likes of Larry Dickson, the defending champion, Bill Puterbaugh, Cy Fairchild, and Tom Bigelow.

The son of Tony Bettenhausen, 1951 and 1958 National Champion, young Bettenhausen will be driving the same Will Davis Special sprinter that established a track record of 20.50 seconds last enroute to a 20-lap feature victory.

Promoter John McCarthy has signed for the inverted start — faster cars in the rear — believing the Stafford fans prefer the constant passing and action.

Included on the entry list are the likes of Sam Sessions, Arnie Knepper, Greg Weld, Carl Williams, Rollie Beale, Billy Vukovich and Todd Gibson and John Cannon, all running in the top-10 nationally.

There will also be a brother act. Gary's younger brother Merle will be on hand.

Bettenhausen is probably the most versatile of the "up-and-comers" in the talent rich USAC ranks.

A graduate of Go Kart racing, Bettenhausen joined the USAC Stock Car division in 1963 and quickly established himself by finishing second to A. J. Foyt at Indianapolis Fair Grounds. Running both midgets and stocks, he was 10th in the stock car division in 1966 before moving also exclusively to the midgets and championship Indy cars in 1967.

In addition to qualify for three championship car races in 1967, Bettenhausen finished third in the midget point race, showing five wins, six seconds and five thirds in 36 feature events. The year also marked his sprint car debut, finishing third in his first ride at Gardena, Calif.

Last season proved the busiest for the father of twin boys, finishing high in all three USAC open-cockpit divisions. He became the first son of a championship race winner to win, taking the checkered at Phoenix. He finished eighth in the National Championship, coming home in the top five, seven times.

He was second in the sprint division, winning seven events, including Stafford, and 13th in

Gary Bettenhausen

the midgets with two wins, although commitments kept him from much midget action.

Bettenhausen also made his Indy debut, starting 22nd with a 163.562 qualifying speed, but went out when he and Al Unser tangled.

Last May, Bettenhausen was running fourth at Indy on the 37th lap when mechanical problems forced his withdrawal.

Gary's father, Tony, was fatally injured at Indianapolis in 1961, testing a car for another driver. Tony, who finished fourth at Indy twice, won 21 championship car races, eight coming in 1951.

## Winners Of EHS P&R Field Day

Enfield High School playground held its Annual Track & Field Day last week with 250 boys and girls in attendance.

Bob Brewster won the 40-yard dash in the 6-9 age group for the boys. Ed McGuffey finished second and Mike Moschetti was third. Carmine Conte won the same event in the 10-12 age group with John Zukowski second and Gary Prouty third. Valerie Carr won the girl's 40-yard dash for 6-9 year olds with Colleen Heffernan finishing second and Linda Proulx third. Beth Gagne was the event's winner in the 10-12 group with Kimberly Sauer second and Cynthia Bacewicz third.

Kimberly Sauer came back to win the 10-12 girls' 60-yard dash while Cynthia Bacewicz was second and Wendy Bellafatto third. Carmine Conte took the same event in the boy's division

## Sports Hindsight

by Art Landry

### "THE JETS ROAR"

The jets do roar overhead as they come sailing into Bradley International, but we are really with Richard Cousineau placing and Brian Sullivan in the show position.

In other boy's 6-9 events, Bob Brewster won the standing broad jump and the potato race. John Bar finished second and John Moschetti third in the standing broad jump. Tony Conte finished second and Mike Moschetti third in the potato race. The team of Tony Conte and Mike Moschetti won the Wheelbarrow race with Frank Camerlyn and Fran Bennett second and Ralph Fiore and John Moschetti third. Fran Bennett won the bubblegum contest while Bob Brewster was second and Tony Conte third.

Carmine Conte made it four out of five in the 10-12 group by winning the standing broad jump and distance throw. John Zukowski was second in the broad jump and Brian Sullivan was second in the distance throw. Gary Prouty finished third in both events and won the accuracy throw. Steve Weiss was second in accuracy and Tim Grigley was third.

Jackie Sullivan won the skip rope contest and finished third in the potato race for 6-9 year old girls. Mary Casey was second in rope skipping and teamed with Ann Moschetti for a third in the wheelbarrow. Cheryl Kaminsky was third in the skip rope, second in the potato race and teamed with Tracy Wasileska for a win in the wheelbarrow. Susan Warzski won the potato race. Colleen Heffernan and Susan Casey were second in the wheelbarrow and Casey had a second in the bubblegum contest. Ann Moschetti won the bubblegum and Kim McGuffey was third.

Kimberly Sauer won the skip rope for 10-12's. Kathy Sullivan took second in the skip rope, third in the potato race and second in the balloon contest. Lisa DiFranco was third in the skip rope and won the balloon contest. Robert Sullivan won the potato race and finished third in the balloon contest. Marie Pappalao was second in the potato race and third in the bubblegum contest. Wendy Bellafatto won the bubblegum contest and Kimberly Sauer was second.

talking about the New York Jets of course.

They did roar over the defeated New York Giants, but the roar was heard only by those fans who were there in person or who had FM radios. This seemed to be about the biggest goof-up yet for the TV and radio people, at least as far as local sports are concerned. Not only did the network and local television stations slip up, but the game was not even aired on common, everyday, AM radio.

There was an awful lot of interest in this game locally and a great deal of interest nationally. Some 300,000 people tried to purchase the 70,000-plus seats available at Yale Bowl. If half of those who couldn't get tickets had FM radios, I would consider it a lot.

The Jets proved to the world that they were the champions by beating Baltimore's Colts in the Super Bowl last year. They proved it to the world, but Giant fans weren't buying it. They still claimed that the New York

Giants could beat the New York Jets any time and any place. The Giants waited nine years before recognizing the Jets enough to give them a game.

The game was Sunday, in case you haven't heard. I finally learned the score on the 11 o'clock news. "Broadway" Joe Namath really did his thing, to the tune of a 37-14 victory, and laid the ghost to rest. Now even New Yorkers will have to admit that the Jets are tops.

### "SOX WHISPER"

While the Jets were roaring, the Red Sox continued to speak in a whisper without much authority. In case you haven't looked recently, the Sox are some 20 games behind Baltimore and are still fading.

Some arm chair managers are saying that Dick Williams is leaving his pitchers in too long. Whenever the Red Sox go bad the fans claim that the pitchers are being left in too long. It happened to Pinky Higgins and most managers before him, and it hasn't changed a bit.

The one thing that the sideline managers don't seem to consider is: When your starting pitcher goes bad, who can you turn

to? Ray Culp was pounded for six runs Monday night before Williams decided that maybe something was wrong. Does this mean that he leaves his pitchers in too long? In this case we would have to say, yes, he did leave this pitcher in too long.

Williams does not seem to consider the score as important as what inning the game is in. He hates to bring a relief pitcher in too early because the relievers are usually good for short stints. If the other team gets six runs in one inning, as they did Monday night, and it is only the fourth or fifth inning, he seems to try to get a couple of more innings out of the starter, even when the starter is getting pounded. Then he can play catch-up baseball. Of course, the Sox haven't been too good in catching up this year, and maybe this should be considered in

## EHS Football Practice Mon.

Football practice at the Enfield High School will start on Monday morning at nine. Uniforms will be issued at this time.

All boys going out for football are requested to report at this time. Practices will be held every morning until school opens. Afternoon practices will be held after the start of the school study program.

Young people seem to mind it though. At least, if they do, we haven't heard from them. Oh well, it will give the kids more time to study, or something.

## reasons why

# Maverick is the fastest-selling new car in automotive history!

Our little car is making a big hit. In its first 100 days Maverick has out-sold every new car ever introduced. And every day more and more smart drivers are discovering the fun of owning the simple machine. Take a few minutes to find out why Maverick's so popular. Then take a test drive at your Ford Dealer's.

New Ford Maverick... the simple machine

1. **LOW PRICE.** Maverick is the best seller of the '70s at 1960 prices. And you get your money's worth. A complete car all ready to drive home.
2. **LOW FUEL BILLS.** In tests by professional drivers at our tracks, where we do our best to duplicate actual driving conditions, Maverick averaged 22.5 mpg. (Some Maverick owners report they get 25 mpg and better.)
3. **105 HORSES.** Maverick's high-spirited Six gives you nearly twice as much horsepower as the leading import engine. You get fast acceleration, easy passing.
4. **PEOPLE-SIZED INTERIOR.** Maverick pinches pennies, not people. Its front seat gives you nine inches more shoulder room than the leading import. Plus lots of leg room, hip room and head room.
5. **EASY HANDLING.** Maverick can outmaneuver the leading economy import. It can

- U-turn in a tighter circle, nip around corners and slide into tight parking spaces with amazing agility.
6. **FEWER SERVICE CALLS.** Maverick is actually easier and less expensive to maintain than an economy import. Maverick oil changes come only once every 6,000 miles and chassis lubrications once in 36,000 miles. The leading import recommends an oil change twice as often and a chassis lubrication six times as often. (Maverick gives you economy without inconvenience!)
7. **SIMPLE SERVICE AND REPAIRS.** The Maverick Owner's Manual has 24 pages of instructions for routine maintenance jobs you can do yourself, if you wish. You can change spark plugs, replace fuel filter, adjust ignition timing, and more. Even a smashed grille can be replaced in as little as 13 minutes.

8. **WIDE-OPEN TRUNK SPACE.** No more cramming in luggage just because you have a small car. Maverick gives you 10.4 cubic feet of luggage space—nearly twice as much as the leading import. (With Maverick, you can take it with you.)
9. **SOLID DURABILITY.** Maverick's unitized body construction makes it light, strong and durable. (And Maverick's 3-speed transmission is tough enough to handle twice as much horsepower as the engine turns out.) (Maverick may be little, but you don't have to treat it like a kid.)
10. **BUILT-IN SAFETY.** Unlike most economy imports, Maverick's tread is wider than the car is high. That means stability—mighty important when the road is wet or the wind is strong.

# FORD MAVERICK \$1995\*

## ALEXA FORD, INC.

41 NORTH MAIN STREET THOMPSONVILLE, CONN.

\*Manufacturer's suggested retail price for the car. Price does not include: white sidewall tires, \$32.00; dealer preparation charge, if any; transportation charges, state and local taxes.

## Schedule Of Field Days

All youngsters in the Town are invited to take part in Field Day Activities during the next two weeks. Youngsters can follow the following schedule to find out where the nearest Field Day is being held. Free ice cream is given to all who attend. Events start at one p.m.

Aug. 21 — Mark Twain at Mark Twain.

Aug. 25 — Harriet Beecher Stowe at Home.

Aug. 27 — Parkman School at Home.

Aug. 28—Brainerd Park, Kos. Jr. High and Noah Webster at Kos. Jr. High School.

First, second, and third place ribbons will be awarded to winners in each event. Youngsters will also compete in various age groups.

## Midget Football Tryouts Saturday

Fred Semanie, chairman of the Midget Football program for the Enfield Jaycees, announced today that tryouts for the Ramblers and Lancers will start on Saturday at 2 p.m. Tryouts will also be held the following Monday through Friday at 6 p.m. All tryouts will be held on the playground area behind Enfield High School.

When the final squads are selected and equipment issued one team will hold its practice at the high school and the other at Powder Hollow.

## Twilight Bowlers Meet Tuesday

The Twilight Bowling League will hold a meeting next Tuesday at 8:30 p.m. Rules for the upcoming season will be drawn up and the question of costs will be discussed.

Thirteen teams are signed up. Three teams, Conn. Water Co., Conn. Army National Guard and Grey's AA, have not contacted league officials as of yet.

Any individual or team interested in joining the league can call the management of the T'ville Bowl or B. Silva at 745-2548 or R. Teners at 745-3818.

BEATRICE PARSONS, Social Editor

## Church Award For Star Scout

The Rev. Mr. Joseph Tamraz, pastor of United Presbyterian Church, presents the "God and Country" award to Star Scout Douglas Ellis, during the worship service Sunday morning.

Douglas Ellis, 13, a Junior High School student, and son of Mr. and Mrs. David Ellis of 32 Raffia Rd., was honored Sunday at the 9:30 morning service in United Presbyterian Church. Douglas was presented with the Boy Scout "God and Country" medal by his pastor, the Rev. Joseph Tamraz.

Douglas is a Star Scout, a member of Troop 182 which is sponsored by St. Mary Episcopal Church in Hazardville. However, the boy is a member of United Presbyterian where he has been active in youth groups, attended youth conferences at Northfield, and otherwise demonstrated his religious faith. Alfred G. Burt is the Scoutmaster of Troop 182, and also is a member of the church on High Street.

It is believed this is the first time the "God and Country"

medal has been awarded at First Presbyterian Church. It is not a common award, although other boys in Enfield have received it from their respective churches. Douglas is only the fourth in his troop to be so honored. In addition to being a Star Scout he is also a member of the Order of the Arrow whose members rank high in sportsmanship, camping and allied skills.

When he was a Cub Scout his mother became a Den Mother. He is the oldest of the three Ellis children, all boys: Grant 9, and Ross 6. Mrs. Ellis is still a Den Mother because Grant is now a Cub Scout in his turn. It looks as though she will be for some time because as Grant climbs to the Boy Scout level, Ross will be at the Cub Scout age.

## First Time Fashion Show Staged Tonight At Elm Plaza

A back-to-school Fashion Show will be presented by The Elm Plaza Merchants Association tonight, Thursday, from 7-9 o'clock at the Plaza on Elm St. A final performance of the show is scheduled for Saturday at 2 p.m.

As this is the first such show under the new direction of a merchants association, Elm Plaza merchants are going all out in order to present to Connecticut Valley shoppers a highly unusual show.

Paul Rogers, former producer of the popular hit play, "Hello Dolly," and head of his own advertising agency and promotion house, will handle all phases of the Plaza promotion. He will serve as master of ceremonies. Rogers plans "many more to come."

Participants in this first fashion show are W. T. Grant, Levi-

son's, New England Fabric and Yarn Center, Diamond Shoes, Nugent's, and hair styles by Bellissima's Beauty-Salon. All the clothing and hair styles will present the latest back-to-school fashions.

Each store will have its own commentator. The musical background will be provided by two of Connecticut's most unusual groups — Custer's Last Band, a Tijuana brass group, and the Leader, a young and popular rock and roll group. Both groups were featured at the kick-off of the back-to-school promotion held last Thursday.

The fashion show will be presented out of doors on a specially designed platform, with a public address system and special lighting to enhance the unusual colors that will be displayed by many of the local models.

## Marriage Announced

Mr. and Mrs. William A. Carlander of 11 Riviera Drive, announce the marriage of their daughter, Mary Jane Carlander of Winsted, to Mr. John S. Frink, son of Mr. and Mrs. Kenneth Frink of Winsted. The marriage took place on Aug. 1 in Winsted.

Mrs. Frink is a graduate of Our Lady of the Angels Academy, Eastern Conn. State College, in Williamantic, and is studying for her Masters degree at Central Conn. State College. She is a kindergarten teacher in Winsted school system.

Mr. Frink was graduated from the Winsted schools, attended the University of Connecticut and is employed by the State of Connecticut.

Upon their return from a wedding trip to Florida and the Bahamas they will live in Winsted.

## Mrs. Furey Promoted By Insurance Group

Mrs. Shirley Furey, of 4 River-view St., Enfield, has been promoted to superintendent of The Hartford Insurance Group's technical rating department.

Mrs. Furey is responsible for the department's operations and for direction of the department's systems design and programming activities.

She joined The Hartford in 1955 and has taken numerous computer training courses.

## There's Plenty For Young Folks To Do

Happy youngsters enjoy Green Manorville Pool, on Taylor Road, as the thermometer soars into the 90's.

Enfield, this summer, seems to offer its younger generation several answers to their eternal question: "What shall I do now?"

For the older teenagers, there are the activities just now going on to make the Coffee House, soon to be opened, an attractive meeting place. There is the "In Spot" with its varied programs for the younger teens.

And for the still younger children, the Enfield Central Library on Middle Road, Hazardville, offers an excellent program of story hours. For more active youngsters, the pool in Green Manorville with swimming instruction available and life savers on duty, is a splendid place for recreation.

At Central Library, Mrs. Charlotte Jones who is acting Children's Librarian, and Miss Kleszczewski, who is assisting her, conduct story hours for eight hours each week. Miss Kleszczewski, a junior at Southern Connecticut State in New Haven, is majoring in library science. The story hours, beam-

Some of the bright-eyed youngsters at Central Library are enjoying one of the story hours with Miss Karen Kleszczewski, who is majoring in library science at Southern Conn. State College, as the story-teller.

and its programs. Four full time lifeguards are on the staff: Misses Georgiana and Elaine Davis, sisters who attend Southern Conn. State College; Jeffrey Fitzgerald, a freshman at UConn, and Mr. Keller who will be on the new Kennedy Junior High faculty this fall. Part time lifeguards on weekends are his daughter, Miss Nancy Keller and Thomas Owens.

Mr. Keller told The Press that on a day like Monday when the temperature was in the 90's, almost 200 youngsters enjoy the pool, about 100 taking instruction in the morning and another 88 or so in the afternoon. Attendance fluctuates with weather conditions.

## MD Carnival At 5 Rosanne St.

A neighborhood carnival for the benefit of muscular dystrophy victims will be held on August 30 at 5 Rosanne St.

Michael Ferguson and Stephen Whittemore, sons of Mrs. D. Ferguson and D. E. Whittemore, will serve as ringmasters, assisted by James Whittemore.

The carnival, which will begin at 1:30 p.m., will feature such games as the sponge toss, pie toss and many other games. All proceeds will go to aid the fight against dystrophy and related diseases afflicting millions.

The pool is generous in size, 75 x 35 feet, and attendance is carefully watched to avoid dangerous overcrowding.

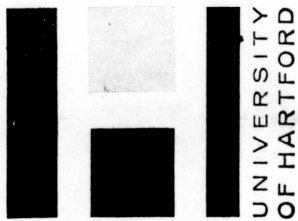

Then there is Scouting for both boys and girls with camping and other summer programs that draw their own crowds. There are also 4-H clubs with animal husbandry, agricultural, and home ec. programs that are filling a number of young folks' time.

The boy or girl who really wants "something to do" certainly can find it in this town. If she and he cannot, it is because they haven't looked hard enough. Things to do are being offered daily in this community, with literally hundreds of the young generation participating.

The children got the idea for staging their event while watching TV personality Commander Ralph who is promoting carnivals on his "Goodship News" children's show seen on station WTEN.

Last year, in cooperation with Muscular Dystrophy Associations of America, more than 20,000 carnivals were held by children across the country and over \$353,000 was raised for MDA's research and patient service programs.

For additional information call 745-1548 or 745-8059.

# DRESS PANTRY

Here it is, next to the last week in August, and who wants to light the oven to bake a cake? Those sweet-toothers in your family can be persuaded that Mom's No Bake Cake is just as good as any of those that come out of the oven. This cake can be made in the cool of the morning and refrigerated until dinner time.

### No Bake Cake

- 2 tbs. unflavored gelatin
- 1/4 cup cold water
- 4 eggs separated
- 1 cup table cream
- 3/4 cup sugar
- 2 cups cottage cheese, sieved
- 1/2 tsp. salt
- 1 tsp. vanilla

Juice of 2 lemons, grated rind of 1 1/2 cup heavy cream, whipped

### Crust

- 2 cups graham cracker or swieback crumbs
- 1/2 cup melted butter
- 1/4 cup confectioner's sugar

Soften gelatin in water for 5 minutes. In top of double boiler beat yolks slightly, stir in softened gelatin, table cream and sugar. Place over boiling water and cook, stirring constantly until mixture coats spoon. Remove from heat; stir in sieved cottage cheese, salt, vanilla, lemon juice and peel. Cool. Fold in whipped cream. While filling is cooling, combine crust ingredients; re-

serve one-third of mixture; use remainder to coat bottom and sides of spring mold or deep 9-inch layer cake pan. Pour filling into pan. Sprinkle rest of crumbs over top. Chill several hours before serving.

And here is a quickie for the main dish, a different treatment of that old standby canned tuna.

### Quick Tuna Jambalaya

- 2 cans (9 1/4-oz. each) tuna in vegetable oil
- 1 small onion sliced
- 1 medium green pepper, diced
- 1/2 cup diced celery
- 1 can (1-lb.) tomatoes
- 2 cans (8-oz. each) tomato sauce
- 1 can (3-4-oz.) mushrooms
- 1 tsp. salt
- 1/2 tsp. each chili powder and thyme
- 1/4 tsp. pepper
- 2 cups packaged pre-cooked rice

Drain oil from tuna into sauce pan. Add onion, green pepper and celery. Cook until vegetables are crisp-tender. Do not over-cook. Add tomatoes, tomato sauce, mushrooms with liquid from can, salt, seasonings, rice and tuna. Bring to a full boil; cover. Remove from heat; let stand 5 minutes. Fluff with fork to serve. Serves 6.

Note: If a soup may be described as "beautiful," then the tureenful made by Mary Henry from George Rector's Onion Soup recipe aired here last week, was indeed "beautiful." When husband, Harold said he had enjoyed a bowl last Friday and was asked "How was it?" answered with enthusiasm, "Be-yew-ti-ful!" So if you haven't tried it yet, hop to it. It said here that Mary and Harold Henry would probably be the first to enjoy it. Of course, they had the recipe a couple of days earlier than it appeared here, and it looks as though they did beat everyone else.

## Stork News

### Wesson Maternity

A daughter, Donna Maureen, was born to Mr. and Mrs. Terrence Taylor (Cathie Brown), of 41 Sandpiper Rd., Hazardville, on July 22. Donna has a sister, Christine, who will be two in November. Mr. and Mrs. Glenis Brown and Mr. and Mrs. Wallace Taylor, all of Springfield, are the grandparents.

A daughter, Tamara Lee, was born to Mr. and Mrs. Felix Patkus (Ann Marie Mortell), of Warehouse Point, on July 23. Tamara Lee is the first child in the Patkus family. Mr. and Mrs. Leonard Adkins of 33 Roy St., are the grandparents.

A son, Michael Henry, was born to Mr. and Mrs. Robert Polmatier (Susan Iskra) of 67 1/2 Church St., on July 27. Grandparents are Mrs. Henry Polmatier of Bridge Lane, Enfield, and Mr. and Mrs. Walter Iska of New Britain. Great grandparents are Mrs. Elmer Root, also of Bridge Lane, and Mr. and Mrs. Michael Iska of New Britain.

A son, Scott Allen, was born to Mr. and Mrs. Ronald Sabellico (Linda Allen), of 21 Hartford Ave., on Aug. 9. Scott has two older brothers, Michael 4, and Stephen 3.

### Hartford Maternity

A son was born to Mr. and Mrs. Gerald Godin (Carol Ann Ketch), of Warehouse Point, on Aug. 7.

On the same day, Aug. 7, a son was born to Mr. and Mrs. John M. Reese (Judith Saunders), of South Main St., Warehouse Point.

A daughter was born to Mr. and Mrs. Herbert Green (Brenda Watson), of 13 Laurie Dr., on Aug. 11.

A daughter also, on the same day, Aug. 11, was born to Mr. and Mrs. Roger R. Rice (Anna Gambio), of 23 Iroquois Road.

A daughter was born to Mr. and Mrs. John K. Parsons (Janice Lockey), of 69 Steele Road, Enfield, on Aug. 12.

### Winsted Hospital

Mr. and Mrs. John Legienza Jr., formerly of Thompsonville, announce the birth of their son, Thomas Friedel, on Aug. 10. Maternal grandparents are Mr. and Mrs. Fritz Platzbecker, of Bedburg 1 Enft, West Germany; and paternal grandparents, Mr. and Mrs. John Legienza Sr., of 118 Elm Street. Great-grandparents are Mr. and Mrs. Paul Haerter of Bedburg, West Germany, and Mr. and Mrs. Stanley Legienza, of 122 Elm St.

Miss Emeline Marie Falbo  
**Falbo-Groves**

The engagement of Miss Emeline Marie Falbo to W. T. Groves is announced by her parents, Mr. and Mrs. Albert Falbo of 376 Taylor Road, Hazardville. Mr. Groves is the son of Mr. and Mrs. Howard Groves of Vincennes, Ind.

A 1966 graduate of Enfield High School, Miss Falbo was

graduated this year from the Springfield Hospital Medical Center School of Nursing and is employed at Wesson Maternity Hospital in Springfield.

Mr. Groves served in the U.S. Army for six years and is employed by M. Swift & Sons in Hartford. He also attends the Electronic Computer Programming Institute of Hartford, Evening Division.

A May wedding is planned, ned.

Miss Joyce Morris  
**Morris-Daigneau**

The engagement of Miss Joyce Morris to Mr. Harold Daigneau Jr., is announced by her parents, Mr. and Mrs. Joseph Morris of 254 Jackson Rd., Hazardville. Mr. Daigneau is the son of Mr. and Mrs. Harold Daigneau of 10 Wilstar Circle, Hazardville.

Miss Morris is a graduate of Enfield High School and of the Hartford Academy of Hairdressing.

Her fiancé, also an Enfield High graduate, is now attending Western New England College.

The wedding is planned for next June.

### Teen Coffee House Needs Lounges, Chairs

The formal opening of the long awaited Coffee House for the older teens of Enfield, is soon to be held. The project is sponsored by the board of directors of "Enfield Youth In Action."

The board points out that the house is badly in need of two lounge type couches and several lounge chairs. Anyone in town who is interested in youth and has such furniture available, is requested to get in touch with Val Kropiwnicki or Mrs. Albert Gates at the "In Spot."

### On Dean's List

Three Enfield students are included in the 76 who have been named to the Dean's List for the final quarter, at Becker Junior College in Worcester.

They are Miss Elaine Estvanik, 294 Jackson Rd., Hazardville, who is taking the executive secretarial course, as are the other two, Miss Shirley A. Guzowski of 2 Sunset Dr., and Miss Cheryl L. Molyn of 43 Beech Road.

Miss Vicki A. Jones  
**Jones-Kut**

Mr. and Mrs. Victor G. Jones of 20 Overhill Rd., Enfield, announce the engagement of their daughter, Miss Vicki A. Jones, to Richard F. Kut, son of Mr. and Mrs. Frank Kut of Cumberland, R.I.

Miss Jones was graduated from Enfield High School in 1967, from the Hanover School of Modeling in 1968, and from

Chamberlain School of Retailing in Boston, this year.

Mr. Kut, a graduate of Cumberland High School in 1965, attends Northeastern University, in Boston, where he is majoring in Business Administration. He is a member of Phi Gamma Pi Fraternity.

The wedding is planned for next June.

We all know that the prices, if not the values, of books, bullets and backscratches have gone up. But did you know YOU are worth more today than you were a few years back? Once upon a time we were told that the chemicals in the average human body were worth just 98 cents. Inflation has moved in. A Northwestern University biochemist now tells us those same chemicals today are worth \$3.50! No matter how few pennies are left to jingle in your pockets, it's comforting to know that you're not completely worthless, not as long as you carry \$3.50 worth of chemicals around inside your hide.

Memory Lane: One long ago sweltering August day, five of us were in a hot sedan (I mean really hot — not stolen) crossing the Jersey flats, long before the days of the Pulaski Highway. The road was bumpy, the air blue with the reek typical of the flats, coming from the Jersey City chemical companies. It was too much of an effort even to chat until my favorite kook of all time chirruped pleasantly: "Who would like a nice bowl of cold gravy?"

The howl of laughter that went up could have been heard in Newark, maybe it was, but miraculously the more than 200 miles to Boston were shortened and lightened.

It was wonderful to see the five Breisky's Sunday. Karen, Gretchen and John are growing like weeds and their wonderful tans testify to the goodness of their present lives in Bermuda. Barbara and Bill welcomed many of their old friends at the home of Rev. and Mrs. Robert Lane on Enfield Street, directly across from the former Breisky home.

Bill came to The Press Friday and was amazed to find the changes that have taken place here since he left town, but that's progress, and The Press and its sister papers, the Bazaar and The News are on their way. The family left Enfield yesterday for their home in Hamilton Parish, Bermuda.

We have welcomed back two of our sick gals — Monty Marlowe who underwent a series of operations and has returned after many weeks, bright and cheerful as usual; and Pauline Foxe who also has been out because of surgery. Polly is back in the "up and at 'em" league once more.

Grandmaw says: "I didn't say it — but I like it. 'We here in America started off with a country and today we wind up with a government.'"

# School Fashions For Fall

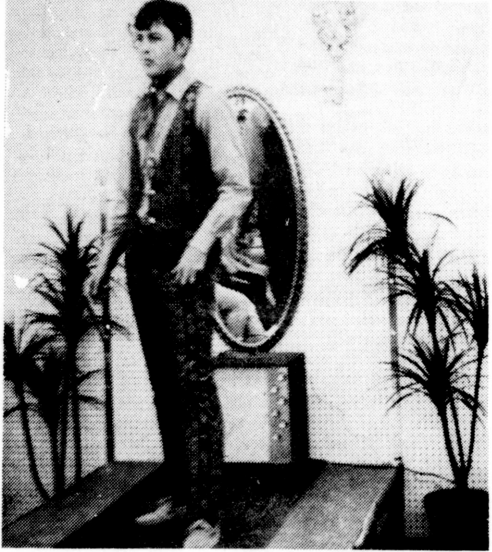

The Woolco Department Store held its first Fashion Show in its new store in the Suburban Mall on Hazard Ave., Saturday.

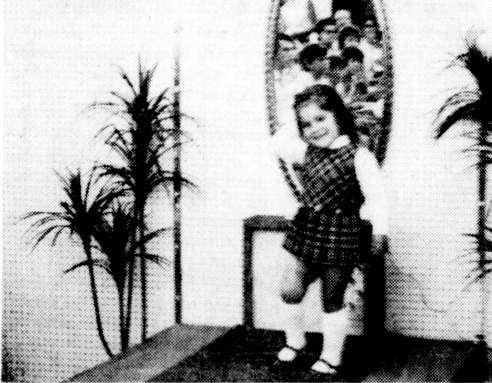

Four of the more popular styles featured before a crowd of 250 persons were modeled by Miss Ellen Jamrogowicz, Miss Judy Connick, little Miss Deborah Skower and James Young.

Fashions for the school age set were displayed by amateur models who performed like professionals.

Serving as moderator for the show was Miss Mary Young of Woolco. Other models were: Mary Riley, Jill Miller, Brenda Kinney, Dennis Kimball, Mark Green, Doris Rossi, Christine Kinney, Toni Angeloni, Denise Rossi, Susan Young, Regina Young, Karen Kinney, Denise Bullock and Nancy Runyon. These models were in addition to the four whose pictures appear at left.

At top left, Miss Jamrogowicz models cranberry plaid Bermudas and matching long tunic sweater for back to campus wear. Her costume is completed with a washable white crepe blouse and cranberry kneesocks.

James Young shows that the Indian look for campus wear is an intricate tapestry design in the corduroy flare bottom pants. The matching vest is accentuated by a groovy gold body shirt and green silk Apache tie. Self-laced moccasins complete the costume.

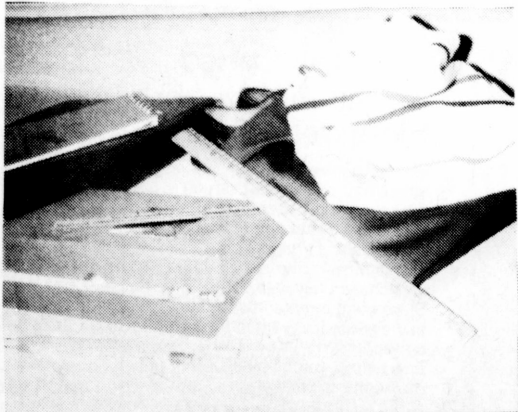

As Debby Skower takes her first steps into nursery school she will wear a machine washable red plaid jumper with long sleeve turtleneck jersey that is almost guaranteed to keep her fresh and adorable throughout her school day.

At bottom Miss Connick, for her dressier dates, models a cranberry scoop neck double knit two-piece dress featuring a long torso and an A-line skirt.

## Things Your Child Needs For School:

Pencils and rulers, notebooks and pencil boxes

And at least one back-to-school outfit.

Mrs. John William Riding Robitaille-Riding

Miss Barbara Ann Robitaille of Thompsonville and Mr. John William Riding of Hartford, were united in marriage Saturday at 11 a.m., in Holy Family Church in Enfield. The Rev. Francis T. Kerwan conducted the ceremony.

The bride is the daughter of Mr. and Mrs. Ernest A. Robitaille of Silver Drive. Parents of the bridegroom are Mrs. William Riding of Hartford and the late Mr. Riding.

Attending the bride as matron of honor was Mrs. RaeAnn Wagner. The bridesmaids were Mrs. Suzanne Thaxter and Miss Sta-

sia Bourgault, with Miss Denise Robitaille as junior bridesmaid. Miss Dianne Avlas was the flower girl, and Master John Guimond, the ringbearer.

Richard L. Robitaille served as best man. Guests were ushered by Joel Rogoff and Paul Carrier, with Robert Jones as junior usher.

After a reception at Knights of Columbus hall in Thompsonville, the couple left for a wedding trip to Canada.

Mrs. Riding is with the Technical Publications Section of Pratt & Whitney Aircraft; Mr. Riding with the Duplicating Department of Aetna Life and Casualty Insurance Co.

## Return From Vacation

When a couple hasn't had a vacation in 14 years, something should be done about it. At least that is what Mr. and Mrs. Albert Clement, owners of Clem's Shell, corner of Weymouth and Steele Roads, thought recently. So they took off for a week at Palm Beach in Florida.

Their minds were at ease concerning their business, because William Myers, manager, took over the operation during their absence.

Mr. and Mrs. Clement returned home Saturday by jet, rested and ready to resume the daily business of living in Enfield once again.

## Centurions In 1st Place At Gardner

The Centurions Drum & Bugle Corps of Enfield travelled to Gardner, Mass., last Sunday to participate in the drum corps competition sponsored by the Royal Cadets Drum Corps of that city. The competition, under the Yankee Marching & Maneuvering Circuit rules and judged by Bay State judges, included corps from Massachusetts, Connecticut and Rhode Island.

The Centurions won the first place trophy in Class C competition, taking high drums and high bugles and missing high marching and maneuvering honors by four-tenths of a point. The Paramounts of Worcester, Mass., took the second place trophy and the Citations of Burlington, Mass., took third place honors. The Crusaders of Stafford Springs, placed fourth.

The Centurions, who are sponsored by their Parents Association and represent AMVETS Post 18, Thompsonville, will travel to Hudson, New York, for an evening competition on Friday. They will follow that appearance by participating in a drum corps

## A Century Of Living

Mrs. Edward Daniel Lee was the guest of honor this year at two birthday parties. Her family celebrated what they thought was her 96th birthday with a party at the Enfield Nursing Home, on July 18.

However, within the past few days a search of old records proved that Rosa Lee is really 100 years old! So another party was held for her Monday at the home. Other patients, her family, the staff and friends all

joined in. So did Mrs. Lee, singing as lustily as the others when music enlivened the afternoon. A large beautifully decorated birthday cake, of course, marked the day, and gifts suitable for a lovely lady who has reached a full century of living.

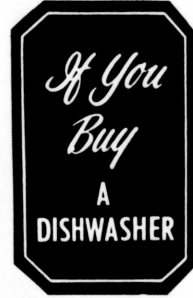

Mrs. Lee, who is a widow, was born in Tennessee on July 18, 1869, and lived in Nashville until 1952 when she came to Enfield to live with her daughter, Mrs. Elsie Nowack of 1 Belle Ave., two grandchildren, Edward McGuffey of Laurel Drive and Mrs. Margot LeFebvre of Nutmeg Ave., and six great-grandchildren.

competition at West Stockbridge, Mass., Aug. 24, sponsored by the Pittsfield Imperials.

**WEEKLY FIRE REPORT**  
GARY PIRA

The town's firefighters responded to the following alarms since the last reporting period:  
Aug. 5, 8:46 p.m. — A car owned by John Jacius of Thompsonville sustained minor damage while in Bradlees' parking lot on Enfield St. The blaze, which originated around the carburetor, was quickly extinguished. North Thompsonville Fire District.

Aug. 8, 1:25 a.m. — Box 41, Main and Pleasant Sts. False Alarm. Thompsonville Fire Dis-

trict; 8:03 p.m. — North Thompsonville firefighters quickly subdued a fire at the rear of the Interstate Tire Company, 79 Enfield St. A metal hopper containing rubber shavings ignited causing some minor structural damage to the building before the blaze could be contained. The State Fire Marshal was called in to investigate the cause. NTFD: 11:20 p.m. — Silent alarm. One Thompsonville unit was dispatched to Prospect St., where lightning had struck a telephone pole knocking down power lines. Firefighters stood by at the scene until power company crews completed repairs. TFD.

Aug. 13, 7:46 a.m. — Still alarm. Thompsonville Engine Co. 1 was sent to 83 Pleasant St. to quell a minor blaze in a vehicle owned by Barbara Dow-

nes. Damage was kept to a minimum. TFD: 5:26 p.m. — Burning cardboard boxes along a building at 106 Main St. The fire was quickly extinguished before any structural damage resulted. TFD.

Aug. 14, 12:15 a.m. — Car fire in front of 701 Enfield St. in a vehicle owned by Robert Rodione of West Springfield. Damage was considered negligible. TFD: 3:57 p.m. — A truck driver for the Nutmeg Trucking Co. discovered a fire amongst the scrap autos he was hauling, and drove the burning load to the North Thompsonville fire station. Fire apparatus and personnel extinguished the blaze before the tractor-trailer could be damaged. NTFD.

Aug. 15 — An early morning series of fires in the Enfield Fire District destroyed four vehicles and damaged two others. The first alarm, received at 3:40 a.m., sent responding firemen to 1236 Enfield St. to extinguish a late model station wagon owned by Armand Fusco. The second call came in

some 30 minutes later before the firefighters had returned from the first. Fire units were diverted to 12 Bridge Lane, where a second recent model owned by Santa Angelica was burning. At 5:19 a.m., a pick-up truck belonging to Anthony Molinski Jr. of 3 Riverview St. was also destroyed by flames. About an hour later, Enfield units were summoned to the Felician Sister's Convent on Enfield Street, where another late model vehicle parked in a garage, was involved. Prompt action by firemen saved the building, and two other cars, also in the garage suffered heavy heat and smoke damage. All fires appeared suspicious in nature, and police and fire officials are investigating.

Aug. 15, 2:07 p.m. — Silent alarm. One Thompsonville unit was dispatched to wash down a minor gasoline spill on Elm St. TFD.

Aug. 17, 10:06 p.m. — Hazardville firefighters were called to a telephone pole near the Main St. playground, where a power transformer had short-circuited.

**HAPPY TRAVELERS** are Mrs. Jean Cookish of 119 South Rd., at left, and Mrs. Irene O'Zemko, 18 Fairlane Rd., as they pose for a photograph on the deck of the Ingres Line's luxury liner "M. V. Victoria" just before sailing from New York Harbor for a holiday vacation cruise to tropical ports of the West Indies.

There was no fire, but lines were down knocking out electrical power for upwards of two hours in the center of town before repairs could be completed. Hazardville Fire District: 11:56 p.m. — Box 21, White St. at Hartford Ave. False alarm. TFD.

Aug. 18, 12:58 a.m. — A fire of unknown origin burned an estimated 400 sq. ft. of tobacco netting on the Woodworth plantation on Park St. No damage estimate was readily available, and the blaze is under investigation by local fire officials. HFD: 4:37 a.m. — Box 41, Main and Pleasant Sts. False Alarm. TFD.

Hazardville firefighters thank all those townspeople who again supported them at their highly-successful annual carnival held last week at the Green Manor Shopping Plaza. Threatening skies and sprinkles refused to dampen the enthusiasm of the crowds that lined the parade route Saturday evening.

Douglas Gorden, Parade Marshal, announced that the winners of the trophies were as follows: Best Appearing Apparatus, North Thompsonville Fire Department; Best Appearing Department in Full Uniform, Tolland Fire Department; Best Department in Shorts; Andover

Fire Department; Most Men in Line, Broad Brook Fire Department; Fire Company Coming the Longest Distance, Eagleville Fire Department; Oldest Piece of Equipment, the Trolley Museum; Best Senior Musical Unit, Windsor Locks Fire Department; Best Junior Musical Unit, Sabers 1 of Enfield; and the Willington Fire Department won the Best Appearing Ladies Auxiliary.

Andrew Whalen, Raffle Ticket Chairman, announced the following winners: First Prize, 1969 Ski-Doo Snowmobile won by Mary Jane Jamrogowicz of 18 Cedar St., Hazardville. Second Prize, a portable dishwasher went to William Hodgins, Stafford Rd., Somers. Third Prize, of a stereo console was won by Richard Thayer, 30 Oxford Dr., Thompsonville, and the last prize of an AM-FM Radio went to Paul Shane, 50 School Street, Hazardville. North Thompsonville's Deisel Mack also took top honors two weeks ago at the Broad Brook Firemen's Carnival.

A one-day fire training exercise sponsored by the Hartford County Mutual Aid Network is scheduled for Sept. 14. Any interested local firefighter can contact his chief for particulars.

**Boy Scout Troop 93 Plans Active Season**

By Louis DuBois

Boy Scout Troop 93 is now making plans for another banner year following a very successful past season.

At the start of this past season and following a successful defense of their Camporee winning honors by winning the Highland District and The Charter Oak Council Annual competitive camporees, the troop traveled by White Circle bus to the famous historic Nantucket Island for four days and did all qualify for the Historic Trails Award.

While on the island they visited the famous Whaling Museum, homes of famed whaling captains, swam in the mountainous surf of what is known as Surfside which is turning out to be the surfing center along the East Coast, saw a new harbor and boat docking under construction where seven million dollars is now being invested and has turned out to be a beautiful site in itself. Also, close by is the second oldest lighthouse in the country.

The streets in Nantucket are stone paved of round stones brought over from Gloucester, England and these stones served the purpose of draining off whale oil when the whales were brought ashore and thereby allowed the horses traction they needed in order to haul the many whales of that time ashore for processing.

Troop 93 was welcomed to Nantucket by Scout Leader James Mayo and the District Commissioner Edgar T. Lindstrom, who put at their disposal Camp Richards for their camping stay while on the island.

The troop wound up with a trip to the further tip of the island to the community of Siasconset and on the way visited the remains of the home of Ben Franklin's mother and upon arrival at Siasconset the troop had a police escort around the community which included a visit to what is known as Loran Station No. 1 operated by the U.S. Coast Guard where they had an escorted tour of the entire facility which was interesting to learn how the Coast Guard operates.

This trip was followed with the opening of the first troop meeting followed by the regular winter swims the troop has enjoyed for over 15 years.

Four winter camping trips were held at the Old Camp Pioneer in Winsted with many other camping trips to various localities whence much knowledge of camping and advancement was obtained and completed throughout the balance of the year.

Troop 93 also rendered financial assistance to Troop 381 to help defray costs when they welcomed to Enfield the 6th Richmond Scout Group of Richmond, England.

The troop also rendered financial assistance to Troop 2 of San Marcos, Ocatepeque, British Honduras, in Central America, and this help enabled this troop to have scout uniforms for the first time in history and also opened the minds of these scouts of the cooperation of the world brotherhood of scouting where a troop which is fortunate enough to have much is also willing to help those less fortunate and is ready to come to their assistance.

This help and cooperation rendered by Troop 93 would not have been possible without the help and cooperation of the community in supporting the many scrap drives and annual electric light bulb sales.

On January 1st the troop leadership took on a change when Louis A. DuBois, having served as Scoutmaster for many years turned over this position to Kenneth MacMullin, but will continue to be busy now as Troop Committee Chairman.

Last May, Troop 93 successfully defended their camping honors by winning the annual Highland District Competitive camping honors and have now won these difficult camporees since 1961 through 1969 inclusive with the exception of 1964 when they did not compete.

A successful closing for the year was when Troop 93 attended the Summer Camp at the Council Camp at the Lake of Isles in North Stonington under the leadership of committeemen Henry Lanouette and Dick Stewart and being assisted by Senior Scout Thomas McGuff.

Troop 93 is sponsored by the Hazardville Fire Department, and are presently busy in programming a schedule of events that will carry them through July, 1970 under the leadership of Kenneth MacMullen as Scoutmaster.

## NROTC Competitive Exams Announced

The Navy has announced that the 24th annual national competitive examination for the Regular Naval Reserve Officers Training Corps will be given on Dec. 13, 1969.

The Regular NROTC Program prepares a young man for a Navy or Marine Corps commission while he is studying at one of the many civilian colleges and universities where NROTC Units are established. All tuition, fees, uniforms and books are furnished by the Navy, and the student receives \$50 per month subsistence pay for not more than four years. During the summers between academic years, the student participates in interesting at-sea training periods as a Midshipman. After successfully completing a baccalaureate level college course and all military requirements, he is commissioned in the Regular Navy or Marine Corps.

Eligible high school seniors and graduates should submit 14, 1969. Application forms are available from high school counselors, the nearest Navy Recruiting Station which is listed in your telephone directory, or from the Chief of Naval Personnel (Pers-B6411), Department of the Navy, Washington, D.C. 20370.

## Baione to Resume Musical Studies

Laurence J. Baione, son of Mr. and Mrs. Vincent Baione, of 2 Wagon Road in Thompsonville, will resume his studies at Boston's Burklee School of Music, an International College for the Study of Modern American Music, where he is majoring in Music Education.

## Mozley Continues Data Processing Studies

Jack Mozley, son of Mr. and Mrs. Hugh A. Mozley of 3 Sky Ridge Drive, Somers, will be returning to Graham Junior College in Boston this fall to resume his studies in the data processing program, announced Edward L. Kerr Jr., Dean of Faculty.

Mozley is a graduate of Springfield Prep School. While attending Graham last year he was a member of the Kappa Sigma Beta social fraternity.

# NEWS OF SOMERS

Reporter: Mrs. Leland Oliver — 749-4551

## Completes Course In Field Biology

Mrs. Margaret Rissland, of 8 Maple Ridge Dr., Somers, last Friday completed a two-week course in field biology and conservation at the Audubon Camp of Wisconsin in Sarona, Wis.

Mrs. Rissland was among the more than 900 laymen, teachers, and adult conservation leaders who enrolled in an Environmental Education course at one of the National Audubon Society's 4 workshops this summer. Mrs. Rissland participated in studies this summer which included animal life, birds, plants and geology.

## Housing Authority Applies For Grant

The local Housing Authority has applied to the Department of Community Affairs in Hartford for assistance in the form of a direct grant to construct low rental housing units for the elderly in Somers.

George Randall, Housing Authority chairman, said his committee has merely "filled out the required forms" and to date has no final word on whether the request will be granted and funds will be forthcoming.

If the application is approved, Somers can look forward to state capital grants to cover the

total development costs of the project as stated in legislation passed by the General Assembly in 1959 and amended in 1961. The act provides funds for "decent, safe and sanitary rental apartments especially designed for occupancy by elderly families with limited financial resources at rents they can easily afford."

Our thanks also go out to Dave Butler for his contribution to the evening.

Special recognition should go to Jack Fales for his precise and delicate handling of each steak as he gently placed it on the grill.

It was great seeing all the Rotarians and children and we all are looking forward to the next outing.

Next week's programs are Aug. 26, Leon Unas; Sept. 2, Hugo Urbanati.

Greeters will be Dave Butler, Jack Fales, Fred Barend, Stan Wojno, Rudy Danielson and Tom Blown.

### Information Corner

A note on last week's corner:

## Rotary Letter

Last Week

There's no doubt that everyone attending our annual cook out had a great time and plenty to eat. Champ has to be congratulated for his outstanding job.

## Somers Personals

Mrs. Margaret Rissland of Maple Ridge Drive spent three weeks with her son, Carl and family in Kent, Ohio, and also spent two weeks at Audubon Camp in Sarona, Wis.

\* \* \*

Mr. and Mrs. Donald Symmes of Rockport, Mass., spent a few days with their daughter and son-in-law and family, Mr. and

Mrs. Leland Oliver of Main St., Somers.

Gary Longueuil was graduated from the University of Purdue on Aug. 8. He received a B.S. in Economics with an emphasis on finance. Gary will be going to work in Bridgeport, for the General Electric Company under the financial management program. A graduation picnic was held at his parents' home, Mr. and Mrs. Donald Longueuil of Turnpike Road. Many friends gathered to wish Gary the best of luck in the future. He will make his home in Bridgeport.

We stated that a meeting can be made up six days before or after the regular meeting night, but failed to say that it can also be made up on the day of the regular meeting.

Another point on attendance: To be credited with attendance, a Rotarian must be present for at least 60 per cent of the time devoted to the regular meeting.

John W. Hogrebe

activities on Air Force base and can examine career opportunities in which they might wish to serve as officers. Other highlights include survival training, aircraft and aircrew indoctrination, small arms training and visits to other Air Force bases. Cadet Hogrebe, a 1966 graduate of Portsmouth (N.H.) High School, is a member of the AFROTC unit at the University of Connecticut.

Army Reserve Officers' Training Cadet Alex R. Osenbach, 20, son of Mr. and Mrs. Robert G. Osenbach, 3 Grand Street, Hazardville, attended ROTC Advanced Summer Camp from June 21 to Aug. 1, at Indiantown Gap Military Reservation, Pa.

Cadet Osenbach is attending the University of Connecticut.

Army Specialist Four Alan B. Gamage, 19, son of Mr. and Mrs. Leland A. Gamage, 42 Beech Rd., Thompsonville, was assigned July 18 to the 1st Signal Brigade in Vietnam, as a lineman. His wife, Darline, lives

at 25 Haynes St., Thompsonville.

Electronics Technician Second Class Dwight Senter, USN, son of Mr. and Mrs. Fred Senter of 995 Boston Neck Rd., Suffield, is serving aboard the nuclear powered aircraft carrier USS Enterprise now en route to Norfolk, Va., from Alameda, Calif.

Airman Wayne A. Francis, USN, son of Mrs. A. C. Pikosky of 41 Loomis Ave., Windsor, is attending the Aerographer's Mate School at the Naval Air Technical Center, Lakehurst, N.J.

Seaman Bruce H. Scheid, USN, son of Mr. and Mrs. Harold J. Scheid of Route 2, Osborn Farm, Somers, was graduated from Naval Submarine School at the U.S. Naval Submarine Base, New London.

Aircrew Survival Equipmentman Airman Junius J. Stocinis Jr., USN, son of Mr. Julius J. Stocinis of 655 Rainbow Road, Windsor, was graduated from the 18-week Underwater Demolition Training program at the Naval Amphibious School, Coronado, Calif.

Communications Technician

## All to the Good

by U. S. Senator Abe Ribicoff

Congress is taking steps to improve veterans' benefits.

The new GI affairs legislative package would:

- Create a Vietnam Era Veterans' Life Insurance program similar to coverage enjoyed by returning GIs from World Wars I and II and Korea;
- Increase compensation to widows and children by about 13 per cent across the board; and
- Increase Servicemen's Group Life Insurance for GIs on active duty.

As a member of the Senate Veterans' Legislation Subcommittee, I supported these important improvements in GI benefits — and I will work and vote for their passage in the Senate itself.

Seaman Richard A. Krupa, USN, son of Mr. and Mrs. Stanley A. Krupa of 26 School St., Windsor Locks, is serving at the U.S. Naval Communication Station at San Miguel in the Philippines.

Key provisions of these new bills would:

- Raise the minimum widow's monthly benefit from \$134 to \$170;
- Establish, for the first time, an allowance for minor children of \$20 for each child;
- Give widows requiring regular aid and attendance an extra \$50 a month, and, in instances where the husband's death came in combat or other extra hazardous duty, an extra \$75 a month;
- Increase the amount of Servicemen's Group Life Insurance for all servicemen on active duty from \$10,000 to \$15,000;
- Double the group benefit to \$30,000 for GIs in combat zones or on other extra-hazardous duty; and
- Extend group insurance indemnity payments to servicemen who suffer debilitating injury to a hand, foot or eye.

The creation of a Vietnam Era Veterans' Life Insurance program is vitally important, to my way of thinking.

Vets from both world wars and from Korea had the opportunity to purchase government life insurance when they left the service. The same opportunity should be made available to Vietnam era GIs.

All servicemen who served on active duty after Aug. 5, 1964 — the time of the Gulf of Tonkin incident — would be eligible.

Coverage would be as high as \$30,000.

No physical examination would be required — and premiums would be substantially lower than those in private policies.

Premiums would be set for

### Visit Congressman

Mr. and Mrs. Francis Albrizio and their children, Francis, Michael and Daniel, of 30 Burnham St., Thompsonville, and Lorraine Magnan of College Park, Maryland, visit with Congressman Thomas J. Meskill during their recent trip to Washington, D.C.

life — and could not be raised under any circumstances.

Tied to the policy would be an optional disability insurance provision as well.

Servicemen would have up to four months from the time of their discharge to apply for this coverage.

Civilians who qualify as Vietnam era vets — that is, those who served on active duty after Aug. 5, 1964 — would have to apply within four months after the legislation becomes law.

That is, if the legislation comes law — and I am hopeful that it will.

I am encouraged by one development in particular. Once

### Mullen Is Local JA Representative

Arthur R. Mullen, 16, son of Mr. and Mrs. Arthur Mullen of King St., Enfield, a junior at

we had agreed on these bills in the veterans' subcommittee, the full Senate Finance Committee, of which I am also a member, approved the measures unanimously — and reported them to the floor.

Unanimous committee approval is always a good sign for a bill.

Arthur R. Mullen

Enfield High School, has been chosen one of the 14 students from Hartford County to represent Junior Achievement at the National Junior Achievers Conference, now being held in Bloomington, Indiana.

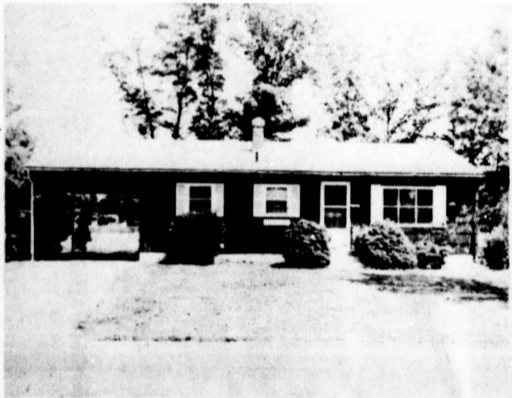

The delegates represent outstanding achievers who have won individual contests in their respective offices or who represent Hartford County because of outstanding accomplishments. The select 14 will represent the 1,800 students who participated in the program last year and will participate in workshops and discussion groups regarding Junior Achievement products, sales problems, purchasing methods, and other topics directly related to business and the Junior Achievement program.

Twenty-three hundred students from all sections of the country, along with representatives from Canada, will participate in the Conference with the purpose of obtaining a better understanding of the American free enterprise system and also to make improvements in the Junior Achievement program.
