Newly Elected Officers

Big Brothers of Enfield, which has served fatherless boys of the town for eight years, recently elected its new officers. Elected were, from left, Richard Rist, treasurer; Jack Fila, vice-president; James Riccio, president, and Jane Palmer, secretary. The

Board of Directors also appointed Jon Boivin of Somersville to the board and also named him co-chairman of activities. Boivin has been a Big Brother for two years and is active in organizing group activities and fund raising.

Steele Pledges Effort To Open Government

Congressman Bob Steele pledged a major effort to "open up" government at all levels, from the Governor's office to the smallest town board or committee, if he wins the governorship this November.

Steele, who has made political reform a major issue in this year's gubernatorial race, pledged to make his own administration "completely open to the public" and to push for a strong freedom of

information law which would guarantee the public's right to know how public business is conducted on both the State and local levels.

Speaking at a noon luncheon to the Enfield Republican Women's Club, Steele specifically proposed that Connecticut revise its current right-to-know law to correspond with a Florida statute which forbids any public body, legislative or administrative, from conducting public business behind closed doors. Steele said he based his proposal on the belief that "public bodies doing public business should act in public."

Steele explained that the proposed revision would make all meetings of public officials and commissions open to the public and press at all times, except where it would jeopardize attorney-client relations or in cases where personnel matters were involved. Any violation of the new law would carry stiff penalties, he said.

The Vernon Republican declared that "this is a time when we must do everything we possibly can to assure both open politics and open government in order to restore a high degree of public confidence in our public officials and our political processes. He noted that the Republican ticket was already leading the way toward open politics through its effort to drive big money out of political campaigns by limiting all contributions to

AUTUMN TOUR

The Woman's Club of Enfield, Inc. will have a fall tour of homes Wednesday from 11 a.m. until 4 p.m.

For tickets, contact Mrs. Anthony Torre, 20 Martin St., Enfield.

Ella Calls On CHFA To Make More Mortgage Money Usable

U.S. Rep. Ella Grasso, Democratic nominee for Governor, called on the Connecticut Housing Finance Authority — a state

agency that makes home loans — to "lead the way" in helping thousands of Connecticut families seeking to buy homes to find mortgage

money they need in today's tight market.

Noting that the number of housing starts in the state has dropped about 20 percent in the last year, Mrs. Grasso declared that the CHFA — by virtue of its tax-exempt status — could make it again possible for the locked out homebuyer to find homes and to find mortgages to pay for them.

In 1973, noted Mrs. Grasso, housing starts in the state — a surefire indicator of the market — totaled 11,186. This year housing starts

Town Police Group Forms Nurse Unit

The Enfield Police Department has embarked on a new program which will include a nursing unit in its Police Auxiliary Group.

The purpose of these nurses in the Auxiliary Police will be primarily to booster the Enfield Police Mobile Coronary Care Unit. This unit is on patrol in the Town of Enfield twenty-four hours a day and answers all emergency medical calls received by the Police Department. It is manned by six Enfield Police Officers qualified as Doctor's Assistants in Emergency Coronary Care. They give shots and medication and are equipped with telemetry and all the newest equipment.

It is planned at this time that a nurse volunteering for this job would ride the Enfield Police Cardio Alert Cruiser about once or twice a month. This could be either days or nights, whichever is more convenient for the nurse herself. She will be an Auxiliary Police Officer in the Enfield Police Department and will wear an Auxiliary Police Nurse's uniform and must be qualified R.N. to start.

This is a non-paid job but will have many gratifying rewards in the thanks of the many people helped by this

unit. If interested, contact either Mrs. Dorothy Phillips, 21 Mathewson Ave., Telephone 745-4637 or Mrs. Jean Tenero, 21 Birchwood Rd., Telephone 745-3818.

Senior Citizens Tour Schedule

A new series of excursions were announced this week by the Senior Citizen's Transportation Association. The excursions are on Wednesdays and are informal in nature, open to all persons holding an Association Identification Card.

On Oct. 16, the bus will provide transportation for the House Tour arranged by the Enfield Women's Club. The tour will include seven historical homes now used as private residences. A brunch will be provided in the total cost of \$3 which goes to support the programs of the Enfield Women's Club.

On Oct. 23 another foliage tour will be offered with lunch at a restaurant. This tour will include a stop at Old Newgate Prison, a Connecticut historical museum where the entrance fee is 50

cents. Eighteenth century prisoners worked a copper mine under the prison and engaged in various crafts related to the mining operation.

A "Luncheon Out" day will be held on Oct. 30 with lunch at the Somer's Inn a popular spot for Senior Citizens. A farm stand stop along the way will be included.

Final trip of the current series will be to the Hitchcock Chair Factory and Museum on Nov. 6. Craft demonstrations are included and lunch may be purchased at the nearby Inn.

Reservations for all excursions must be made in advance by calling the Senior Citizen's Dial A Ride number, 741-0622. Messages may be left anytime with the telephone answering

Agostinelli Guest At Unico Charity Ball

State Comptroller Nathan G. Agostinelli, will be guest and speaker at the second annual Enfield, Unico Charity Ball Oct. 19, it was announced by ball chairman, Bloomfield Police Capt. Tony Toce.

"We are honored", Toce said, "to have such a distinguished and dedicated Unican such as Mr. Agostinelli for a speaker. Not only is he an active member of many state committees and commissions but also he has chaired several charity drives for state employees. The Leukemia Society is soon to pay tribute to him as "Man of the Year" for his efforts."

Agostinelli has been the recipient of many awards including a presidential commendation, D. S. A. from the Marine Corps League, Italian-American

Gold Medal Award, and World War II Veterans of America Americanism Award. In addition to memberships in civic, social, and religious clubs and associations, Agostinelli is coproprietor of the Oak Hill School for the Blind, is on the Manchester Memorial Hospital Board of Trustees, and advisory board member of the Robinson School and Thalassemia Foundation.

Chairman Toce again underlined that the public is invited to attend the ball which is to benefit the Enfield Association of Retarded Children. It will be held at Chez Josef, Agawam, Mass., starting at 6:30 p.m. with cocktails, dinner at 7:30, and dancing to follow. Ticket and table reservations may be made by calling Sal Cameritam, 245 Shaker Road, 749-7101.

Drive Opens

Thomas Hawkins of JC Penneys, chairman of Enfield Square contributions for the Community Chest fund drive and Omer Muchmore of Hallmark Cards, president of the Enfield Community Chest, stand at square fountain in which all coins are tossed into by shoppers will be donated to the drive. Charles Morello of JC Penneys was missing at phototime.

Plans For Renewal Relocation Under Way

Eugene Puhopek, Enfield Redevelopment Agency executive director, has stated initial negotiations are presently under way with downtown Thompsonville area merchants scheduled to be displaced under the \$8 million Freshwater Pond urban renewal project, for relocation at the corner of High and Enfield Streets.

Puhopek said the relocation plan is only an informal idea but added something more substantial would be presented at today's ERA meeting.

Under the plan, he said, displaced merchants would hire architects and completely finance the construction costs of a proposed retail and office building. The ERA would approve the design plans prior to construction of the center, to be designed for high intensity use.

He said the center could include open space and underground parking.

If constructed, the building would be located near the main business area of the renewal project.

Emmalou Wants Better Fuel Oil Distribution

Mrs. Emmalou Kirchmeier, Republican candidate for state senator from the 7th Senatorial District, attended a Republican Senators caucus Tuesday in the office of Senate Majority Leader Lewis Rome where several amendments were proposed to the bill which originally provided for the fuel adjustment charge.

Among the proposals heard by Mrs. Kirchmeier was one to take the cost of fuel out of the basic rate on electric bills. Another would demand environment protection agencies allow utility companies to use lower priced fuel which means it has higher sulphur content.

Another proposal involves defining fair and reasonable profit. Still another would be

to establish a new office of Consumer Council within the Public Utilities Commission, which would function with more power but as a separate entity to the PUC.

Mrs. Kirchmeier said most attending the Tuesday session oppose the proposed special session of the Legislature. She reported her opposition to the special session and that her own election committee had sent a letter to President Ford demanding better distribution of domestic fuel oil for New England utility companies. She said those companies in New England are paying \$13 a barrel for Arab oil when other utility companies away from the Northeast pay only \$8 per barrel.

Maggio On Nov. Ballot

Charles Maggio of Enfield, candidate for the 58th Assembly District seat of the Concerned Citizen Party, has been informed by the secretary of state's office that he could not place candidates which he "crossed endorsed" on the upcoming election ballot.

The candidate has sent a list of 17 Democrats, 10 Republicans, two George Wallace party candidates and an American party candidate to Gloria Schaffer, Secretary of the State, which he wanted to appear on the ballot marked "Concerned Citizen".

The secretary told Maggio that this was not possible because statutory authority

prohibits placing the names on the ballot in such a manner.

According to General Statutes, only the name of a candidate nominated by a major or minor party, unless a nominating petition for such candidate is approved by the secretary of the state, is allowed on the ballot. She also told him that his name was the only one on the petition approved by her office which was filed on his behalf under the party designation of Concerned Citizen.

Those "crossed endorsed" by Maggio are Ella Grasso for governor, Robert Killian for lieutenant governor, Cornelius O'Leary for the 60th state assembly district, Mrs. Schaffer for secretary of the state and Carl R. Ajello, Jr. for attorney general. All are Democrats.

Other Democrats named by Maggio are Patrick J. Hogan for sheriff, John Faissi for judge of probate, Frederick Gorman for registrar of voters and nine candidates for justice of the peace.

Republicans named are Patsy J. Piscopo for 6th Congressional district representative, Mrs. Emmalou Kirchmeier for the 7th Senatorial District, Rosario T. Vella as the 59th assembly district representative, Paul Batchelder as registrar of voters and six candidates for justice of the peace.

Steven Gombos and John W. Hoover of the George Wallace party were named treasurer and comptroller, respectively, and Norman L. Rochon was named American Party candidate for the U. S. Senate.

Aldene Olynciw, Edna Goodsell and Rep. Rosario Vella, leave his headquarters on Hazard Avenue for a house-to-house "get-to-know-you" campaign.

Vella To Attend Symposium

State Representative Rosario T. Vella, Enfield (R. 59th Dist.), chairman of the General Assembly's State and Urban Development Committee has announced that a symposium on economic development will be held in the Judiciary Room at the State Capitol this Friday, at 9 a.m., to which the public is invited.

Representative Vella stated that the commissioner and staff of the Department of Commerce, the staff of the Product Development Corporation, representatives from CBIA, and experts in the fields of economy, manufacturing, labor and representatives from major financial institutions have been invited.

The meeting will concern itself with the economy and especially the stimulation of the economy of Connecticut. The Enfield legislator said that he felt that through legislative encouragement the Connecticut Product

Development Corp. working with the legislature, business, industry, labor representatives and the general public could promote economic growth and curb rising unemployment by attracting firms to the state and encouraging those here to expand and remain.

Vella stated that this is the second in a series of symposiums planned for the purpose of discussing areas to be investigated by the State and Urban Development Committee in order to be ready with effective legislation for the 1975 session.

Vella announced the official opening of his campaign headquarters will be held this Sunday. He said he will be on hand to welcome constituents from 7 to 9 p.m. The headquarters will remain open daily from Oct. 14 through Nov. 5 from 10 a.m. to 9 p.m. daily.

Registration To Vote Sessions Are Listed

Persons wishing to be made electors (voters) may apply at the office of the Enfield Town Clerk in the Town Building, 820 Enfield Street, daily Monday through Friday during regular working hours from 9:00 to 5:00 through Friday, Oct. 11.

★ Senior

(Continued from Page 1) machine. Reservations secretary June Hamilton will be available personally on the phone each Tuesday morning beginning at 10 a.m. Identification Cards, required for participation, are available on the bus, from the Social Services office in the Town Hall, by mail, or from Transportation Association Officers, Rev. Richard T. Purchase is the president.

In addition the Enfield Board of Admissions will have special sessions at the Enfield Town Hall for the purpose of making electors (voters) on the following date:

Saturday, Oct. 12, 1974 from 9:00 a.m. to 8:00 p.m. in the Council Chamber.

Between Saturday, Oct. 12, 1974 and Monday, Nov. 4, 1974 till 11:00 a.m., only those persons whose eighteenth birthday is on or after Oct. 12, 1974 and on or before November 4, 1974 and also those whose rights of citizenship have matured during that period, may apply and be made electors (voters) daily at the Office of the Town Clerk.

Persons who move into Enfield between Oct. 12, 1974 and Nov. 5, 1974 may no longer apply for admission as an elector (voter) during this period.

Town Awarded \$1.1 Million For Green Manor Sewers

The U.S. Environmental Protection Agency has awarded the Town of Enfield, a \$1,133,228 grant for the construction of wastewater treatment facilities.

John A. S. McGlennon, Regional EPA Administrator, said the funds will be used for the construction of approximately 9,500 feet of trunk sewer, force main, and a 5.1 million gallons a day pump station. The project will serve the Hazardville and Green Manor areas which are presently served by septic tanks with subsurface leaching fields.

According to McGlennon, the poor conditions in the area have caused numerous septic tank failures, creating a serious public health hazard.

"The construction of these facilities, together with

proposed town - constructed lateral sewers, will help alleviate this problem," the EPA official explained.

The wastewater conveyed by the trunk sewer will be pumped to the Enfield secondary wastewater treatment plant before discharge to the Connecticut River.

Enfield has been under order by the Connecticut Department of Environmental Protection to eliminate the community pollution problem that exists in the Green Manor development area. This project is in compliance with the order.

The grant was presented to Town Manager C. Samuel Kissinger.

★ Ella Calls

(Continued from Page 1) totaled only 8,919.

"I realize," said Mrs. Grasso, "that the CHFA program is not the entire answer. Nevertheless, there are thousands of families in our state who would qualify under the income ceilings and go out and buy a home if that mortgage money were available. CHFA should act to make the needed loan money available."

Mrs. Grasso recently appeared at the Homebuilders Association of Hartford County where she proposed a two-point program to boost construction jobs, provide new homes and make vital mortgage money available again.

The first point was a call for emergency legislation to allow some of an estimated \$100 million in new income in the state pension funds to be placed in savings institutions earmarked for home mortgages.

Mrs. Grasso's second proposal, renewed today, was to ask CHFA to act immediately to float additional bonds to pump more money into the home mortgage industry. The proposal, she noted, could be carried out immediately, using existing CHFA bonding authority.

First On The Ice

George Shenas (center), owner of the Enfield Twin Rinks, breaks the ice for the first time with his six children. The first of the two rinks at 1 Prior Road is ready for operation and George took this opportunity to test the surface, supported by his tribe. Shown clockwise from left are Maria, 9; Robert, 14; Billy, 17; Andrea, 12; Gregory, 10; and holding up her father, Christina, 5.

★ GECC

(Continued from Page 1)

signals will be installed in the very near future to permit the proper flow of cards. The merchants are pushing for the installations prior to the heavy shopping season. In the event of a delay, alternate ways to cope with the situation were discussed at the meeting.

Executive Director, Marcel St. Sauveur, expressed the Chamber's satisfaction with the results of the meeting and applauded town officials for their cooperation with the business community in dealing with the situation. In attendance at the meeting besides Messrs. Fos and St. Sauveur were: Charles McKeen, manager of May Stores Shopping Centers, Frank Rosenfield, manager of Sage-Allen and Leo Poisson, ass't manager of Woolco's.

Clapp Named KFC Chairman Of 'Trick Or Treat' Campaign

Alan Clapp of 11 Windmill Road, Enfield, has been named Enfield Area Chairman of the 1974 Trick or Treat Candy Campaign to benefit the Kidney Foundation of Connecticut whose

office is at 964 Asylum Ave., Hartford. The campaign will continue for the month of October.

Clapp will coordinate the work of volunteers who will distribute and sell banks of

chocolate tootsie rolls which are sold for \$1.00 each bank. The funds raised go towards the Kidney's Foundation's programs of research, patient and community service, and professional and public education. The Kidney Foundation of Connecticut is an affiliate of the National Kidney Foundation which is the only organization devoted solely to the prevention, treatment and cure of kidney disease.

There are 400 to 800 Connecticut citizens who became afflicted with some form of kidney disease each year. For those suffering from end stage renal disease, there are dialysis treatment centers in the area at Hartford and St. Francis Hospitals. The transplantation center for Hartford is at Hartford Hospital.

Those interested in buying candy or obtaining more information on the candy campaign may contact Clapp at 745-5257.

Zdebski Supports No State Income Tax

In a speech to his campaigners, John Henry Zdebski said his main issues in this campaign are lower utility and oil rates, better representation, and no income tax.

Zdebski is opposing incumbent John Morrison in the 58th District.

On utility rates and oil costs, Zdebski said he is not against companies making legitimate profits. He is against these companies not taking legitimate losses the way other businesses have to. At no time does Zdebski favor compromising profit loss at customer expense. He noted that fuel and utilities are necessities, not luxuries and that places heavy responsibility on the companies to protect consumers. He does not favor oil companies using profits in time of stress to widen their interests by buying stock in non-petroleum interests, as has been reported by Associated Press. "They are expanding with the blood of the customer paid over the sacrificial altar of the business counter," said Zdebski.

Zdebski favors stronger state control of utilities if the companies cannot exercise self-control with their public trust.

On representation, Zdebski noted that Morrison has spoken to no one except active Democrats who know the name of their representative in the 58th District. More people think Vella is their representative, yet he is from the 59th District. To Zdebski this indicates that the silent suffering majority are being represented by a silent state congressman. "Morrison's silence costs us money," said Zdebski.

On income tax, Zdebski noted that the state has to take the same approach to the huge deficit inherited

JOHN H. ZDEBSKI

from the Democrats that the housewife takes with her bills, careful spending. In doing this, the Income Tax is not necessary, and he believes the General Assembly has proven that and has worked commendably to avoid it even against the likes of Morrison who helped defeat, that's right defeat, the only bill that would have insured we would never have an Income Tax.

All workers and new volunteers in the campaign of Zdebski will meet for the opening of his new headquarters at 308 Enfield St. The reception begins at 8 p.m. and open house will be conducted until 11 p.m. this Friday.

Everyone in the 58th Legislative District who thinks he would like to work for Zdebski is invited. John Henry will answer all questions put to him on his stand on the issues and explain his campaign platform to everyone who has questions.

Periodic meetings of this type to find out what the people of the 58th are thinking and want is in the plans of Zdebski after he is elected.

Kosciuszko Banquet Is Saturday

The Kosciuszko annual banquet, sponsored by the United Polish American Organization of Enfield, will be held this Saturday at the Polish National Home on Church Street.

A roast beef dinner, catered by Bill Patson of Somers will be served at 7 p.m., followed by dancing to Ray Henry's Polka Band of Windsor.

Tickets are \$15 a couple, \$8 for a single and can be obtained at the PNH or from committee members, Chairman Adam Pierz at 745-5764, John Prajzner at 745-0705 or Stanley Wezowicz at 745-8314.

WHEAT SALE

On Oct. 9, 1963, President Kennedy approved the sale of \$250 million worth of wheat to the Soviet Union on condition it be used only inside Russia and Eastern Europe.

Winners

Mario Gentile, principal of Enrico Fermi High School, announced the winners of a recently-held magazine drive, sponsored by the senior class to raise funds for class activities. From left are, John Schulthess,

1st place; Lois Garten, 2nd place and Scott Fowler, 3rd place. The magazines were sold in the community by those participating in the drive which netted \$6,100 for 200 subscriptions.

Pugmiglia Given From 8 To 18 Years For Manslaughter

By ERNEST A. MOKUS
Guy Pugmiglia, former Enfield policeman and narcotics undercover agent, was sentenced to a prison term of from eight to 18 years last Friday by Superior Court Judge Joseph Dannehy.

The sentence was imposed after Pugmiglia pleaded guilty to manslaughter in the shotgun slaying of his ex-wife, Bernadette, 28, in her home at 6 Hoover Lane last May 2. The sentence was imposed one month after Pugmiglia pleaded guilty to the first-degree manslaughter charge. He had originally been charged with murder. The maximum sentence for first-degree manslaughter is 10 to 20 years.

Prior to sentencing, Judge Dannehy rejected an appeal for mercy, telling Pugmiglia, who was represented by Chief Public Defender James D. Cosgrove, "you sought release from your responsibilities in anger — anger that turned to hate and finally to the ultimate crime."

The slain woman was found by the two children, ages 6 and 8, of the estranged couple, slumped over a studio couch in the living room when they returned home from school the afternoon of May 2.

One of the boys ran to a next door neighbor's home to tell of the discovery. Police were then called. Dr. Howard B. Gourlie, Enfield medical examiner, pronounced Mrs. Pugmiglia dead at the scene. He fixed the time of death at about 11 a.m.

A single 12-gauge shotgun shell was found on the living room floor.

Police immediately began a search for the woman's former husband who had been harassing her lately. He was found early that evening, apparently sleeping in his car in Powder Hollow by members of the Enfield Police Dept. and CIRCA.

When attempting to flee in his car as police approached on foot, a tire was shot out, thwarting the attempt. A shotgun was found lying on the rear seat of the car, which police said was the death weapon.

At the time of the tragedy, Police Chief Walter J. Skower said Pugmiglia, 32, had joined the local police force in 1967 as a patrolman. In 1970, the patrolman was one of two members of the Enfield Police Dept. loaned to the Regional Narcotics Squad from Hartford as undercover agents.

He worked with the squad 15 months and was then reassigned as a regular

patrolman, resigning from the force in 1972.

Chief Skower, said Pugmiglia, as a patrolman, talked only of drugs and the arrests he had made.

On the day of her death, Mrs. Pugmiglia called police at about 6 a.m. to complain that her former husband had come to the home to use the bathroom but stayed parked in his car in the driveway. However, by the time police arrived, Pugmiglia had driven away and Mrs. Pugmiglia said she did not care to issue a complaint.

Apparently Pugmiglia returned to the house at about 11 a.m. at which time he shot her. Death was caused by a massive head and face wound, death being instantaneous, according to Dr. Gourlie.

The couple was married in 1963 in St. Adalbert's Church and divorced in 1972.

Atty. Cosgrove told the court Pugmiglia's life is now filled with remorse and a desire to redeem his actions by helping his two children.

Cosgrove said he will take the sentence to the Superior Court's Sentence Review Board. The board has the authority to reduce it, increase it or let it stand.

The sentence was imposed without any recommendation by the state.

Fire Department Demonstration

All Enfield fire departments participated in a public free prevention demonstration last Sunday at the fire training grounds on Weymouth Road. The program, attended by a large multitude of townspeople, included rescues, aerial work, building search, propane fires, pump and hose work,

ground ladders and equipment displays. In the left photo, members of the North Thompsonville Fire Dept. rescue team demonstrates the use of the "Jaws of Life", a device for extricating accident victims trapped in cars. In the center photo, members of the Shaker Pines Fire Dept. demonstrate

the proper manner to extinguish propane gas fires. The right photo shows a ladder demonstration by members of the Hazardville Fire Dept., using their truck motorized extension ladder. The program was sponsored by the Enfield Fire Chief's Association. (Photos by John Zirolli)

Plan Charity Ball

Final details are worked out by Enfield Unico Committee for the 2nd Annual Ball, Oct. 19 at Chez Josef, Agawam, for the benefit of Enfield Association of Mentally Retarded Children. Members are: from left,

Joe DiMaso, Tony Barbieri, Al Falbo, Tony Toce, chairman, and Sal Camerota. Absent were Tom Ragno, Caesar DeCaro, and Jim Alaimo, Jr.

Eliminating The Hidden Cost

By DR. DAN McLAUGHLIN
President, Assnuntuck Community College

This column is a continuation of last week's column and it lists the specific recommendations of the Connecticut General Assembly's Program Review Committee's Report on Connecticut community colleges. The purpose of presenting these recommendations to you is to keep you informed and also let you know that members of the General Assembly and community colleges are attempting to eliminate procedures and problems that cost hidden dollars to state taxpayers. If you missed last week's column and would like the full list of recommendations, please call met at 745-1603.

13. The General Assembly should pass legislation clearly defining the community service mission of the community college.

14. The Board of Trustees should issue such guidelines and regulations concerning community services as are necessary to ensure that this mission is fulfilled.

15. The individual college administrators should be responsible for assessing community needs and designing programs to meet these needs.

15a. These decisions should be made with the input of all appropriate advisory groups and community leaders.

16. The General Assembly should alter the method of funding community colleges to provide for designated appropriations for the following seven broad categories:

1. Library and learning resource centers; 2. Plant maintenance and operations; 3. Student services; 4. Administration and general expenses; 5. Community services; 6. Guidance, and 7. Remediation.

16a. Enrollment figures should be used only as a basis for funding instructional costs.

16b. Occupational programs should be funded at a higher level than college transfer and general programs. These levels should realistically reflect cost differentials, taking into account such factors as class size and equipment costs.

16c. A third level of funding could be utilized for

supporting health services occupational programs if necessary.

17. The Board of Trustees should establish and mandate criteria for the minimum level of counseling needed at each institution. These criteria should be based on the collections of meaningful information from other states and appropriate sources.

18. All high school seniors in the state should be given a standardized reading examination, administered by the state.

Students who achieve at least an eighth grade reading level should be awarded a certificate so stating.

Such a certificate should be required for admission to any community college, in addition to the high school diploma presently required.

18a. Each entering student, full-time or part-time, should be tested for reading ability. Those not obtaining at least a tenth grade reading level should be required to take remedial courses to bring them up to

that level.

19. Each community college should develop a health service program which provides for (1) Immediate availability of a registered nurse, and (2) Availability of a physician on call for medical emergencies.

20. The Board of Trustees should ensure that adequate funding, personnel, physical facilities, and equipment are available to meet this need.

21. Programs which would enable a wide range of people, including students with young children to enroll in colleges should be developed and implemented at each college.

22. The Board of Trustees should ensure that all community college facilities are adequate for the colleges' needs and are safe for occupancy. Special attention should be paid to improving facilities at those schools which are housed in inferior facilities in an effort to equalize the quality and safety of all community college facilities.

Commend OLA Senior

Mary Uricchio, the daughter of Mr. and Mrs. Pat Uricchio of Enfield, a senior at Our Lady of the Angels Academy, has been named a Merit Program Commended student by the National Merit Scholarship Corporation, according to Sister Dulcine Bartosiak, principal.

Mary is among the 38,000 Commended students named on the basis of their high performance on the 1973 Preliminary Scholastic Aptitude Test-National Merit Scholarship Qualifying Test (PSAT-NMSQT). Commended

students are in the upper 2 percent of those who are expected to graduate from high school in 1975.

Edward C. Smith, president of NMSC, said: "The high standing of Commended students in the Merit program shows their great promise, and their attainment in this nationwide program deserves public recognition. The Commended students should be encouraged to continue their education. Both these students and our nation will benefit from their further educational and personal development."

Phy. Ed. At St. Martha's

The Physical Education program at St. Martha's School reopened this week. This is a program staffed by volunteer mothers who devote half an hour a week throughout the school year to help the children develop their bodies.

In the Kindergarten and Primary grades the main goal is to increase the perceptual motor skills by training in balance, posture, body and spatial awareness as well as muscular strength. In developing these specific skills, many times the child is helped in his

academic skills as well.

The children in grades four through eight on the President's Program for Physical Fitness developed by the President's Council on Fitness and Sports. The program consists of seven tests designed to measure fitness and the exercises used to build up the students in the areas that are needed.

The program culminates in June with a Fund Day for the Primary children and Field Day for the older ones, during which the classes compete with each other in track and field events.

DALE REHMER

Dale Jason Rehmer, 4 year old son of Mr. and Mrs. Dennis Rehmer of 4 Madison Rd., Enfield, died Oct. 5 in St. Francis Hosp., Hartford. He was born Feb. 8, 1970, in Hartford.

Besides his parents, he leaves his paternal grandmother, Mrs. Helen Regmer of Manchester and maternal grandmother, Mrs. Josephine Clark of Enfield, a sister, Elizabeth A. and two brothers, Dennis J. and Douglas G., all at home.

A graveside funeral was held Oct. 7 at St. Patrick's King St. Cemetery. Leete Funeral Home was in charge.

ROSA SEVARINO

Rosa (Aglia) Sevarino of 64 Tariff St., Enfield, died Oct. 5 in Springfield Hospital Medical Center.

She was born Aug. 10, 1890 in Naro, Italy, the daughter of Joseph and Monica (Bruno) Agliata, both deceased. She was married to the late Frank Sevarino.

A member of St. Patrick's Church, she is survived by five sisters, Mrs. Catherine Puglisi of Hartford, Mrs. Monica Onofrio of East Hartford, Mrs. Rose Desmarais of Three Rivers, Mass., Mrs. Lucy Desmarais of Desmarais of Three Rivers, Mass., and Mrs. Sadie Arel of Enfield; sons, Charles, Nicholas and Anthony, all of Enfield, Joseph Sevarino of Holyoke, Mass., Frank Sevarino of Daytona Beach, Fla., and Paul Sevarino of West Hartford.

Also surviving her are three sisters, Mrs. Lillian Scalia of Enfield, Mrs. Catherin Roberto of Easton, Pa., and Mrs. Sadie Dispenseri of Naro, Italy; a

OBITUARIES

brother, Joseph Agliata of Naro, Italy, 33 grandchildren and 25 great-grandchildren.

The funeral was held Oct. 8 in St. Patrick's Church with burial in Thompsonville Cemetery.

Leete Funeral Home was in charge.

MRS. BERTHA GUTKOWSKI

Mrs. Bertha (Wroblewski) Gutkowski, 82, of 55 Booth Rd., Enfield died Oct. 8 in her home.

She was a retired employe of the Bigelow - Sanford Co.

She leaves four sons, Benjamin A. Gutkowski of Burlington, Vt., Walter J. Gutkowski of Springfield, Charles A. Good of Enfield and Edward F. Good of Stafford, 10 grandchildren and eight great-grandchildren.

Services were held Oct. 9 at Leete Funeral Home with a liturgy of Christian burial at St. Adalbert's Church. Burial was in St. Adalbert's cemetery.

MRS. LEON A. MAROIS

Mrs. Ida (Bovin) Marois, 72, of 566 South St. Suffield, native of Green Bay, Wis., resident of Suffield 50 years and widow of Leon A. Marois, died Oct. 4 in Medical Center of Western Massachusetts, Springfield.

She was a communicant of Sacred Heart Church.

She leaves a son, Bernard A. of Windsor Locks; four daughters, Mrs. Florence Boucher of Hebron, Mrs. Doris Laflin of Suffield, Mrs. Irene Gagne of Enfield and Mrs. Lucille LaFountain of Phoenix; two sisters, 12 grandchildren and 19 great-grandchildren.

The funeral was Oct. 7 in

the church with burial in St. Joseph's Cemetery. Nicholson Funeral Home was in charge.

MRS. MARTIN J. BARRETT

Mrs. Anna (Boucher) Barrett, 78, of 43 New King St., Enfield native of Bellows Falls, Vt., former 15-year Springfield resident and widow of Martin J. Barrett, died Oct. 4 in St. Francis Hospital, Hartford.

She moved from Vermont to Springfield in 1942 and later lived three years in Windsor Locks and 14 years in Enfield where she was a communicant of St. Patrick's Church.

She leaves two sons, Robert E. of Enfield and Albert E. of Windsor Locks; two brothers, a sister, four grandchildren and a great-grandchild.

The funeral was Oct. 7 at Fenton and Hennessy Funeral Home, Bellows Falls, and in St. Charles Church, Bellows Falls, with burial in the parish cemetery. Leete Funeral Home was in charge.

MRS. JOHN F. CONLIN

Mrs. Agnes D. (Bourgeois) Conlin, 75, of Battle Street, Somers died Oct. 5 in Johnson Memorial Hospital, Stafford Springs.

Born in Lynn, Mass., Sept. 4, 1899, she lived in Somers 57 years and was a member of All Saints Church.

The widow of John F. Conlin, she leaves two daughters, Mrs. Percy Malone of Somers and Mrs. Alfred Cormier of Stafford, 11 grandchildren and 12 great-grandchildren.

The funeral was Oct. 8 at Somers Funeral Home with services in All Saints Church. Burial in St. Bernard's Cemetery, Enfield.

The Information Gap

The public lacks sound knowledge about too many things . . . and funeral service is no exception.

We think the public's current demand for information is good . . . and we hope you'll feel free to ask us anything you want to know.

Newspaper Week

This is Newspaper Week, and it should come as no surprise that a newspaperman is going to talk about news and newspapers. After all, we have participated in the promotion of a lot of other "weeks" during the year, and the opportunity to have our own "week" is too good to pass up.

Perhaps we should begin with a few definitions. This was customary, if memory serves right, in school debating and led to better understanding. But defining "news" isn't easy. Like beauty, even "news" can be in the eyes of the beholder.

At hand is a copy of the American Heritage Dictionary. News, it says, is plural in form, used with a singular verb. In that respect, it's like politics. The dictionary goes on:

"Recent events and happenings, especially those that are unusual or notable. . . Information about recent events of general interest, especially as reported by newspapers, periodicals, radio, or television. . . new information about anything previously unknown. . ."

Charles Dana, of the New York Sun, back in the past century, wrote that "When a dog bites a man that is not news, but when a man bites a dog, that is news."

What he was saying, of course, is that news, to be news, has to be unusual, at least a departure from the routine. Thousands of citizens go to work and come home again over our busy streets and freeways, without mishap. Only the unfortunate few who get cracked up or smashed up get the attention of the media. Hundreds of planes take off and land at our nation's airports every day. The headlines go to the one that crashes — or, in these days, get hijacked.

We are all aware from recent memory how a minority handful of students holds the capability of disrupting the educational process of throwing it into violent chaos. When the kids are quiet, as happily they have been of late, no reporters or TV cameras rush to the campus.

It used to be that when we said "press", we meant newspapers. Technology brought radio and television into the act, and now reference is generally to "the media", plural in number. As old timers in our profession remember, the advent of radio brought dire warnings that the newspapers had had their day, that the swiftness of radio doomed the horse-and-buggy delivery of newspapers. Newspapers kept getting bigger. When television emerged from its evolutionary stages, the voices of doom said that no longer would people want to read about an event that they could watch on a screen. Newspapers continued to grow, and improve, and reach more readers than ever before in history.

Why? Conceded, radio and television have dominated the field by their immediacy; newspapers rarely hawk "Extras" on the corner these days. Television and radio can provide news highlights and bulletins, and some commentary on national and world news. This usually whets the appetite for more information or background.

Walter Cronkite, of CBS, once alluded to the shortcomings of the electronic media.

"We in radio and television cannot do the job because of a built-in limitation", he said. "No matter how hard we try, no matter how great our devotion to the job, no matter how great the devotion of owners of radio and television stations and networks, the fact of the matter is that it is simply impossible by the spoken word or the electronic tube to communicate all the information that any given individual citizen or community needs."

"For instance, in a half-hour news program, if we read straight through and have very little illustrative material, we could barely cover the front page of the New York Times."

But where the press — the newspaper — has its greatest advantage is in the coverage of local news. That goes for any size paper, from country weekly to suburban daily to big city newspaper. The term "community newspaper" usually is reserved for the hometown paper, daily or weekly, but its application should be as broad as the entire spectrum of our profession. For it means paying attention to all that goes on in its service, or circulation area. It means being thorough and fair, it means being aggressive and responsible; it means being critical, and it means being commendatory. Radio, television, and even magazines can't provide much competition for a newspaper which does its job in its own backyard — even if the backyard is big enough to be claimed by the Los Angeles Times, or the Chicago Tribune, or the Baltimore Sun.

Of course, the newspaper must know its field — which

LETTERS TO THE EDITOR

Helpful

To The Editor:

Please print this letter in your newspaper as I am grateful to two local residents, James Moroni and Charles White, for their kind help when I became stranded after my car broke down on I-91 North on Sept. 22.

The kind assistance that they offered has been much appreciated by me and my family.

It is a comfort to know that there remains kind, good people who are still willing to help in our society.

Maureen Cianci
29 Bluff Ave.,
Clinton

Hey, Mark!

To The Editor:

An open letter to Enfield area parents:

An adult male voice saying, "Mark, come to supper" was heard in the background of one of our many nuisance calls. This was at 6:25 p.m. Monday, Sept. 30.

If you son is named Mark, would you please check into his phone activities?

Name Withheld
Enfield

Holiday Notice

Due to the holiday next Monday, 1974, rubbish collection will be delayed by one day with tomorrow's collection being conducted on Saturday.

The sanitary landfill will also be closed on Monday; however, the landfill will be open Saturday and Sunday.

The landfill will return to its normal schedule the following week.

This schedule is as follows:

Monday through Saturday from 8 a.m. to 4 p.m. and Sunday from 1 to 5 p.m.

means its editors, and its reporters, must know it. It's their ground; that's the place to meet the competition.

More than four hundred years ago, William Shakespeare wrote:

"Though it be honest, it is never good to bring bad news."

Shakespeare knew whereof he spoke. Today's newspapers are having problems, some of them related to the melancholy fact that not all the news is good.

If we print a story about crime, or corruption, or narcotics, or squalor in the town, it sometimes seems as if we're charged with committing the offense, rather than putting it into the record.

Our motives are questioned no matter how we handle probes into high places, especially government. Watergate provided us with plenty of scars. Admittedly, there may have been some within our profession who overstepped the bounds of good judgment; but also, true to Shakespeare's word, the bearer of the bad news often takes the beating.

The press' role of watchdog, of investigative guardian, has been challenged often in recent years, and a number of reporters and editors have spent time in jail because they refused to name sources or implicate others. There has been a more serious threat of censorship — some kind of censorship — than has been apparent in our memory.

Let me quote the entire text of the First Amendment to the Constitution to sustain our claims to a free press:

"Congress shall make no law respecting an establishment of religion, or prohibiting the free exercise thereof; or abridging the freedom of speech or of the press; or the right of the people peaceably to assemble and to petition the government for a redress of grievances."

Only 45 words — but pretty important words. They state our cause of being, and bespeak our responsibility. They represent a "shield law" that has protected the press since the Founding Fathers put the Constitution down on paper.

Copley News Service

Old Town Hall Part Of 1976 Bicentennial

In 1972 a restoration committee was formed to restore the Old Town Hall. Serving on that committee are Robert L. Tanguay, Anthony Secondo, Henry Turbak, James Sherman, Tom Hines, William Budlong, and Robert J. Tanguay.

In two short years these hard working men have accomplished a fantastic feat. The Old Town Hall was a condemned building. The

old foundation was removed and a full basement is now under the building. Since the water table is so high, much reinforcement was needed in the basement walls. The original bricks have been reinstated for strength and also to retain some of its original beauty.

It is hoped that the building can be turned into a museum upon completion. Provisions for lowering sleighs, wagons, and other large museum pieces into the basement have been made.

A new roof, foundation, and floors make this building ready for interior decoration. But this is also a great undertaking. Inside

new plumbing, electricity, heat and fire protection are just a few items needed. Landscaping will be needed later to enhance the beauty of the Old Town Hall.

This is not a small undertaking. \$60,000 has been spent to do the restoration. Another \$65,000 is needed to complete this endeavor.

Since it was at the Old Town Hall that the men of Enfield rallied to march off to the Revolutionary War in 1775, the committee is hoping that the people of Enfield will "rally for the meeting house" again and help to raise the additional \$65,000 needed to complete this project.

Enfield JC's Plan Events

The Enfield Jaycees in conjunction with the Enfield Association of Retarded Children have a number of programs planned for the retarded of all ages from the community for the months of October, November and December. The first event, a two hour recreation session, will be held this Saturday between 10 and 12 a.m. at the Hazardville Memorial School on North Maple St.

The planned program for the remaining months of 1974 is as follows:

Oct. 26, Field trip to the Suffield Game Farm.

Nov. 9, Bowling outing.

Nov. 23, Saturday recreation program to be held at the Hazardville Memorial School, 10 to 12 a.m.

Dec. 11, Christmas Party to be held at the Enfield Group Home on Route 5.

In December a further program is planned whereby the Jaycees will take residents of the Enfield Group Home Christmas shopping on a one to one basis.

Many more programs will be pursued commencing in January 1975 to include recreation, field trips and other special activities. In June 1975 the Jaycees will again take a group of persons from Enfield to take part in the Connecticut State Special Olympics.

For further information about any of these programs, contact Robert Thompson of the Enfield Jaycees at 745-6819.

Open Classroom Adds Essentials

Parents and Teachers for Open Education in Enfield have researched and compiled information defining and emphasizing the "need for an Open School."

The needs are quite specific:

To provide Democratic Education with choices for children, teachers and parents; involvement in decision-making;

To structure the extent body of knowledge to fit the particular learning needs of the child; utilization of developmental rather than lock-step model of curriculum;

To facilitate actualization of the total child; consideration of affective, cognitive and psychomotor domains;

To provide Adult Education in child and curriculum development;

To provide a Teacher Education facility;

To attend to problems indigenous to Enfield.

The general criteria is basic to all classrooms which promote the growth of each individual towards realizing his potential.

The teacher is moving towards or has achieved a degree of self-understanding and acceptance of his own self-worth;

The teacher's attitude and interactions convey the recognition and acceptance of the intrinsic value of each individual.

There is a feeling of mutual trust and respect between teacher and students.

The teacher's goals and guiding philosophy of education are based on a conception of human needs which includes: the need for love, acceptance, and belonging; the need for competence and for interaction effectively and creatively with one's environment; the need for feelings of self-esteem and a sense of identity, and the need for a sense of responsibility and purposefulness.

The teacher's goals and philosophy are also based on a conception of learning which: emphasizes the importance of the learner's active involvement in exploring and experiencing those parts of the real world that touch on his needs for growth; takes into account the wide range of individual differences in levels and styles of learning; and builds on the sequence of skills and concepts which underpin the structure of knowledge.

The atmosphere of the open classroom is permeated with an openness, an awareness, and a respect towards: the whole range of individual differences; the integration and interaction of the cognitive and affective domains of human functioning; the recognition of feelings; divergent ideas; and errors and ambiguity.

The teacher is a facilitator, a catalyst who is: a resource person rather than an authority figure, helping individuals find ways of answering their questions and asking questions which stimulate the student's interest and pursuit of competence; a provisioner of the educational environment,

providing a wide variety of learning activities and materials from which the students may choose and which may be used in divergent as well as convergent directions; an emphatic guide encouraging variations in the learner's behavior and between learners reflective of an awareness of and responsiveness to the learner's frame of reference; and an active experimenter and perennial learner in his own right.

With the teacher's guidance, opportunities are provided for students to assume responsibility and draw on their own resources for initiating, choosing, directing, and evaluating their own learning.

Learning occurs because it is personally meaningful to the individual rather than because it is dictated by some outside authority.

If learning topics are interdisciplinary and integrated and if the learning environment is rich and varied, there is a minimal amount of scheduling and a flexibility in the day. There is an openness in the spatial arrangement of the learning environment, allowing freedom of movement from one learning area to another as well as beyond the classroom.

INNOVATIVE

The following statements represent beliefs of parents and teachers about the nature of education. These statements, when taken together, represent many of the reasons why a significant number of parents and teachers in Enfield desire the establishment of an innovative "open school."

Education as a process should be primarily concerned about the child rather than the knowledge to be learned. The emphasis in school should be on learning rather than teaching.

The child, with the help of parents and teachers, should be the major decision-maker on questions concerning his own learning experiences and should become aware of the need for accepting the responsibility for his own learning.

Schools should attempt to

enhance the self concept of all students by relating to the particular needs of the individual student as a thinking-feeling individual.

Schools should be an environment where children and adults can respect each other as individual human beings with important rights, responsibilities, and potentials rather than stressing ideas of conformity and submission to authority.

The needs of our rapidly changing contemporary society demand that the educational process encourage the development of problem solving processes rather than the memorization of facts and the acceptance of authority as the central aim of schooling.

Self discipline arising out of relationships with others should be encouraged rather than imposing discipline from positions of authority.

Learning should come primarily through sense experiments and activities rather than memorization and drill.

The way in which teachers teach contributes to what is learned. It creates, to a great extent, the environment to which the child responds in school and therefore profoundly affects the nature of learning.

Teachers should be guides and facilitators in learning rather than the transmitters of knowledge and directors of students.

Educational activities should be based on the idea of co-operation and mutual benefit rather than competition and dominance over others.

Grouping of children for educational activities should be based upon the needs of the activity rather than upon the age of the children as the major criteria.

Evaluation should stress a particular child's needs and development rather than his achievement as compared to other children.

Authoritarian schools do not educate people to live in a democratic society.

The process is the product.

The Open Classroom can work when properly implemented.

High Schools Join UN Day

Representatives from more than 40 Greater Hartford area high schools will participate in a model United Nations Session to be held in Hartford Oct. 24 as the state's observance of United Nations Day.

The session, to be held at the hall of the house of representatives in the Capitol, will be an all-day event with students from area schools representing U.N. member countries, according to Ruben Figueroa, state events chairman and deputy commissioner of the Consumer Protection Department.

"The Law of the Sea" will be the theme of the day's program which will be opened by Figueroa. Speakers listed for the day include: Lt. Governor Peter

Cashman, Cong. Robert Steele, a member of the House Foreign Affairs Committee, and Michael H. Geoghegan, area officer for the U.N. regiona bureau for Europe, the Mediterranean and Middle East.

Each school to participate in the event will have an advisor and up to five student representatives, three as delegates and two as observers. They will draw up resolutions to be presented before the "member nations" and are expected to participate in debates concerning the sea's resources, world population and food resources.

More than 50 Connecticut communities have indicated some degree of participation in the observance of United Nations Day, Figueroa said.

Enfield School News

Tuition Costs Waived

During the last legislative session, a bill was passed which waived all tuition costs for people over 62. In addition, the Regional Board of Trustees headed by Roger Bagley of Manchester and Dr. Searle Charles, the executive officer have waived all of the fees for people over 62. With that in mind, 16 people from the North Central Connecticut area have taken advantage of this program and registered for regular courses at Asnuntuck Community College. Other people over 62 are expected to join these 16 people's ranks for both the winter and spring semesters.

Credit courses are not the only ones that senior citizens of the North Central Connecticut area are turning up for on the Asnuntuck Community College new campus. Preretirement, wine tasting, and a multitude of other things including free academy

award films are attracting a greater number of people over 62 (and even younger) to the Asnuntuck Community College campus.

In addition, the college has sponsored with other agencies the Senior Citizens Think Tank of the North Central Connecticut area. Another meeting of this group will take place on October 11 when they will consider a food cooperative buying program. In addition, the college and other groups of the area hope to sponsor a Halloween party for senior citizens in the very near future. Senior citizens are turning to school and enjoying the benefits of the last legislative session when it was determined that the educational dollar needs to be spent not only on the young, but also the other people of North Central Connecticut area.

For further information on any of these programs, call 745-1603.

PTA Pot Luck

The Enfield St. School PTA will open it's 1974-75 season with a Pot Luck supper tonight at 6:30 p.m. in the school auditorium. The first meeting of the year will be presided over by the new President, George Perry, sixth grade teacher.

All teachers will be introduced by the Principal, Carmen Scavotto. This meeting will also open the start of the 20th Anniversary Year for the school in it's present building and many interesting events are being planned in conjunction with this milestone.

Other officers of the PTA include Shirley Abbott, vice-president; Elaine Levesque, secretary; Beverly Morton, treasurer; Myrna Gambino and Carol Menard, ways and means; Ann Tangeman and Constance Lenox, membership; Suzanne Caouette,

publicity; Jeanne Mullen, library; Carol Hughes, hospitality.

Assists In "Corner Design"

STORRS — A University of Connecticut student from Hartford County was selected as a participant in the annual Horticulture Show at the University of Connecticut.

Louise H. Grabon, 9 Pierce St., Enfield is an assistant for the Floriculture — "Corner Design" display. The show was held Saturday and Sunday, in the indoor arena of the Ratcliffe Hicks building on campus.

The theme of this year's show was "Learning More in '74". It will offer visitors displays, demonstrations, and cultural information on many phases of horticulture.

Kosciuszko Teachers Attend Workshops And Field Trips

The day began early for Kosciuszko Home Economics teachers on August 13 as they left East Hartford by bus for the ride to metropolitan New York. Mrs. Sherwin, Mrs. Slomski, Miss Jordan and Mrs. Keaffer along with 41 other Connecticut Home Economics educators, toured first the Butterick-Vogue Pattern Company, where they viewed first hand the modern pattern industry from design to pattern. After lunch in the shadow of the New York Hilton they continued to the J.C. Penny Building and its 20 plus floors of merchandising and research. Their last stop was Burlington Mill's unique display of factory production from fiber to finished goods.

The entire Kosciuszko Home Economics staff participated in this professional growth field trip arranged by the Connecticut Department of Education. The cost of the trip was absorbed personally by each teacher.

Miss Elaine Davis and Mrs. Constance Boyajian, art teachers at Kosciuszko recently attended a Metro-Media workshop on film making. The workshop was held at CREC offices in Windsor, Conn. Representatives of CREC offered a fun-filled program of various techniques employed in making films without a camera.

Open House At JFK Wednesday

The John F. Kennedy Junior High School will hold an open house from 7-9:15 p.m. Wednesday, Oct. 16. Any parent interested in talking to any teacher, guidance counselors, or administrators should contact the school to make an appointment.

Please contact the house your child is in. Blue House, 749-9983, Red House, 749-9127, White House, 749-9673.

Freshman At The Elms

Miss Rayelle Sheffer, daughter of Mr. Raymond Sheffer of 19 Debbie La., Enfield, is enrolled as a member of the freshman class at the College of Our Lady of the Elms in Chicopee, Massachusetts.

Miss Sheffer was a 1974 graduate of Enrico Fermi High School where she received an award in Family Living for demonstrating outstanding achievement in class. Her student activities included teaching Special Education students on the high school level and working with exceptionally bright children on the elementary school level.

RAYELLE SHEFFER

Awarded Scholarship

Robert S. Kobielski of Enfield, has been named a recipient of the Bell and Howell - Baumfolder Scholarship for the 1974-75 academic year. The scholarship may be renewed for a four year period.

Mr. Kobielski was chosen for the award from over 700 applicants on the basis of his college board scores, academic achievement, industry and high school recommendations, and interest in pursuing a career in the graphic communications industries.

A graduate of Enrico Fermi High School, Enfield, Conn., Mr. Kobielski is attending Rochester Institute of Technology, Rochester, N.Y. He is the son of Mr. and Mrs. Edward M. Kobielski of Enfield.

ROBERT KOBIELSKI

LIBRARY CLOSES
The Enfield Central Library and it's branches will be closed Monday, in observance of Columbus Day.

Feeling No Pain

This willing student at Henry Barnard School in Enfield is in no pain as he submits to "treatment" at the hands of Enfield Police Officer Herb Foy who is demonstrating the cardio alert machine to fifth graders. Assisting is Officer Norman Reed.

The cardio alert team is credited with saving many lives, especially heart attack victims, who receive treatment enroute to the hospital. Two way radio communication is maintained between the hospital and the cruiser while patient is enroute.

3 Doctors Add Office In Enfield

Three additional medical offices were opened in Enfield recently.

Dr. Donald A. Rotenberg, M.D., a specialist in internal medicine and diseases of the kidney; Dr. Stanley W. Edelstein, M.D., specialist in obstetrics, gynecology and

problems of fertility and Dr. Jay E. Selcow, M.D., a specialist in pediatric and adolescent allergy have opened Suite 105 in the Professional Center at Elm Plaza.

All three of the physicians have offices in Hartford.

Local hours are by appointment only.

Criminal Justice Digest To Officers

Copies of a recently prepared Legislative Digest affecting the Criminal Justice System will soon be distributed to local police departments, social service agencies and other local counseling and rehabilitative programs.

The Digest, prepared by the Criminal Justice Coordinating Committee, CJCC, of Circuit Court 13 was first made available to police department heads and social service directors at last week's CJCC meeting in Windsor.

"The booklets are prepared in cooperation with the office of Legislative Research of the General Assembly," according to Ellen Coady, CJCC Director.

"The booklet is intended as a convenient reference source for the main features of an act," Ms. Coady said, "Information affecting a particular subject such as criminal justice, health and safety matters are summarized."

Distribution of the booklets is expected by the end of next week, she said.

The state funded Coordinating Committee is a Criminal Justice Program

working to identify problems and recommend system improvements in the 13th Circuit Court Criminal Justice System.

Towns within the jurisdiction of the 13th Circuit Court include: Enfield, and Suffield.

Counterfeit \$100 Bills Circulating

The Greater Enfield Chamber of Commerce issued a warning to its members concerning the appearance of counterfeit \$100 bills in the area. The Chamber learned that these counterfeit bills were being circulated by a man, woman and child in Vernon.

LASCA

The Chamber maintains a lost and stolen check alert (LASCA) which advises its members immediately of lost and stolen checks and/or counterfeit money add

works in close cooperation with the Police Department. The system has been in operation for about two and a half years, and according to Executive Director, Marcel St. Sauveur, it has been a very effective tool in preventing local merchants from absorbing losses because of lost and stolen checks. The Chamber's LASCA program proved so successful that neighboring towns such as South Windsor and Vernon have tied into the network.

"Evening Of Music"

Lee Roy DeHoff, President of the Suffield Lions Club has announced that Herbert Chatzky will be the Piano Soloist during its "Evening of Music" Program.

Chatzky, who accompanied Miss June Fiske in April of 1974 is a well-known pianist. Among his many accomplishments are: Instructor of Music at Bronx-House Music School, Bowling Green State University and the Hartt College of Music. He has received many music awards and is the pianist for the Hartford Symphony Orchestra and the Hartt Chamber Players.

The "Evening of Music" will be held in the Suffield High School Auditorium Saturday evening, Oct. 12, at 8:15 p.m. Tickets are available from members of the Lions Club, the Suffield Council for the Arts, Inc. and at the performance.

Two Women's Rights Laws Now In Effect

Rep. Cornelius O'Leary has announced two new pieces of legislation passed by the 1974 General Assembly which recognize the importance and the equality of women in our society.

The first of these measures prohibits discrimination on the basis of sex in state contracts. After the effective date of the law all contracts with the state must include a clause prohibiting the contractor from discriminating against anyone because of their gender.

The second act amends a previous law to prohibit the deprivation of rights on account of sex. Previously deprivation of any constitutional or legal rights on the basis of race, religion or national origin was prohibited. Sex has now been made an additional category.

Rep. O'Leary noted that both of these laws become effective Oct. 1 and feels that all citizens should be made aware of those changes aimed at equalizing laws and practices.

"Legislation is not the final answer to giving everyone equal status in our society, but it can be an important step in the right direction," O'Leary said.

"Both of these measures received my support during the legislative session and

they will continue to receive my support when they are put into practice," he concluded.

Somers

Unwelcome Subdivision

Mrs. George Judith has made it clear that she doesn't welcome the subdivision on Parsons Rd., Somers. She has aired her views with the Planning Commission's consulting engineer.

The main question is what provisions have been made for small 12-inch pipes under nearby Sokol Rd. and Mrs. Judith's driveway?

Subdivision plans call for 15-inch pipes upstream of Judith's property. These larger pipes can deliver more water to the abutting property than the smaller pipes can handle.

There is no assurance that Mrs. Judith will allow developer Howard Whitaker onto her property to install larger pipes or make changes even if plans drawn by the engineer call for them.

She has not allowed Whitaker onto her property to repair a pond that filled with silt when he began to work on the extension of Parsons Rd. It may be necessary to retain some of the drainage water on the subdivision and allow it to run off slowly, Mervyn Strauss, consulting engineer has indicated.

If permission is given for a pond to remove the silt before it reached Mrs. Judith's property, two lots in the subdivision will have to be regraded. If not regraded the water will flow towards Mrs. Judith's.

Strauss has asked what justification there is to remove the siltation after the pond construction is completed.

What assurance is there that after the site is completely developed that the sediment will be reduced sufficiently in the Judith pond as well as downstream?

Masquerade Dinner Dance

The Somers Rotary Club will have their annual masquerade dinner dance catered by Bill Patsun at the K of C Hall on Oct. 26 at 8 p.m.

B.Y.O.B. Tickets are \$15 per couple. Proceeds will be used for the scholarship fund.

Blacksmith Shoppe Open

Ye Olde Blacksmith Shoppe in Somers will be open each Saturday through Oct. 26 from 1-4 p.m. Sponsored by the Somersville Congregational Church, the shoppe features all kinds of baked goods, handmade toys, attic treasures, new jewelry and odds and ends at reasonable prices.

ECONOMIC CONTROLS

On Oct. 7, 1971, President Nixon announced an economic control system to follow the 90-day wage-price freeze imposed in mid-August.

CHICAGO FIRE

On Oct. 8, 1871, the great Chicago fire broke out burning more than 17,000 buildings and killing several hundred people.

Elected Senior VP

Charles G. Hill of Somers, has been elected a senior vice president of Massachusetts Mutual Life Insurance Co.

A native of Welland, Ontario, Hill was graduated from Queens University and joined Mass Mutual in 1942. An officer of the Group Division since it was formed in 1946, he was named second vice president in 1954 and vice president in 1956.

He is chairman of the Education Committee of the Health Insurance Association of America and former chairman of its Health Insurance Council.

Past chairman of both the Hartford and Boston Actuaries Clubs, Hill also has served as a director of the Life Office Management Association and chairman of its Education Council. In Springfield, he is a coporator of Wesson Memorial Hospital.

One Year, Long Ago

When we went to the movies to see Leslie Howard and Bette Davis in, "Of Human Bondage," — John Barrymore and Carole Lombard in, "20th Century"; Robert Donat and Eliissa Landi in, "The Count Of Monte Cristo"; — Myrna Loy and William Powell in, "The Thin Man"; — George Arliss in "Cardinal Richelieu"; — Henry Wilcoxon and Claudette Colbert in "Cleopatra"; and Clarke Gable and Claudette Colbert in "It Happened One Night" (And Clarke and Claudette each won an Oscar for their performance in that picture.)

The delightful melodies we were singing way back then included — "Cocktails For Two" — "Love Is Just Around The Corner" — "The Very Thought Of You" — "In My Solitude" — "Isle Of Capri" — "Don't Fence Me In" — "Tumbling Tumbleweeds" — "I'll Follow My Secret Heart" — "Winter Wonderland" — and "The Object Of My Affections."

Among the events of that year were — The sinking of the steamer Morro Castle off the shore of Asbury Park, N.J., with a loss of 122 lives — the birth of the Dione quintuplets — Hoover's G-Men killed such notorious underworld figures as John Dillinger, Bonnie Parker and Clyde Barrows and Charles "Pretty Boy" Floyd.

President Roosevelt's "fireside chats," became a very popular radio feature — Adolph Hitler became Fuehrer and dictator of Germany — and death came to such theatrical personalities as the beloved Marie Dressier, Lowell Sherman, Lou Telegren and the great Broadway song and dance man, Hal Skelley.

In the world of sports the St. Louis Cardinals and the Detroit Tigers were pennant winners with the Tigers winning the World Series in six games — Bill Cummings won the Indianapolis speed classic in a Boyle-Miller special — Heavyweight Max Baer knocked out Primo Garnera in eleven rounds — And Cavalcade won the Kentucky Derby. All of this took place way back in — answer at end of column.

THEY REMEMBER . . .

When a large musical organization loses one of its key officers, the true loss cannot be measured when the event happens. The passing of Sylvia Pond was a tragic event that will be felt for a long, long time to come.

Sylvia was one of the founding officers of the Conn. Chapter of the Coon-Sanders Original Nighthawks Club and treasurer for almost six years. She was not only the keeper of the till, operator of the box office and confidant of a hundred and more musicians, but she was a vibrant personality who, as she used to say, kept things cracking.

In less than a year at the box office she came to know the names of over 300 members and greeted one and all with a warm smile, or, sometimes a somewhat salty greeting to many of the musicians she knew well.

In no time flat she picked up the gargon of the world of jazz. To musicians she would say, "How did your gig (a job playing somewhere) go last week?" And then would say, "Was the bread (earnings) good?"

Once, when a musician came in who had apparently been in a squabble with his girl friend and still had a few scratches on his face and the lingering shades of what must have been a beaut of a shiner, started telling Sylvia about it, she smiled understandingly and said, "Well buddy — that's show biz."

Guitarist Doug Watson was her special joy. He would play numbers that he knew she was fond of and he placed her more into the heart of our little world by nicknaming her "Bubbles." And when Doug, violinist Norb Saegaert, pianists Art Dubrow, or Bill Greenough would play, "Ballin' The Jack," her eyes would fill with delight.

At a recent meeting, when some of the musicians were playing a tune she did not know (just playing the blues in B-flat) she asked Doug the name of the tune and Doug said, "Why, Bubbles, we wrote it just for you — it's called 'The Bubbles Blues.'" She got a little misty eyed and later said to me, "Bob — you're right — jazz musicians are the greatest people on the face of the earth — and the Coon-Sanders Club is the best thing that ever happened to me."

Mrs. Robert Manross, her foster mother, called me up and wondered if any of the club members would be her pall bearers. And, not trying to be funny, but I said, "Of course — I know at least a hundred that would consider it an honor. As a matter of fact I'm going to hurt more than the feelings of a few by cutting it down to eight."

Well — we've lost a good one and Sylvia Pond will be missed by hundreds of club members for a long, long time to come.

I know how it will be after the funeral. Some of the musicians she loved dearly will come over to my house and after a while we'll more than likely get into a rousing version of, "Ballin' The Jack." That way we are saying, "So long for a while" and too, in doing this we all sort of believe it doesn't make someone we all love quite so dead.

This will be sort of a short column — don't think I feel like writing about anything else. Maybe next week I'll write a column on the fate of the albino aardvark, or something just as profound and esoteric. But, next week.

Answer to quiz — 1934.

Thot for closing up shop —

To those who know thee not, no words can paint!

And those who know thee, know all words are faint!

Hannah More

AL Post Installing Officers

The John Maciolek Post, American Legion Post 154 and its Auxiliary Unit will hold a joint installation program on Saturday, Oct. 19 at 7:30 p.m. at the Polish National Home.

New slates of officers for the coming year will be installed during the ceremonies.

Edward J. Zukowski of Suffield will be seated as the new post commander, succeeding Albert Calsetta of Hazardville, who headed the local post for the past two years.

Mrs. Jeannette Rarus of Enfield, incumbent president of the auxiliary until will be installed for a second successive term as head of the unit. A member of the unit for several years, she formerly served as senior vice-president.

ZUKOWSKI

Zukowski is employed by Pratt and Whitney Aircraft of East Hartford and was educated in Suffield Schools. A member of the local post for several years, he formerly served as Junior and Senior Vice-Commander.

State and District officials have been invited to attend the ceremonies, along with town and veterans' posts officials. Refreshments and dancing will follow the installation.

Other new post officers to be installed include past commander Albert Calsetta, senior vice-commander; Thomas Kozaczka, junior vice-commander; Ladislaus Kapinos, adjutant; Raymond Aleskwiz, finance officer; Francis Rago, judge advocate; John Liro, sergeant-at-arms; Stanley Grzybala, assistant sergeant-at-arms; and Paul Zenczak, historian.

Executive board members include Frank Kozaczka, Frank Such and Dominick Veruzzi.

Other new auxiliary unit officers include Mrs. Shirley Stroiney, 1st vice-president; Mrs. Mary Knight, 2nd vice-president; Mrs. Sophie Pabis, secretary; Mrs. Stella Panek, treasurer; Mrs. Phyllis Burel, chaplain; Mrs. Patricia Stroiney, historian; Mrs. Mary Grzybala, sergeant-at-arms; and Mrs. Nellie Wolak, assistant sergeant-at-arms.

Fund Raiser Set

The Hazardville Baseball Association Ladies Auxiliary will sponsor arm chair races and a dance Saturday, Nov. 9 from 7:30 to 1 in St. Joseph's School on Pearl St.

Tickets are \$5.00 per couple. It is B.Y.O.B. and set-ups can be purchased. There will be dancing after the races, with music by the Quin Tones.

The fund raising is to benefit the Auxiliary and its projects. For tickets and information, please call 749-2058, 749-6306 or 745-9740.

Police Wives Meet Tonight

The Enfield Police Wives, will hold a meeting tonight at 8 p.m. at the home of Mrs. Mullen.

Nears Completion

The new Hospitality Inn off Route 5 in Enfield at the Interstate 91 ramp is nearing completion. The five story structure will contain 350 rooms and the one story structure will include a ballroom, restaurant, coffee house and conference

rooms. The facility is situated on 10 acres of a 68 acre tract of land near the Massachusetts state line and is being developed by Robert Nuger and Bertram Robinson. Construction cost is estimated at \$3 million.

Home Improvement Census Planned Here

The Bureau of Census is conducting a survey through Oct. 9. Arthur G. Dukakis, Director of the Bureau's Regional Office in Boston, said that questions on expenditures for the upkeep and improvement of residential properties will be asked of a sample of households in the Enfield area by Bureau of the Census interviewers.

The survey is taken four times yearly to provide a continuing measure of this segment of America's economy. The sample of households here are among the approximate 6,000 throughout the United States that will be asked about additions, alterations, maintenance, and repairs to their homes.

Pole Signs Are Nixed

New England Telephone Companies has appealed to everyone in Connecticut not to affix signs to telephone poles.

According to the telephone company, signs attached to telephone poles are not only illegal but could cause serious accidents to telephone men climbing the poles.

SNET repairmen use metal climbers on their shoes to go up poles. When a climber hits a nail or tack, instead of soft wood, it skids, and the repairman may fall. This is called "cutting out" and has resulted in serious injury.

More and more signs, advertising everything from tag sales to night crawlers are being affixed to telephone poles. The signs not only endanger telephone workers but also violate state law. Anyone affixing anything to a utility pole can be fined as much as \$50.

The telephone company has started a safety campaign to clean up poles and hopes everyone will cooperate.

Classes For Expectant Mothers

The Enfield Visiting Nurses Association will be offering a series of four classes for expectant mothers beginning Tuesday. Please call 745-1457 for further information.

Sent To Sea

Chief Petty Officer Donald J. Van Nostund, U.S.N. who is attached to VF103, at the Naval Air Station, Oceana Va., was deployed aboard the Aircraft Carrier U.S.S. America, for exercise in the North Atlantic.

Upon the completion of these exercises, they will go aboard the U.S.S. Saratoga, for a tour of duty in the Mediterranean.

C.P.O. Van Nostund's wife, Joyce (Magiera) Van Nostund, and three children, Donald Jr., Scott and Susan Marie, reside at Virginia Beach, Va. He is the son of Mr. and Mrs. Ralph Van Nostund Sr. 85 Prospect St., Enfield.

Enfield HS Football Team Ties As Soccer Team Splits

BY LARRY AVERY

The Enfield High School football team played at home against the Raiders of Windsor Locks High School. The game ended in a 12-12 tie. The Enfield High School soccer team played two league games, losing to the Hall Warriors of West Hartford 6-1, and shutting out their cross-town rival, the Fermi Falcons, 4-0.

Enfield's Joe Dippel and Windsor Lock's Danny Kycia scored two touchdowns each as Enfield and Windsor Locks battled to a 12-12 tie in a closely played game at Enfield. Enfield took the opening kick off and scored as they went 65 yds. in 13 plays, also aiding the drive were two offside penalties against Windsor Locks. The first one gave Enfield a first down at their own 46. Another off side penalty against Windsor Locks moved the ball to the Windsor Locks 49.

Enfield, mainly using fullback Paul Rogers and Quarterback Joe Dippel moved the final 49 yds. for their first score of the game. Joe Dippel gave Enfield a first down at the Windsor Locks 11. Rogers moved the ball to the 10. Dan Garvey carried to the one to give Enfield a first and goal. On the next play Dippel again called his own number and circled from the right and scored from 1 yard out. Frank Neves' kick was no good and Enfield led 6-0.

After an exchange of punts Windsor Locks was in possession at their own 41. Windsor Locks moved the 59 yds. in 8 plays to score their first touchdown of the game. Danny Kycia gave Windsor Locks a first down at the Enfield 46. Four plays later Kycia gave Windsor Locks a first down at the Enfield 36. An offside penalty moved the ball back to the 41. Jeff Siedor carried to the Enfield 37. On the next play Kycia went off his own right side and went 37 yds. for Windsor Lock's first score. Len Senofonte's kick was no good and the score was tied 6-6.

Both defenses held until late in the second quarter when Windsor Locks put together a long drive which started on its own 3. A Steve Schwerfiger to Rich Broome pass gave Windsor Locks breathing room at the 25. Four plays later a holding penalty gave Windsor Locks another first down. Five plays later another Sch-

werdiger to Broome pass gave Windsor Locks a first down deep in Enfield territory. Perry Diprotto carried from 4 yards. The Enfield defensive line batted down Schwerfiger's attempted pass to end the half with the score tied 6-6.

Windsor Locks received the second half kickoff. On their sixth play the Enfield defense caused a turnover as Jim Hayden intercepted a Schwerfiger pass intended for Broome and returned it to the Windsor Locks 33. It took Enfield only six plays to take advantage of this break to score their second touchdown of the game. On 4 and 7 a Joe Dippel to Rich Morris pass gave Enfield a first down at the 18. Two plays later Dippel scored his second touchdown of the game as he scored from 11 yards out. The extra point attempt was no good and Enfield led 12-6.

After the kickoff Windsor Locks made two first downs on a fake punt. Jim Hayden ended the Windsor Locks drive as he picked off his second pass of the day and returned it to the Enfield 40. Enfield moved down the field aided by roughing the kicker penalty which gave Enfield a first down at the Windsor Locks 25. An offside penalty against Windsor Locks gave Enfield a first down at the 11 but Frank Neves' field goal attempt was wide and Windsor Locks took over at their own 20.

Windsor Locks moved 80 yds. in 13 plays to score the tying touchdown. The big play in this drive was a 12 yd. run by Diprotto. A Kycia to Broome pass for 23 yds. gave Windsor Locks a first down at the Enfield 22. Five plays later Kycia scored from 1 yard out. Enfield blocked the point attempt and the score was Enfield 12 - Windsor Locks 12. The game ended with Enfield in possession of the ball and no time-outs left.

The final drive also saw Enfield without its number one QB Joe Dippel who was injured early in the fourth quarter. The injury was in the lower back. The seriousness of the injury was unavailable at press time. Enfield had 174 yards on the ground and 12 in the air for a total of 187. Enfield had 57 total plays and 15 first downs. Paul Rogers led Enfield with 59 yards in 19 attempts.

Windsor Locks had 321 total yards, 224 running, and

97 passing on 55 total plays and 16 first downs. Enfield is now on the year. Enfield's next game is Saturday as they travel to Willimantic to play against CCIL opponent the Windham High School Whippets. Game time is 10:30 a.m.

On Monday Enfield's Soccer team traveled to West Hartford to play the Warriors of Hall High School. Enfield lost 6-1. Hall opened the scoring at 1:33 of the first period as Mike Shea scored on an assist by Paul Arcell. Enfield tied the score

at 4:29 as John Connolly scored on an assist from Steve Magora. Jamie Cherlin put Hall in front to stay 10:25 as he scored on an assist from Paul Arcell.

Kevin Goodarzy gave Hall its third goal at 4:55 of the second quarter. The assist went to Bob Hogan. Hall scored two goals in the third period. The first one came at 8:21. It was scored by Kevin Goodarzy. He was assisted by Paul Arcell. Four minutes later Eric Levine scored with Kevin Goodarzy assisting. Goodarzy scored

the final goal at 12:56 of the fourth quarter. The goal was unassisted.

On Saturday Enfield defeated their cross town rivals, Enrico Fermi, by a score of 4-0, Enfield's Steve Magora opened the scoring at 1:10 of the first period as his corner kick went off the head of a Falcon player into the goal at 12:52. Magora again scored an unassisted goal. Enfield's third goal came at 11:37 of the second period as Dan Sullivan passed to Mike Walsh who beat the Falcon goalie to the

short side for the score. The team battled through a scoreless third period. Enfield's fourth and final goal came at 1:08 of the fourth period as Don Whittle converted on a penalty kick. Enfield is now 4-2 on the year. On Saturday Enfield plays at home against Penney High of East Hartford. Game time 10:30 a.m.

On Tuesday Enfield hosts the East Hartford Hornets. Enfield won the first meeting by a score of 5-0. Game time for Tuesday's game is 3:30 p.m.

Tankers Swim Club Resumes Practice

The call went out and Coaches Bob Beigel and Charlie Dougan welcomed 155 swimmers who answered the challenge to resume swim practice.

The team members enjoyed a brief rest period since Aug. 24, after representing the Town of Enfield in the Metroland Tournament of Champions.

The club was organized in March 1972 and was funded by the Drug Division of the Youth Commission of the Town of Enfield. They became a member of the North Central Connecticut Swim League in October 1973, and this past summer the Tankers competed in the Central Connecticut Swim League. Between the two leagues the team now competes on a year round

basis.

At a recent Booster Club meeting Coach Charlie Dougan advised the parents that he will attend a meeting Oct. 10, to help make preparations for this winter's swim competition. Considering their summer successes, the team is expected to be a strong contender for championship honors in the North Central Connecticut Swim League. Last year's teams represented the towns of Glastonbury, Manchester, Newington, Windsor Locks and Hartford. Additional teams are expected to join.

Swimmers interested in obtaining information about joining the team may do so by calling Coach Dougan at 745-2536 or Coach Beigel at 745-7075.

That's A Big Pool!

Heavy flooding resulted in some portions of Enfield recently following heavy rainfall which caused damage to private dwellings and flooded streets as catch basins overran. It would appear here the pool collapsed and let the water out in the yard behind the home

of Mr. and Mrs. Edward Melledy of Parker St. Actually Great Brook overran its banks and flooded the yards. It was a warm rain however and the kids had a great time out of the pool. LRSA photo.

Enfield Lancers Rip WL Raiders, 60 To 0

In a ho-hum contest Sunday, the Enfield Lancers ravaged the Windsor Locks Raiders 60-0 on the Raiders home field.

It was evident from the opening kickoff the Raiders were not match for the Lancers as Enfield marched 45 yards in three plays to put the first tally on the board. In the first quarter Mike Taylor and Scott Skogles scored for 14 points as the B team came in. With the ball at the Windsor Locks three Lancer Randy Hawkins carried in for the TD. The PAT was no good. With the Raiders desperately trying to stay in the game, the Raider quarterback put a long pass up only to be picked off by Lancer safety Terry Preston who ran it back 35 yards for the TD. The TD was nullified as Preston in excitement spiked the ball in the end zone which is against league rules.

However the ball was Enfield's and on the next play halfback Danny Loughery carried for the TD and the PAT. Still gaining momentum Lancer Jeff Johnson picked off another Raider pass and ran 25 yards for another Lancer score. The half ended Lancers 34, Raiders 0.

The second half opened with Kevin McNulty blocking a Raider kick which was scooped up by Mike Smith who returned it to the Raiders 15. In two plays Lancers Mike Thomas scored from the Windsor Locks 10. The PAT by Mike Smith was good as the third quarter ended, Lancers 42, Raiders 0.

At this point the Lancer B team had scored 28 points and the A team pride was at stake. The A team came back in the air, a 35 yard pass to Scott Skogels was called back for illegal procedure, for three more plays the Raiders held and for the first time the Lancers had to give up the ball on

downs. No other point were scored in the third quarter. The Raiders had the ball but were forced to punt Enfield fielded the ball on the Lancer 35 but in three plays Lancer Craig Boucher carried to the one foot line where fullback Jimmy Spence went in for the TD. The PAT was no good as the ball went wide of the uprights. Again the Raiders had the ball and were forced to the air where Lancer Dave Morgan intercepted and returned the ball 25 yards to the 40 yard marker.

On the next play Mike Taylor fumbled but the ball was picked up by Scott Skogles who ran 40 yards for the TD. The PAT, again no good. On downs the Raiders

gave up the ball again where Enfield's Scott Skogles scored once more to make it Lancers 60, Raiders 0.

The Lancer coaching staff noted the outstanding defensive plays by Roger Guilmette on the A squad with four unassisted tackles and Dick Wallace with five stops to his credit playing linebacker for the A and B team. This game was also the first time that eight different Lancers put points on the scoreboard: Skogles 20, Taylor 6, Spence 6, Hawkins 6, Loughery 8, Thomas 6, Johnson 6, Smith 2. This coming Sunday the Lancers will be at home against the East Hartford Cardinals, 1 p.m. at Powder Hollow.

Starrs "C" Team Beats Glastonbury

The Enfield Starrs "C" team, last year's champs, defeated a tough Glastonbury Tomohawk team on their home field at Varsity Field on an up - the - middle play of three yards by Mark Maniscalchi early in the first period. This lone score was all either team could muster for the remainder of the game.

Glastonbury came back by taking advantage of a blocked Maniscalchi kick and skirted the sidelines, almost going in for the touchdown. Keith Suchy made a desperate tackle on the 10 yard line to save it for the Starrs. The Starrs defense took over at this point and actually drove the Tomohawks back. From that point on it became a defensive game in which neither side would yield anything.

Rick Ricketts was outstanding in the secondary as he intercepted two passes. Each time his efforts stalled a drive by the Tomohawks.

Maniscalchi ran for seven first downs on short runs. Rick Bonini almost broke it open at one point but the Tomohawks managed to contain him.

Ricketts was chosen defensive player of the week while Maniscalchi was named offensive player of the week.

Coach Mark Duggan was pleased with his defense. He stated that Joe Ashline, Billy George and Billy King were all outstanding in their performances.

The team's record now stands at 2-0 on the season. The victory was the twelfth straight over a period of the last two years.

HMS Recreation Program Begins

The recreation program at the Hazardville Memorial School is about to get under way again.

The recreational period will be from 1 p.m. to 5 p.m. every Saturday afternoon.

Petticoaters Meet Monday

The Hazardville Petticoat Softball League will hold an organizational meeting Monday night at 6:30. The league will meet to formulate plans for the 1975 season.

The meeting will be held at the Central Library and will start promptly at 6:30.

All Coaches and Assistant coaches and all committee people are asked to attend.

Anyone who is interested in working on some committee or in coaching are also urged to attend.

Those who are unable to

attend this meeting but are interested in the league should call Mrs. Binnenkade at 749-7776 for more information.

BOWLING

with Art Landry

Many of us bowl for the sport of it (or so we tell ourselves). We go along at the same pace and wonder why some guys sport high averages. The fact is that some bowlers actually have more talent. Most of them help that talent by bowling at least twice a week. Take a good look at some of the names of the better bowlers who appear in this column. Chances are you'll find their names more than once and will see their names most weeks. It pays to bowl twice.

BRADLEY BOWL

Millie Majewski and Kathy Remington tied for weekly scoring honors this week in the Enfield Emblems with totals of 519 each. Remington also had a 195 single. Joan Cook bowled a 216 weekly high single and a new league high for the season. Cook had a total of 517 pins. Kathy Martin was right up their with the top bowlers with a 196 game and 490 series. The Bacardies and the Stingers are tied for first with a five game edge over the Grasshoppers. (I'll drink to that).

ENFIELD LANES

Ann Simonko led the girls in the Sunday Nite Mixed with a 206 game and 569 series. Martha Shewokis bowled 182-483 and Barbara Imperatrice had 185-474. Jack Loney topped the men with a 221 game and 603 series. Alex Imperatrice hit 218-546 and Don Drake bowled 181-522. Alley Coops lead Untouchables by a half point and Adam 4 by a whole point.

Ed Strickland was top dog in the Spirit of '76 League with 224-567. Tom Lusardi was second with 194-558. Bob Caparoula shot a 189 game and 556 total. Dick Mayette bowled 195-558. Bob Caparoula shot a 189 game and 556 total. Dick Mayette bowled 195-538, Dave Leduc 198-534 and Rich Iacolino 183-530. Pennsylvania leads New Hampshire by one and Maryland and New York by two each.

Tom Smith had a hot week in the Fred Gamache Service League with games of 221-212-205 and a total of 638. Ted Percoski shot 223-213-625, Stan Brazauskus 219-593, Leo Janik 202-211-559, John Bantley 542, Denny Hurley 547, Ron Barret 547, Paul Kilty 546, Joe Orefice 203-544 and Jim Boyle a 236. Janik Sausage leads Boutin and Sons by five points and the Elevens by six.

Jim Wheat harvested a good pinfall in the Enfield Merchants with 202-207-590. Gary Thurston rolled 211-584, Mike Paluck 206, Ray Eldrege 211-556 and Stan Bania 202-555. Enfield Sports Center holds a three point edge over Colli-Wagner Realty and five over Leon and Eddie's.

Betsy Cannon shot a big one in the Wednesday Morning Early Birds with a 190 single game and a 502

series. Ann Boucher bowled 460, Judy Fanelli 458, Mariette Johnson 177 and Elsie Lee Grove 174. Hit Or Miss leads Aquarius by two so far with the French Connections tied with Aquarius. A tight race.

Phyllis Gleeson holds high single of 194 and high triple of 490 in the Early Birds League. Mary Reilly has 193-485 and Marty Griffin has 189-475. Joann Mereschuk rolled 154-154-153 to miss the Triplicate Award by a single pin. The Sloe Starters don't appear to be as they lead the league by three over J-Mars and four over three other teams.

John Geiss hit 190-203-225-618 in the Enfield Lanes Classic League. Carl Imperatrice rolled 210-227-605, John Locario 217-594, George Tweeddale 237-583, Dale Underhill 246-579, Bob Caparoula 221-571, Chet Krajewski 214-569, Al Curran 226-568, Jim Krusz 214-565 and Frank Dubish 565. Dales Pools and Standard Fire Brick are tied for first place with The Brookies trailing by eight.

Marie Levins bowled best in the Enfield Ladies Scratch with a 191 game and 532 series. Ruth Martin shot 491, Sally Such 476, Ruth Damon 190 and Bergy Sward 183. Economy Office Leads Enfield Lanes by four points, Miss Jo's by five and Bob Varno by seven.

Marie Levins was the hottest bowler in the Ladies Interchurch with 180-487. June Lord had a 203 game and 472 total. Annette Leito shot 175-468. The Misfits are a point ahead of the Buttons.

Herb Krivacs bowled best in the Men's Interchurch with 202-575. Ed Avery hit 220-567, Dave Hall 193-563, Lou Bellefleur 193-527, Ed Nohmy 529, Joe Bond 526 and Dane May 520. The Royals lead the Deuces and the Invaders by a point and a half each.

Maggie Polmatier is high in both high single and high triple in the Busy Bee League with 189-507. Sally Such has 465, Missi Mason 456, Annette Loos 180 and Mary Lou Camp 166. The Lucky Sevens lead X-Rated by two points and The 3 Bears by three points.

The Enrico Fermi High School Falcons came out on the short end of a 61-30 score last Saturday. This has to be the most points scored against a local team in one game in the memory of the local people.

The Hall High Warriors rambled practically at will against the Fermi defense. The Fermi offense also managed to pile up some 30 points against Hall's defense. Neither defensive unit had too much to brag about after this game.

Larry Walker, Kevin Vitale and Mike Callahan led the attack for Hall. Walker scored from 80 yards out on the first play of the game. This was the beginning of many great runs for both sides. Walker gained 240 yards for the Warriors and scored three touchdowns. Callahan also scored three touchdowns and also picked up almost 200 yards. Vitale only scored twice and gained over 100 yards to add to the Hall High total.

The score didn't look too bad after the first period with Hall leading by just a 14-12 score. Fermi actually took the lead in the second period but it wasn't to stand up for long as Hall kept penetrating the Fermi defense. The Warriors led 31-18 as the teams left the field for the half time break.

Walker and Vitale scored for Hall in the third period while Fermi went scoreless. The Falcons trailed 45-18 by the end of the third stanza. Many teams would just give up at this point but the Falcons did everything they could to get as many points as they could before the final gun.

Passes to Bob Francoeur and Pete Lamagna were good for touchdowns in the final period to add 12 more to Fermi's earlier 18 points. Hall also ran its score up to though and completed the job they had started earlier.

Francoeur was the standout on offense for the Falcons as he gained over 100 of Fermi's more than 400 yards gained in the game. The Fermi performance was good enough to win most ball games but not this one. Quarterback Carl Scavotto had a good day as he passed for over 200 yards and directed the Falcon attack. Lamagna totaled over 100 yards in running and receptions.

The Falcons will take on Wethersfield this Saturday. They could win with the the same statistics they ran up last Saturday. They should be up for this one at Wethersfield.

by Art Landry

PATS BY PLENTY

Channel Three's computer picked the New England Patriots over the Baltimore Colts by some 22 points and this was the most that anyone had given them as favorites for last Sunday's game.

Even this proved to be not enough as the Patriots romped to an easy 42-3 win. No one expected them to win by 39 points. Even Chuck Fairbanks would not have predicted that. It got to be so bad for the Colts that the Patriots were using their third string quarterback in the last period. Everyone got a workout.

Baltimore really wasn't as bad as the score seems to indicate. They did manage to move the ball on several occasions but it was just never across the goal line. Jones had a respectable day as quarterback for the Colts with well over 150 passing yards. He did that while dodging Patriot players too as the Patriot three man rush continually beat the Colt's six and seven man offensive line.

What will happen this week against the New York Jets of Joe Namath? Only time can tell. Broadway Joe doesn't do too well when the wind reaches a high velocity. Come to think of it neither does any other quarterback. A calm day could help Broadway Joe and the Patriots are going to be trying to make it anything but calm.

The Jets are not pushovers when Namath is going good and gets his protection. Like most good quarterbacks if you give him time he will hit his receivers. The Patriots should be able to penetrate as they have shown they can do against the best in the business. The only question seems to be "When are they going to have a bad game and against who?" I doubt you would get many people betting against them this weekend. It should be a good game.

VIKINGS HANG ON

The Minnesota Vikings managed to stay unbeaten last weekend but just by the skin of their teeth. The Dallas Cowboys gave them a good scare as they scored the go ahead points in the last couple of minutes. Fran Tarkenton and his purple people eaters went to work with their two minute drill though and got the ball well within the field goal range of Fred Cox.

Whether or not Cox actually scored the winning field goal with seconds left may be debated for awhile since the ball was just about over a goal post.

The referee was right under the goal post and it is said that he had the best view of it. There are still those who would argue the point. In any case the referee's decision will stand forever and the Vikings are still one of three teams who remain undefeated in the National Football League.

YOUNG EVELS

It would seem that Evel Knievel has had a bad influence on some children. Lately I have been hearing about numerous children

being hurt while trying to emulate Evel by jumping their bicycles, mini-bikes and even riding lawn mowers, over some obstacle or another.

Parents should impress on their children the fact that Evel has his jumps all planned to the minutest detail by experts. It should also be pointed out that, even though all of his jumps are professionally planned, he still gets hurt. It is a fact that he has broken every bone in his body at least once and most of them at least twice.

Evel is the hero of the day even though he failed the Snake River Canyon. Many kids will try to do what Evel does. The children don't make their first jumps too daring. They usually start off with a small ramp which they use to jump over the lawn mover or some other like obstacle.

These first jumps get somewhat boring after a while though and the kids start to dream of bigger things. The truth can be impressed on them in one of two ways. The parents can nip the experiments in the bud or the children can take a masty fall. I hope the experiment ends because the parents decide that this is too dangerous a hobby to pursue.

When Evel risks his neck he does so for a few million dollars. This more than covers his hospital and doctor bills. The suffering is something else again. The kids do it for a lark and the results can be disastrous. Stop it before it really gets started.

DO YOU KNOW WHAT YOUR CHILDREN ARE DOING TONIGHT?

Mount Carmel Starrs Win Two

Merrick Park in Bolton was the setting Saturday for a battle of undefeated Junior Pony Teams. After three periods of scoreless ball, Enfield got on the board via a 20 yard scamper by Scavotto, and that was the final score, Enfield 6, Bolton 0.

According to Head Coach Fred Semanie, it was a complete team effort with only one penalty marring an otherwise flawless effort. Credit must be given to Assistant Coach Lou Reese, who according to Coach Semanie has worked overtime with the Junior Starrs and has made them a real smooth working unit.

With Stewart, Cunningham, Hughes and Disbro leading the offensive line for runs by Randy Wylot, Scavotto, and McCoy, and Veseskis, Sullivan, Pascoe and Shaughnessy leading the defensive charge it made a complete team effort and a win. Dan Stewart was chosen offensive player of the week and Mark Sullivan was chosen on defense.

On Sunday, the Senior Ponies were at home on friendly Mount Carmel Field, and outplayed Stafford Springs 18-0. It was a complete reversal of last week's lackluster play. The blocking was sharp and the tackling crisp, the results of a week of hard work by all. The upfront blocking of

"C" Starrs Win, 36-0

The unbeaten, unscored upon Enfield Starrs "C" Team and the Enfield Americans "C" Team met at Mount Carmel Field on Saturday and the Starrs hammered out a 36-0 victory. The offensive blocking of Tom Gardner, Tony Fontans, Jerry Salzarulo, and Dan Liquori enabled the Starrs backs to move to a 16-0 half-time lead on a TD by Mike Uccello and a TD and 2 extra points by Mark Maniscalchi. The defensive play of Keith Suchy, Jeff Reese, Joe Ashline, Bill King and Bill George kept the Americans offense in a hole all half long.

The second half produced 20 more points for the Starrs; Ricky Bonini and Dan Ballard scored on long runs, while "Big" Paul Deschenes slashed in from the 5 yard line and Jerring Jim Wheat scored the extra point to close out the Starrs scoring. Highlighting the second half offensive play of the Starrs were the Kaupin brothers, Jeff and Scott, Mike Ashline, John Tomkiewicz and Todd Sidway. The defense headed by Chris Deni, Ron Baer, Gary Bonini, Tim Sperrazza and Kyle Sidway kept the Starrs unscored upon for another game. Jerry Salzarulo, for his defensive play, and Dan Ballard, for his running and passing, were named offensive and defensive players of the week by Coach Mark Duggan.

FELLER RECORD

On Oct. 2, 1938, Bobby Feller of the Cleveland Indians struck out a record 19 Detroit Tigers.

Kennedy, Semanie, Pascoe, Waklin and Wilby set the stage for gains by Scavotto, Anderson, Handley and Dwyer. On defense the outstanding play of Wilby, Veseskis, Kennedy, Mike Deschenes and Randy Wylot kept Stafford Springs in a hole all day. Joe Scavotto with two TD's and Rick Wylot with one accounted for the Starrs points.

Greg Wilby was chosen defensive player of the week with Joe Scavotto grabbing offensive honors.

This week the Junior Ponies travel to Somers on Saturday and the Senior Ponies go to East Windsor on Sunday.

It was a great weekend for the Enfield Football Association as all four of their teams recorded shut-outs. Mount Carmel Junior Ponies 6, Bolton 0; Mount Carmel Senior Ponies 18, Stafford Springs 0; Enfield Starrs "C" Team 38, Enfield Americans 0; and Enfield Starrs Midget Team 40, East Hartford Elks 0.

WORLD SERIES

On Oct. 1, 1903, the first baseball World Series was played between the Boston Americans and Pittsburgh Nationals. Pittsburgh won series, 5-3.

Enfield Starrs Topple East Hartford Elks Club 40-0

The Enfield Starrs traveled to East Hartford Sunday and came home smiling as they shut out a Good Elks Club team 40-0.

Enfield kicked off to East Hartford and the Elks quickly moved the ball to the Enfield six-yard line. The Starrs' defense finally came to life and drove the Elks back to the 14, where they took over the ball on downs.

The Starrs then moved the ball deep into Elk territory on the running of Reese, DeRose, Provencher and Liquori. The period ended with the ball on the eight yard line as the "B" teams took the field.

The Enfield "B" team scored quickly as Bob Shewokis took a hand-off from Rick Michaels and banged into the end zone. Shewokis also added the points after making it 8-0, Enfield.

On the next series Matt Gilhooly intercepted an Elk Pass and raced 60 yards for the T.D. Shewokis converted and Enfield led 16-0.

Pat Olschafskie then picked off another Elk pass and ran the ball back 20 yards as the half ended with Enfield leading 16-0.

Enfield received the ball to start the third period and drove to the Elk 20 yard line where Rick Michaels handed off to Pat Olschafskie, who picked up blocks by Ed Gardner and Dave Mercik, broke two tackles and scored Enfield's third T.D. Bob Shewokis again ran for the points after as Enfield led 24-0.

With time running out in the third period Enfield scored again aided by a bad Elks Club kick. Taking over at the 30 yard line Michaels handed off to Shewokis for 15 yards, then Sal Vella picked up 10 yards and it was Shewokis for the score on a 5-yard run. Vella added the points after and the "B" temers came off the field having put 32 points on the board. Head Coach Dom Zarcaro had high praise for the blocking of Gardner, Mercik, Olschafskie, Vella, and Michaels.

The "A" teams came on for the final period and it looked like the Elks Club "A" team was going to continue its record of not having been scored upon this season. Both "A" teams were very evenly matched and after an exchange of punts, Charlie Theofiles pounced on an Elk fumble at the 20. Pete DeRose tossed a flat pass to Kyle Reese who was knocked out of bounds at the one. DeRose then scored

on a plunge and Reese added the points after as Enfield picked up their third win, 40-0.

The coaching staff of Dom Zarcaro, Henry Mercik and C.J. Daigle picked as players of the week lineman Bruce Cuscavitch on the "A" team and Ed Gardner on the "B" team.

The coaches also commended the fine play of Reese, DeRose, Ballard and Foley on the "A" team and Mercik, Gilhooly, Michaels and Olschafskie on the "B" team.

Next week the Starrs take on the undefeated Enfield Ramblers at Mt. Carmel Field. Game time will be at 1:00 p.m. Admission to all games is free and refreshments will be available.

Obit

ANTHONY VESCE

Anthony Vesce, 80, born in Benevento, Italy, died Oct. 8

at a Fort Lauderdale, Florida, hospital.

A former resident of Enfield, he leaves his wife, Donna (Bosco) Vesce; three daughters, Mrs. Vincy Rotola and Winnie Cantelini, both of Fort Lauderdale; and Mrs. Adeline Chatterton of Virginia, and a son, James Vesce of Caldwell, N.J.

Also surviving him is a sister, Mrs. Arlene Whatkins of Santa Ana, Cal.; two brothers, John Vesce of Warehouse Point and Albert Vesce of Enfield; nine grandchildren and several nieces and nephews.

The funeral will be held tomorrow morning in Florida.

Ramblers Beat Windsor Team

The Enfield Ramblers Midget Football team beat the Windsor Giants "C" squad by a score of 8-0.

Once again it was Jay Rhodes doing the bulk of the ball toting for the Ramblers. It was a true defensive battle for three quarters. Then Rhodes let go with a touch-down pass to Jeff Withee.

Conversion rush was good and Ramblers led 8-0.

Coach Jim Sherwin praised all his players and pointed out fine play by Dan Alabre, Paul Russell, Jim Johnston, Jim Sherwin, Dan Hogan, Pat McQuire, John Rudolf, Mark St. Sauver and Kevin Flenke was the reason for the victory.

Next week, the Ramblers "C" squad will play against the Enfield Starrs at Mt. Carmel field. Game time is noon.

Heads Young Dems For Cressotti

MICKEY ROY

Mickey Roy of 28 Pierce St., Enfield, will lead the "Young Democrats for Cressotti" group. Miss Roy is presently employed as a dental assistant and receptionist in Enfield. She has taken part in a number of campaign, as her father, Armand Roy, has been a councilman for the Town of Enfield for 6 years.

In a statement to the press, Miss Roy said: "I have complete faith in Dick Cressotti. I know that he will live up to his promises and do his utmost to serve the people of Enfield."

LWV Finance Begins

Ella Grasso and Robert Steele will be guest speakers at a Meet the Candidates Night on Oct. 23 at 8 p.m. at the Hartford Insurance Group Auditorium on Asylum Ave., Hartford. The meeting is sponsored by the Greater Hartford Regional Committee of the LWV of Conn.

Questions may be asked by the audience on any subject from airport facilities to youth facilities, campaign finances to utility rates, energy-producing problems to environmental protection measures.

Democratic gubernatorial candidate Ella Grasso, now serving the second term in US House of Representatives from the Sixth Congressional District, has been politically active in Conn. since 1952. A resident of Windsor Locks, she first served two consecutive terms in the General Assembly, was Secretary of the State for 12 years prior to election to Congress. Mrs. Grasso has been cam-

paigned recently on issues of inflation, mass transportation and energy.

Republican candidate Robert Steele, also a Conn. native, was first elected to Congress in 1970 from the Second Congressional District. Relected in 1972, he has been serving as member of House Foreign Affairs Committee. Some of the issues on which Steele has been campaigning include energy, drug control and foreign business opportunities in Conn.

Residents of Enfield area can find out what the candidates would do about funds for the sewer construction projects, for example, if either were elected governor. Questions of statewide importance will also be asked.

The LWV invited the public to bring their friends, family and neighbors and their questions. An informed voter makes all the difference!

Junior Women Host Gloria Schaffer Tonight

The Enfield Junior Woman's Club will hold their second meeting of the club year, sponsored by the Public Affairs Committee, tonight at 8 p.m. sharp, at the Enfield Central Library, Middle Rd.

GLORIA SCHAFFER

The evening's speaker will be The Honorable Gloria Schaffer, Democratic Candidate, for her second term as Secretary of State. Ms. Schaffer was graduated from the Sarah Lawrence College, Bronxville, New York, with a major in Political Science. Ms. Schaffer is Honorary Membership Chairman of the Kidney Foundation of Connecticut, Chairman of Committees on Public Welfare and Humane Institutions, Penal Institutions and Joint Legislative Committee on Education.

She was elected to the State Senate at the age of 27 and was the first woman and first Democrat since 1939 to represent the 14th Senatorial District. She can be seen as a panelist on the weekly television program, "What in the World." Mrs. Schaffer, her husband, Eugene, and their two children reside in Woodbridge, Connecticut. The topic of her speech will be "The Emerging Woman in Politics."

The evening will also see the Enfield Juniors hosting nine area town Junior Clubs with neighbors night, and also present will be the Enfield Woman's Club. The club members and guests will incorporate a red, white and blue dress code for the evening. The public is cordially invited. Don't Forget! 8 p.m. sharp tonight.

Cub Pack 185 Meets

At the first meeting of the school year, Cub Pack 185 held a registration drive at St. Martha School Hall on Brainard Rd., Enfield.

A summary of this summer's pack activities was given by Cubmaster Jim Therrien. These included a very successful June Campout, attendance at the races at Stafford Springs in July, and a family picnic at Brainerd Park in August.

Awards for the month were given as follows: Aquanaut badges: K. Clark, R. Armstrong, J. Singleton, S. Zapor and M. Zapor; E. Underhill and R. Kish were promoted to the Webelos

Den; Charles Stone was inducted into BSA Troop No. 182 and welcomed to that troop by Charles Armstrong. It was announced that Webelos were eligible for the Camporee at the Four-Town Fairgrounds in Somers this past weekend. The theme of the camporee was Physical Fitness.

PARENTS MEET

The next Pack meeting will be Oct. 23 at which time a demonstration on self defense and Judo will be given. The next parents' meeting will be held on Oct. 9.

Wives Plan Gala Dance

Mrs. Joel DeNigris, President of the Enfield Jaycee Wives, wishes to announce Mrs. Gary Gibson and Mrs. Thomas Olynciw as cochairman of a New Years Eve Charity Ball to be held at Enfield Square.

Toast in New Year's Eve by dancing to Landerman's Orchestra and eating a gourmet meal. Donation is \$30 per couple. This is open to the public. For information call 745-0172.

Policewomen Meet Here

The Policewoman's Association of Connecticut held its semi-annual meeting in Enfield at the Mt. Laurel Restaurant Oct. 1.

Mrs. Jenette Young, policewoman from Enfield, was hostess and presided at the business meeting followed by a seminar on Police Security on the College Campus.

The guest speaker was Sgt. Judy Jackson of the Springfield College Security Service.

Turkey Dinner

Enfield Emblem Club will be serving a complete turkey dinner Tuesday from 6 to 9 p.m. at the Elks Lodge on N. Maple St. in the downstairs rear lodge rooms. Margaret Egan, Chairlady of the dinner announced that the prices are: adults \$2.50, senior citizens \$2 and children under 12 yrs., \$1.50.

All members, freinds and Elks are invited to dine with us to help raise money that will be used towards our local charity projects.

A memorial service was held for two former members who passed away since the last meeting, Sgt. Dorothy Powers from the Wallingford Police Department and Policewoman Bertha Shea of the Hamden Police Department.

New members installed were Judy Gianchette of the Bristol Police Department and Betty Maher of the Guilford Police Department.

The spring meeting and seminar will be held in Bristol.

Influenza Clinic Next Wednesday

The Enfield Visiting Nurses Association will conduct an influenza vaccine clinic for people 55 years of age and older, Wednesday, Oct. 16, from 9-11 a.m. at the neighborhood center on High St., Enfield.

There will be a charge of \$1.25 to cover the cost of the vaccine.

Auxiliary

"Charity Ball" Oct. 25

"The Charity Ball", sponsored by the Auxiliary of St. Joseph's Residence will be held on Friday, Oct. 25 at Chez Josef's in Agawam, Mass. Cocktails are from 7 - 8 dinner will be served from 8 - 9 followed by

dancing from 9 p.m. until 1 a.m. Tickets are \$22 per couple and reservations may be made by contacting Stella Dudenhofer, 741-0791. This event will benefit the Little Sisters of the Poor.

"Catch Me If You Can"

Sid Raymond plays Sidney the sandwich man in the mystery - comedy "Catch Me If You Can," starring Jane Russell, which will play through Nov. 3 at the Chateau de Ville Dinner Theatre, East Windsor. "Catch Me If You Can," which won a special citation from the Mystery Writers of America for the originality of its plot - twists, was produced by Gerald Roberts and directed by Leland Ball.

Radio buffs will remember Sid Raymond as Clifton Finnegan on "Duffy's Tavern" and many Chateau de Ville patrons will recognize his voice as that of Baby Huey on animated cartoons, as well as remembers his role as Dr. Dreyfus in Chateau de Ville's "Promises, Promises." He should be familiar to everyone who watches television. He has been in countless com-

mercials. To his credit, Raymond has such films as "The Hustler" with Paul Newman and Jackie Gleason, "The Prize" with Paul Newman and Edward G. Robinson and "The Marrying Kind" with Judy Holliday and Aldo Ray. Among his Broadway credits are "Gorden Rainbow" with Steve Lawrence and Eydie Gorme and "Something About A Soldier" with Sal Mineo and Kevin McCarthy.

Also playing in "Catch Me If You Can" are Tom Brennan as Inspector Levine, Ron Knight as Daniel Corban, Russell Gold as Father Kelleher, Jack Washburn as Mr. Parker and Barbara Mundy as Mrs. Parker.

Reservations are now being accepted for "Catch Me If You Can" which will play from Oct. 8 to Nov. 3 at the Chateau de Ville Dinner Theatre, East Windsor.

Some banks just take it in. CBT is dishing it out.

Fudge cake with frosting, spice cake square, vanilla pudding with peach garnish.

Mrs. Salvatore Sacheli

Sas - Sacheli

Miss Anne Marie Sas, daughter of Mr. and Mrs. Walter J. Sas of 33 South Road, Enfield, became the bride of Michael Sacheli, son of Mr. and Mrs. Salvatore J. Sacheli of 20 Nutmeg Avenue, Enfield, Saturday during an 11 a.m. ceremony at Saint Bernard's Church.

The double ring ceremony was performed by Reverend Dominick J. Valla.

Given in marriage by her father, the bride wore an empire gown of satin - organza with a high collar and fitted sleeves with Juliet points. The bodice had a scalloped over-layer of re-embroidered Alencon lace on English net patterned with seed pearls and clusters of iridescent crystal beads. The hem of the A-line skirt and attached train had a wide lace border. Her headpiece was a mantilla edged in matching lace attached to a petite lace Camelot. The bride carried a cascade of stephanotis, white roses and English ivy.

Mrs. Barbara Perigard served as honor attendant. Bridesmaids were Mrs. Barbara DuPrey, Miss Deborah Lirot, Mrs. Rachele Lorenson, and Miss Debra Marek. They were similarly attired in two piece ensembles of Burgundy knit. The sleeveless empire gowns fell to full bias A-line skirts, trimmed with white lace. Each wore Burgundy caps also trimmed with white lace and carried cascades of roses, carnations and baby's breath.

Joseph Gaetani was best man and ushers were Craig DuPrey, Frank Ferrara, Arthur Perigard and Charles Ragno.

Following a reception at the Knights of Columbus in Somers the couple left for Acapulco. Upon their return they will reside in Hartford.

The bride is a graduate of Enfield High School and

Hartford Hospital School of Laboratory Technology and is employed by Waxman Medical Laboratory in Hartford. The groom also graduated from Enfield High School and is employed as a Senior Computer Operator at Aetna Life and Casualty in Hartford.

Halloween Costume Safety

Parents should be cautious when selecting Halloween costumes to be used by their children at the end of the month.

Whether purchased or homemade, costumes should be fire resistant. The terms "Fire resistant" and "flame retardant" do not mean "fireproof" (will not burn), but indicate properties that will retard flame or fire and burn slowly.

When shopping for fabrics, costumes, masks, beards and wigs, look for fire or flame retardant labels and heed any "Do Not Wash" warnings. Washing could remove the protection.

Costumes for children should be short enough so that they can move easily without tripping. Big, bulky, awkward costumes restrict movement and may be extremely dangerous.

Masks or disguises should not impair vision or breathing. A natural cosmetic or charcoal "mask" applied directly to the skin is often safest and least expensive.

Costumes should be made visible to motorists, especially in rural areas. In expensive reflective tape can easily be added for protection at night or flashlights can be carried.

Adults planning to travel on Halloween should watch out for the "ghosts" and "goblins" who may be too preoccupied to see you. Better yet, avoid traveling and stay at home to give out treats so you won't get tricked.

"Come Blow Your Horn"

Enfield Junior Chamber of Commerce members are currently selling tickets to the comedy production of "Come Blow Your Horn". Enfield Stage Company is presenting the show as a benefit for the Jaycee's Friendship House project. Friendship House, begun in 1971, is a non-profit charitable corporation. Federal funds on which the home depended, have been withdrawn. In order to maintain the seven boys that currently live there, new sources of money need to be found. The House, located on Middle Road, provides a home for adolescent boys. It approximates family life with guidance, discipline, and full time supervision. "Come Blow Your Horn" will be presented Nov. 1 and 2 at Fermi High School. Tickets are \$2.50 for adults and \$1.00 for students 18 and under. ESCO President Hope Albee is pictured showing poster of the upcoming production to Ernie Cirillo, director of the show.

Help! I'm A Parent!

A series of sessions for parents will begin Wednesday, at the Calvary Presbyterian Church. Sponsored by the Enfield Council of Churches, this series is designed to help

parents through a variety of approaches.

Rev. Henry Millan, director of the Pastoral Counseling Center of West Hartford, and Associate Minister of the First Church of Christ, Congregational in West Hartford, will be the opening speaker. He will introduce the series, providing a basis for understanding relationships within family structures; roles families play in our lives; and some of the stresses now operating on modern families and how to cope with them.

The sessions will begin promptly at 7:30 p.m. and conclude at 9:30, followed by a coffee hour. The series is open to all interested persons in the Greater Enfield Community and will run for five successive Wednesday evenings. There will be a slight registration fee which will cover one or all of the sessions. Registrations may be made before each session; however pre-registration would be much appreciated and may be

made by calling a church office of your choice within the Enfield Council of Churches.

Presbyterian Synod Meets

Rev. Craig L. Peel of the Calvary Presbyterian Church of Enfield has just returned home from a meeting of the Synod of the Northeast of the United Presbyterian Church in the USA at which he was elected to the Mission Council of the Synod.

The Council has one representative from each of the Synod's 22 presbyteries which include 447,210 communicant members from 1258 parishes in New England, New Jersey and New York.

The election took place at a two-day Synod meeting Sept. 27-28, at Our Lady of Angels Seminary near Albany.

The 204 delegates elected the Rev. Eugene Turner, prominent black churchman, as their new Synod Executive. A native of Georgia, he served as a program administrator in the Presbytery of Philadelphia before assuming his present post as Associate Executive of the Synod of the Pacific.

Fellowship Will Meet

The Women's Fellowship of the Enfield Congregational Church will hold a dessert meeting Tuesday, Oct. 15, at 7:30 p.m. The guest speaker for the evening will be Mrs. Dwight Juliani whose topic will be, "Bell, Book and Candle".

This is an introduction to Christmas. These are Christian symbols that can be used both at Christmas and throughout the entire year. All women of the church are invited to attend and enjoy the fellowship of the evening. Call Beth Evans of Doris Messenger for your reservation.

Guild Meets Tuesday

Young adults will be featured at the monthly meeting of the Holy Family Women's Guild on Tuesday, at 8:30 p.m. in the church hall. Mass will be offered at 8 p.m.

Michael Cooney, Kenda Carlson and Yasu Bando will be the guest speakers.

Mike, a senior at Enfield High, spent the summer hiking the Appalachian Trail from Springer Mountain, Georgia to Mt. Katahdin, Maine and has most interesting experiences to relate.

Kenda and Yasu are involved in the A.F.S. student exchange program.

Also a senior at Enfield High this year, Kenda spent

the summer in Thailand and will tell of her life as a member of a Thai family and as a student having attended classes there.

Yasu, whose homeland is Japan, is an exchange student to Enfield High. The adjustment of becoming a member of an American family and a student in an American school will highlight his talk. Too he will relate many of the customs of the Japanese people.

The Guild is very pleased to present these active and versatile students as its October program and welcomes everyone to attend. Refreshments will be served.

Dance Benefits Scouts

Scouts Sponsor Dance "Main Street" Band will appear at St. Adalbert's Hall, Alden Ave. Enfield on Saturday, Oct. 26 at 9 p.m.

The public is invited to attend the dance, with the proceeds going to Enfield Boy Scout Troop 888.

The dance is B.Y.O.B., set-ups provided with tickets being \$10 per couple. Tables will be reserved. Anyone wishing tickets may call 745-6571.

Rummage, Tag Sale

The United Methodist Women of Enfield will sponsor a Rummage and Tag Sale Saturday from 10 a.m. to 2 p.m. at the Hazardville United Methodist Church on Hazard Ave.

Anyone wishing to donate items may leave them at the church tomorrow or may call either the Enfield church office, 745-6241, or the Hazardville church office, 749-7098 or Anne Robbins, 745-5065 to make arrangements.

Afternoon Circle Meets

The Afternoon Circle of the Women's Fellowship of the Enfield Congregational Church will meet at 1:30 next Thursday at the home of Mrs. James Richards, 1209 Enfield St., Enfield. Mrs. T. E. Richardson will be the co-hostess.

Resource Book", Women's Division Board of Global Ministries of the United Methodist Church.

This meeting will take place at the Hazardville United Methodist Church on Hazard Ave. at 7:30 p.m. Greeters for the evening will be Peg Blanchette and Evangaline Ryan and refreshments will be served by Sue Maciolek and Marion Robinson and their committee. A reception of new members will follow the business meeting.

BAZAAR

United Methodist Women will hold a Holiday Bazaar on Nov. 9 from 10 a.m. to 2 p.m. at the Hazardville United Methodist Church.

American Baptists Convene

Delegates from the American Baptist Church will be attending the annual meetings of the American Baptist Churches of Connecticut with the Immanuel Baptist Church in New Haven this weekend. The original Baptist Church in Enfield was one of the founding churches of the state wide Baptist body in 1823, which celebrated its 150th anniversary last fall at Second Baptist Church, Suffield. This years annual sessions will explore the

relationships of the black, Spanish and Chinese Baptist Churches in Connecticut under the theme, "We are one in the Spirit". A Festival of Rejoicing on Saturday afternoon will feature choirs of the various ethnic churches in Connecticut and an address by Dr. Fidel Mercado, head of the Baptist Convention in Puerto Rico.

A new youth choir for teens has been inaugurated and will meet on Thursday evenings at 6 p.m. Called the "Children of Love", the

group will use contemporary folk type religious music and welcome new members. Junior and Senior High Baptist for missions. The national goal is \$950,000 to be raised in the single offering which will be used for special projects not covered in regular mission budgets. These will include meeting agricultural, medical, educational, literacy as well as spiritual needs in Thailand, South India, Burma, Nicaragua and Zaire.

The Women's Fellowship of the church will hold their monthly meeting Wednesday, 7:30 p.m. at the new Neighborhood Activity Center. A tour has been arranged, with business meeting and refreshments at the meeting house afterwards.

In other news, the Church Council has approved a group Blue Cross Dental program for church families. Available only to organized groups and businesses, the church council felt the need to provide available help for families in particular in this important area of health care. The plan is preventive in that it provides for free regular cleaning and examinations twice annually in addition to full payment of fees for normal routine dental care. Information is available from the Church Office. American Baptist meeting house is located at 129 Post Office Rd. Rev. Richard Puchase is pastor.

LWV Plans Regional Meeting

The League of Women Voters of Enfield began its annual finance drive recently. League members will be visiting businesses, professional people, and other interested citizens to inform them about the league and ask their support.

A successful drive will enable the league to perform effectively on all levels of activity - local, state and national. In addition to expenses of league work in the community, each league is responsible for the support, through pledges, of the state and national leagues function in the areas of education, study and action, program, and legislative coverage, to name a few.

A successful drive can

mean - availability of informative league publications, not only for membership use, but for non-members as well at a minimal cost; Voters Service activities, such as candidates meetings leagues Scoreboards and other material that will assist the voter, voter registration drives; expenses of research and cost of materials used; delegates' expenses to state and national conventions and other league meetings or conferences; other expenses, such as postage. These are a few of the activities affected by the league Finance Drive, the success of which may be determined by the acceptance of league worth in and to the community.

The friendly profession of a Weight Watchers meeting.

WEIGHT WATCHERS

Local Man Decorated

SGT. D.C. DICKENSON

An Air Force sergeant from Enfield was decorated with the U.S. Air Force Commendation Medal in recent ceremonies at Lindsey Air Station, Germany.

Sergeant David C. Dickenson, son of Mr. and Mrs. David C. Dickenson Sr. of 5 Tabor Road, was cited for meritorious service while on temporary duty in Egypt. He helped provide vital communications support for mine clearing operations of the Suez Canal.

He is assigned at Lindsey as a communications center specialist with a unit of the Air Force Communications Service.

Sergeant Dickenson is a 1971 graduate of Enfield High School.

Holy Family Men's Club Meets Sunday

The Men's Club of Holy Family Parish in Enfield is holding its monthly meeting this Sunday at the church hall located on Simon Rd. in Enfield.

This Father and Son Communion Dinner Meeting will begin with attendance at the five p.m. Mass. A roast beef dinner will be served immediately afterward in the hall adjacent to the church. Tickets are priced at \$4 per family and can be obtained by calling John Maznicki at 745-2553; Carl Flora at 745-2510 or Steve

Bednar at 741-0324.

Ron Ryan, head coach of the World Hockey Leagues Eastern Division Champions - New England Whalers will be the after dinner speaker.

Ron is a native of Welland, Ontario. He played hockey for Colby College where he became second highest scorer in NCAA history (254 points, 104 in his senior year); and attained All-American Status. After college he coached at the University of Penn. for two years and then moved on to Merrimac College in An-

Local Man Promoted

RUSSELL MAYLOTT

Russell Maylott has been promoted to Senior Account Agent for the Allstate Insurance Companies announced John D. Callahan, New England Regional Manager.

He has been with the company for fifteen years and works out of his office located at 91 Hazard Avenue in Enfield.

Palmer Is Business Manager Of Sabers

Robert C. Palmer of 38 Dale Road, Enfield, is the new business manager of the Enfield Sabers Drum and Bugle Corps, which is celebrating its 20th anniversary this year.

The Sabers are now on their winter indoor schedule of rehearsals and instructions.

Sabers I, ages 12 - 21, rehearses marching and maneuvering on Monday evenings from 7 - 10 p.m. at the John F. Kennedy Jr. High School Gym. On Wednesday evenings from 8 to 10 p.m., the color guard works with their instructor at St. Adalbert's School Gym. On Thursday evenings from 7 to 10 p.m., the horn and drum sections work with their instructors at Prudence Crandall School.

Sabers II, ages 7 - 12, work with their instructors in all sections on Monday evenings

from 6:30 to 8:30 p.m. at the Parkman School. On Wednesday evenings, they rehearse from 6:30 to 8:00 p.m. at St. Adalbert's School Gym.

The Sabers have just completed their fourth annual series of appearances at the Eastern States Exposition in West Springfield. They gave three

concerts on the Storowtown Village Green and marched in three of the daily parades at the Exposition.

Positions are open in all sections of both corps - drum, horn, and color guard. No previous musical or marching experience is necessary to join the Enfield Sabers Drum and Bugle Corps.

Anyone interested in more information on the Sabers may contact Mrs. Lawrence Girard of 17 Foxcroft Road at 745-8788. Or come sit in on a rehearsal on any evening listed above. The corps will soon begin learning its new music and marching for the 1975 season of competitions, parades, and public concerts.

Parent, Teacher Visitation

The Enrico Fermi High School Band Parents are sponsoring two fund raising events for the month of October. A hot dog sale, along with cold drinks and coffee, will be held at the Bradlees Shopping area Monday, Columbus Day starting at 10 a.m. Mrs. Priscilla Stock is chairman of this event and is assisted by Mrs. Ann Ruby. Since there is no school being held that day, band members will also be assisting in this endeavor.

A bake sale is also scheduled for Oct. 26, 1974 to be held at Shop Rite starting at 10 a.m. Mrs. Carmella Callahan is chairman of this event along with Mrs. Bertha Lemay, co-chairman.

Since immediate funds are required towards the purchase of band uniforms, the public is urged to support the above mentioned events.

Parents Raise Funds

The annual Parent-Teacher Visitation Night at Enfield High School will be held this year on Tuesday, Oct. 22.

The program will include individual parent-teacher conferences by appointment.

The members of the Administrative Staff and Guidance Dept. will also be available for consultation.

Conferences may be arranged by returning the forms made available through the school, or by telephoning the General Office at 741-2188.

A Musical Program and Coffee Hour will be presented in the Cafeteria during the course of the evening. All parents are cordially invited to attend.

(AOT) AT FT. BRAGG

Cadet Mitchell A. Pabis, 20, son of Mr. and Mrs. Mitchell L. Pabis, 20 Bridge Lane, Enfield, participated in Army Orientation Training (AOT) at Ft. Bragg, N.C.

The two-week course gives ROTC cadets exposure to the role of an officer.

The cadet is a student at Norwich University, Northfield, Vt.

480 Enfield St., Enfield
Phone: 745-4222

AFS "Sisters" United

Last summer, Joyce Parlapiano of Enfield had a most interesting and rewarding experience as an exchange student for the summer in Greece under the American Field Service Program's Enfield chapter.

This past summer, her "Greek sister," Vickie Dsioukanara, with whom Joyce lived during her visit to Greece spent the summer in the Enfield area with Joyce Parlapiano's family.

A student at Theosnikki University, Vickie is an English literature major, who lives with her family in northeastern Greece in the town of Larisa.

For Vickie, living with the Parlapianos, a family of ten, was indeed a unique experience for Vickie who lives with her brother, mother and grandmother. Ranging in age from six to 18, the Parlapiano children were a thrill to Vickie who had the unique experience of getting to know Americans of all ages.

in America. Greeks, Vickie has observed when shopping or touring the New England area, tend to be more neat, more choosy and well-groomed than Americans.

Dating in Greece, however tends to be a little behind the times, as compared with American customs. Generally Vickie and her friends go dating and dancing in groups rather than on single dates. The age that girls begin dating in Greece is also much later than here in the United States. It was a surprise to Vickie when Joyce's younger sisters were going out on dates. In Greece you generally have to be nearly 18. Also in Greece a young woman does not go out with several different people before deciding which one to marry. It is more often the case that the person a young woman first goes out seriously with is the same person that she marries.

While Vickie sews her clothes, needlepoints and crochets, her life in Greece is not as sports oriented as that of most American girls.

While in America, most students interested in going to college can manage one way or another to do so, in Greece the story is not the same. Not all students can go to college. Only true scholars achieve and are expected to perform once they get to college. The reason: education in Greece is free. The government can afford to look for quality.

Reunited across the ocean, Joyce and Vickie thoroughly enjoyed their summer together. They have shared experiences and reciprocated their feelings and attitudes towards events, tastes and customs. They have grown as friends and as individual young women.

Junior High's 'New English'

A new English program has been instituted this year for seventh grade students not enrolled in foreign language classes. The title of this course, English Prep, is a carryover from the former class by the same name, but the concept, format and materials are entirely new.

Designed by Scholastic Book Services Inc., the materials used provide an innovative approach to the reinforcement of word attack and reading skills in English as well as in other content areas, such as: social studies, math and

science. Learning kits utilized in the classroom afford the student high interest reading material at a reading level conducive to an enjoyable and successful experience with the printed word.

The program is a result of research and experimentation by the school's Reading Consultants in conjunction with the English Dept. It is being initiated by a team of four English teachers, Mrs. Magnuson, Miss Griffin, Miss McLellan and Miss Provencher.

STILL JOB HUNTING?

In today's world of technical and skilled personnel to be without these qualities means many wasted years of "Don't call us — we'll call you". One word holds the key to a bigger and better future. That word is TRAINED. If you're 17 years or older and have always wanted to be as

**MEDICAL or NURSE'S ASSISTANT
READ ON —**

We offer two of the most comprehensive training programs in both of these fields. We're not a Business School that offers so many programs that you as an individual get lost in the crowd. Our specialty is the Health Services Field. Both Medical and Nurse's Assistant programs include classroom instruction, but you know as well as we do that nothing substitutes for practical experience, so field training at a local hospital or doctor's office is also included.

Many other so called Health Field programs have come and gone, but doesn't it strike you funny that we're still here. An active job placement program is available to all of our grads. And if we do say so ourselves it's the best around. Give us a call at

413-781-8720

Talk to us about a Future for you as a Medical or Nurses Assistant.

PBL1t 7/18

Ragno Happy Over New Legislation

Louis Ragno, executive director of the Housing Authority of Enfield, as a result of attending a week-long conference in Boston on new federal housing legislation, feels that things are looking brighter for prospective developers of the 120-unit elderly housing complex proposed for Raffia Road.

"So far it looks good for the private developers of the Raffia road proposal", said Ragno.

The conference by the federal Housing and Urban Development Agency, attended by Ragno was on recently passed legislation. The agency had over 2,300 housing people in attendance from all over the country to give input on what guidelines should be for the new legislation.

The local housing authority initially did not like the Raffia Road proposal because of the federal housing guidelines under which the project would have been constructed. However, the new government regulations seem to give a more favorable light on the proposal.

Ragno said the new rules will mean more room for compromise between the private developers and the local housing authority. He said he wants to be certain that the authority would have proper control over the project — that is, checks and balances.

Ragno said that prior to law changes the government plan under which the project was to be constructed provided for no checks and balances and only 20 per cent of low income people were eligible.

Although the project would be financed through private

bank mortgages, if the developers could obtain a HUD stamp of approval, they would then try to get the Connecticut Housing Authority to guarantee the bank loan.

Oparowski Takes Second

LEWISTON, MAINE — New England Cross Country experts are beginning to regard Coach Walt Slovenski's Bates College Cross Country team as a power to be reckoned with.

The Bobcats trounced traditional rival Bowdoin by a 17 to 44 score.

In the Bowdoin meet, Freshman Tom Leonard, Windsor Locks, Ct., shattered the four-year-old Garcelon Field course record with a first place time of 23:59.7. The old record, one of the oldest in New England, was 24:00, set by Bates' Neill Miner in 1970.

Paul Oparowski, East Longmeadow, finished second.

SPECIAL DELIVERY

On Oct. 1, 1885, the U.S. Post Office began a special delivery mail service at a charge of an additional 10 cents a letter.

SUFFIELD NEWS

Reporter: Miss Eleanor E. Smith — 668-7709

Easement Proposed

Earlier in the week, Tobacco Farms Corp. officials said the company hopes to work toward a permanent agricultural easement for nearly 60 per cent of the 900 company-owned acres in West Suffield. Roy Conyers Tobacco Farms president, said presently just under 60 per

cent of the land is leased to agricultural interests, primarily tobacco growers. Of this acreage, he said, the company hopes to keep 75 to 85 percent permanent in agriculture, adding he sought to maintain existing fields in agriculture on the basis of deed restriction.

Original plans to create a

90-acres housing development at Ebb's Corner were approved by the Conservation Commission as implementers of the Inland-Wetlands Act, but no concrete proposal has been made yet to the Zoning and Planning Commission by the development company.

Tax Law Change Requires Additional Form

A change in tax laws will require many Suffield residents to file two forms this year with the Board of Assessors when declaring personal property. Alfred C. Sheldon, chairman of the board, said taxable items purchased after Oct. 1, 1973 and before Oct. 1, 1974 must be listed on a new form.

Instructions for declaring such property require that items be listed in a specific order and itemized. Headings include: machinery, furniture fixtures and equipment; farm machinery, farming tools, mechanics tools, neat cattle; sheep and goats; swine and poultry.

"You don't pay taxes on

these, but they must be listed, Sheldon said, adding the state pays the tax to the town."

Personal property included in manufacturers' wholesalers and retailers' inventories are not listed in this declaration, he said.

Items purchased before Oct. 1, 1973, still must be entered on the old form and are taxable, he said.

Both forms, available at Town Hall, should be filed between Oct. 1 and Nov. 1. Sheldon said these must be notarized, but the assessors can do this if the forms are brought in person.

The assessors will be in their town hall office every Thursday in October from

9:30 a.m. to noon and 1 to 4:30 p.m. and 7 to 8 p.m. They will also be there November 1 from 9:30 a.m. to 12 noon.

For any person neglecting to return their complete list of taxable personal property on or before Nov. 1, 1974, 10 per cent will be added according to law.

Sheldon reminds veterans of World War II, the Korean and Vietnam conflicts that if they have never filed before they must apply for a \$1,000 exemption before Nov. 1. Veterans must present Form 214 received upon discharge from the service to qualify for the tax exemption.

Investment Series At KML

A series of three evenings talks on investment by Alfred Sherman of the New York Stock Exchange, will be sponsored by the Suffield Kent Memorial Library starting Tuesday, 7:30 p.m. in the town library. The first is on "Your Investment Objectives and Basic Methods of Investing". The second, "Investing For Income or Growth", will be Saturday at 7:30 p.m.; and the third "Speculation - Not For Everybody" will be Oct. 29 at 7:30. There is no charge for the investment lectures which are offered as a community service by the library.

MODEL T DEBUT

Henry Ford introduced a new automobile, the Model T Ford, on Oct. 1, 1908.

Czech Woman Finally Meets Relatives Here

Bohumila Jeziskova of Czechoslovakia met her daughter-in-law, Kathrina Jezisek and four-year old grandson Audrik, for the first time on Oct. 1 when she arrived at their West Suffield home. She was reunited with her son Radomir for the first time since he left Czechoslovakia in October 1955, when he was only 18.

Mrs. Jeziskova left her husband, Franticisek, age 75, behind, because he could not travel because of a heart condition. She is here on a six-week's visitor's visa.

The family here and in Czechoslovakia has worked for over three years to obtain permission for Mrs. Jeziskova's visit here. In spite of her age of 68 and her limited knowledge of English, she persisted through a seven-month

application process, obtaining an American visa and later, on her 68th birthday, a Czech travel permit.

The 4,000 mile trip here was her first trip both by air and out of Czechoslovakia, but it was a speedy one. She left Prague Tuesday morning and late that night, after a drive from Kennedy International Airport, was in her son's home on Griffin Road in West Suffield.

Radomir and Katrina Jezisek were both born in Czechoslovakia, but wed in Austria. He is now a design engineer with Litton Industries, Hartford.

Radomir left Czechoslovakia in 1955 for Vienna without a Czech permit and cut his way through three barbed fences

at the Austrian border. The next summer he met Kathrina who had come to Austria for a visit and went to school there. They married on September 29, 1956, and came to the United States in 1957 and to Suffield in 1961.

They have no relatives here, so having his grandmother here is especially wonderful for little Audrik, who speaks both Czech and English. Like his father he is an only son.

The family had kept in contact by an exchange of letters and photographs but they had been unable to speak even by telephone with the Jeziskovas during the years of separation. Now being together seems a "miracle", Kathrina Jezisek said.

Town Meeting Postponed

The annual Suffield town meeting, traditionally held the first Monday in October, will be deferred to later in the month this year to include extra items, First Selectman Daniel F. Sullivan said.

Extra items include a Sewer Commission proposal and whether Zoning and Planning Commission members should be elected or appointed.

Sullivan said the extra time will allow the town to prepare and include proposals for a new town dump to be presented at the meeting.

The state Department of

Environmental Protection, Solid Waste Management Division has advised the town the present dump does not meet state requirements and must be closed permanently by July 1, 1975. It will be up to the town whether it selects a new site, or shares a regional facility with other towns.

Preliminary plans for solution of the problem must be submitted no later than January 1, 1975 to the DEP.

The town has been assured by DEP officials that its problems is not unusual and that numerous communities in the state have received similar directions.

Families Get Together

Second Baptist Church of Suffield will hold a church family get-together Sunday at 5 p.m. in Fellowship Hall. There will be a variety of activities for different interests to start off the program at 5, and everyone in the church fellowship from 2 to 82 is invited. At 6 their will be a picnic supper with those attending bringing their own box lunch and a beverage to be provided. Following supper, there will be a short worship service and hymn sing, so families may return home by 7 p.m. The event is

sponsored by the Committee on Adult Christian Education, as the first such in a series of "celebrations" proposed by the committee for the year.

Felon's Daughter

The Suffield Players will present a melodrama "Lily, the Felon's Daughter" this Friday and Saturday at 8 p.m. at Mapleton Hall. This is their first production in the old hall which they are helping to restore.

Monster Making

Suffield children will engage in making a monster Saturday in the Kent Memorial Library. KML director Maxine Beckwith has organized a group of children, aged 7 to 11, to be directed by Lauren Snigg, to produce their own monster. The project will take place at 1 p.m. in the library and the resulting monster will be hung in the library's children's room.

Voter Sessions

The Registrars of Voters and Town Clerk of Suffield will hold sessions in the town clerk's office tonight from 7-9 and again on Saturday from 9 a.m. to 8 p.m. to examine qualifications of electors and admit the electors oath to all found qualified.

Tobacco Sheds Burn

Three tobacco sheds, all full, burned to the ground shortly after 3:30 p.m. Oct. 4. Located just west of Copper Hill Road, West Suffield, each held a yield of an eight-acre tract of land.

The land is owned by Tobacco Farms Corp. and leased by Culbro Tobacco Company.

Each shed is roughly estimated by Fred Hanks, Tobacco Farms Corp. plant

manager to be worth between \$20,000 and \$25,000.

Hanks said each shed also contained four propane gas tank cylinders. As the tanks heat up, gas bleeds off to alleviate pressure inside the tanks. In this case, as the gas bled off it was ignited by the fire, Hanks said, but added this does not cause the tanks to explode. He did not know the cause of the fire.

School Pictures

School pictures in Suffield's elementary schools will be taken by a national organization, School Pictures, Inc. The schedule planned is Bridge St. School today; West Suffield School, Friday, Oct. 11 and Spaulding School, Oct. 18. Parents will receive com-

plete information in notices sent home with the children. Call 668-0488 if the notice does not answer all your questions.

UNIVERSITY OPENS

Johns Hopkins University in Baltimore was opened Oct. 3, 1876.

Final payment on your 1974 Christmas Club will be accepted no later than Wednesday, Oct. 16.

Our 1975 club opens Oct. 28... watch for an exciting offer!
